### Piraten-potpourri - Samson & Gert

Samson, Gert + koor:

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Gert:

Mijn vader zei me: Gertjelief

Word bakker of word boer

Of handelaar in schapenkaas

Of papegaaienvoer

Mijn moeder zei: word machinist

Of stiker op een trein

Maar ik zei: als ik groot ben  
Word ik kaperkapitein

Samson + koor:

Doe je best voor de baas  
Jaag de ratten van de kaas

Gert:

Mooi is het leven van een kaper

Samson + koor:

Pak die tros, pak die lijn  
Vis de ratten uit de wijn

Gert:

Mooi is het leven van een kaperkapitein

Samson, Gert + koor:

En we varen naar Timboektoe toe  
Timboektoe toe, Timboektoe toe  
En we varen naar Timboektoe toe  
En we zijn nog lang niet moe

En we varen naar Timboektoe toe  
Timboektoe toe, Timboektoe toe  
En we varen naar Timboektoe toe  
En we zijn nog lang niet moe

Samson:

De hond van de matrozen  
Gaat mee op elke reis  
Naar de hitte van de tropen  
En de zeeën vol met ijs

Gert:

Het hondje wordt niet zeeziek

Hij houdt zich stevig vast

Samson:

En hij heeft een eigen mandje

Dat zit boven in de mast

Samson, Gert + koor:

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Gert:

Onze stuurman die heet Sjaak

Samson + koor:

Soep, soep, soep met sliertjes

Gert: Hij moet eten met een haak

Samson + koor:

Soep, soep, soep met sliertjes

Gert: Daarom eten wij niet vaak

Samson + koor:

Soep, soep, soep met sliertjes

Samson + Gert:

Soep, soep, soep met smaak

Samson, Gert + koor:

Want de stuurman heeft een haak

Gert:

Als de sterren naar me roepen

Als de zeewind naar me fluit

Dan moet ik naar het water

Dan trek ik er op uit

Maar wanneer de meeuwen schreeuwen

Boven storm en golfgebruis

Verlang ik naar Marlène

En wil ik weer naar huis

Samson + koor:

Een echt piraat heeft een gaatje in z'n oor

Een gaatje in z'n oor

Samson:

Met een ringetje er door

Samson + koor:

Een echt piraat heeft een bootje op z'n borst

Een bootje op z'n borst

Samson:

En een vreselijke dorst

Samson + koor:

Een echte piraat die herken je meteen

Samson:

Aan zijn gaatje en zijn bootje en zijn houten been

Samson, Gert + koor:

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

Wij zijn piraten van de zee

En al wie zin heeft vaart maar mee

Wij zijn piraten, piraten

Piraten van de zee

[Animals - Maroon 5](#)

Baby I'm preying on you tonight

Hunt you down eat you alive

Just like animals

Animals

Like animals-mals

Maybe you think that you can hide

I can smell your scent for miles

Just like animals  
Animals  
Like animals-mals  
Baby I'm

So what you trying to do to me  
It's like we can't stop, we're enemies  
But we get along when I'm inside you, eh  
You're like a drug that's killing me  
I cut you out entirely  
But I get so high when I'm inside you

Yeah you can start over you can run free  
You can find other fish in the sea  
You can pretend it's meant to be  
But you can't stay away from me  
I can still hear you making that sound  
Taking me down rolling on the ground  
You can pretend that it was me  
But no, oh

Baby I'm preying on you tonight  
Hunt you down eat you alive  
Just like animals  
Animals  
Like animals

Maybe you think that you can hide  
I can smell your scent for miles  
Just like animals  
Animals

Like animals-mals

Baby I'm

So if I run it's not enough

You're still in my head forever stuck

So you can do what you wanna do, eh

I love your lies I'll eat 'em up

But don't deny the animal

That comes alive when I'm inside you

Yeah you can start over you can run free

You can find other fish in the sea

You can pretend it's meant to be

But you can't stay away from me

I can still hear you making that sound

Taking me down rolling on the ground

You can pretend that it was me

But no, oh

Baby I'm preying on you tonight

Hunt you down eat you alive

Just like animals

Animals

Like animals-mals

Maybe you think that you can hide

I can smell your scent for miles

Just like animals

Animals

Like animals-mals

Baby I'm

Don't tell no lie, lie lie lie  
You can't deny, ny ny ny  
The beast inside, side side side  
Yeah yeah yeah

No girl don't lie, lie lie lie (No girl don't lie)  
You can't deny, ny ny ny (You can't deny)  
The beast inside, side side side  
Yeah yeah yeah

Yo,  
Whoa  
Whoa  
Just like animals  
Animals  
Like animals-mals  
Just like animals (Yeah)  
Animals (Yeah)  
Like animals-mals (Yeah)  
Ow

Baby I'm preying on you tonight  
Hunt you down eat you alive  
Just like animals  
Animals  
Like animals-mals

Maybe you think that you can hide  
I can smell your scent for miles  
Just like animals  
Animals

Like animals-mals  
Baby I'm

Don't tell no lie, lie lie lie  
You can't deny, ny ny ny  
The beast inside, side side side  
Yeah yeah yeah

No girl don't lie, lie lie lie (No girl don't lie)  
You can't deny, ny ny ny (You can't deny)  
The beast inside, side side side  
Yeah yeah yeah

### Glitter - BENEE

Everyone else has left now  
I bet that disc got you stressed out  
Wondering, what can we do now?  
Maybe let it burn out  
Where I can't feel my face  
Hmm, minds twisted in weird ways  
Wondering, what can we do now?  
Maybe let it burn out

Glitter sparkling on your heart  
Now, darling, wont you stay?  
I'm here wondering what to say  
All good, then we err'ing

I know it's getting late now, baby  
Maybe you should stay here with me  
Let's just make it our own party  
Stick together like Glitter, Glitter, Glitter, Glitter

Race against the sunlight  
Wanna have a long night  
Night mysteries, tight mysteries  
Under spotlight  
Don't let me out of your sight  
Two energies, two energies  
  
Glitter sparkling on your heart  
Now, darling, won't you stay? (ooh)  
I'm here wondering what to say  
All good, then we err'ing  
  
I know it's getting late now, baby  
Maybe you should stay here with me  
Let's just make it our own party  
Stick together like Glitter, Glitter, Glitter, Glitter  
  
I know it's getting late now, baby (late now!)  
Maybe you should stay here with me  
Let's just make it our own party (party!)  
Stick together like Glitter, Glitter, Glitter, Glitter  
  
Everyone else has left now  
I bet that disc got you stressed out  
Wondering what can we do now?  
Maybe let it burn out

### Kusjessoldaten - K3

Als iemand valt, en zich bezeert  
Bel de kazerne, wij zijn altijd in de weer

We zeggen halt, geen tranen meer  
Dichtbij of ver, een kusje werkt iedere keer  
Want die pijn vergeet je snel, na een weet-je-wel  
En van zoentjes geven, worden wij niet moe  
Een grote of een kleine kus, wat een fijne lkus  
Tuit je lippen en we komen naar je toe  
Wij zijn soldaten, kusjessoldaten  
En jij krijgt, pief, poef, paf, een welgemikte zoen  
Wij zijn soldaten, kusjessoldaten  
Wij vuren zoentjes af, want dat is wat we doen  
Elk hart dat breekt, wordt zo hersteld  
Wij hebben zoentjes klaar voor elke kleine held  
Wie is van streek (wie is van streek), wie heeft  
gebeld (wie heeft gebeld)  
Wie krijgt een kusjeslegerlintje opgespeld  
Want die pijn vergeet je snel, na een weet-je-wel  
En van zoentjes geven, worden wij niet moe  
Een grote of een kleine kus, wat een fijne klus  
Tuit je lippen en we komen naar je toe  
Wij zijn soldaten, kusjessoldaten  
En jij krijgt, pief, poef, paf, een welgemikte zoen  
Wij zijn soldaten, kusjessoldaten  
Wij vuren zoentjes af, want dat is wat we doen  
Een dipje, of een traan en ons leger komt eraan  
Een zoentje en je kan de hele wereld aan

Wij zijn soldaten, kusjessoldaten  
En jij krijgt, pief, poef, paf, een alles is weer beter,  
zoen

### Laat de zon in je hart - Willy Sommers

Een lach, een groet, een blij gezicht  
Een vogel zwevend naar het licht.  
Oh het lijkt zo gewoon maar het is toch een  
wonder.  
Een kind dat lacht en naar je zwaait,  
Een fietser die de hoek omdraait.  
Oh het lijkt zo gewoon maar het is toch een  
wonder.  
Het leven gaat zo snel voorbij,  
Dat geldt voor jou maar ook voor mij...  
Oh laat de zon in je hart  
Ze schijnt toch voor iedereen  
Geniet van het leven  
Want het duurt toch maar even.  
Oh laat de zon in je hart  
Ze schijnt toch voor iedereen  
Geniet van het leven  
Want het duurt toch maar even.

Het strand, de zee, de volle maan  
De hemel waar de sterren staan.  
Oh het lijkt zo gewoon maar het is toch een  
wonder.  
En ben je soms niet goed gezind  
Denk aan de glimlach van een kind.  
Ja dat maakt jeweer blij ja dat maakt je weer  
vrolijk.  
Het leven gaat zo snel voorbij,  
Dat geldt voor jou maar ook voor mij...

Oh laat de zon in je hart  
Ze schijnt toch voor iedereen  
Geniet van het leven  
Want het duurt toch maar even.  
Oh laat de zon in je hart  
Ze schijnt toch voor iedereen  
Geniet van het leven  
Want het duurt toch maar even.

Ben je niet gelukkig heb je soms verdriet  
Denk dan aan de zon en zing dit lied.

Oh laat de zon in je hart  
Ze schijnt toch voor iedereen  
Geniet van het leven  
Want het duurt toch maar even.  
Oh laat de zon in je hart  
Ze schijnt toch voor iedereen  
Geniet van het leven  
Want het duurt toch maar even.

## Animals - Martin Garrix

We're the f-king animals  
We're the f-king animals

## Airplanes - B.o.B

Can we pretend that airplanes in the night sky are  
like shootin' stars

I could really use a wish right now, wish right now,  
wish right now

Can we pretend that airplanes in the night sky are  
like shootin' stars

I could really use a wish right now, wish right now,  
wish right now

Yeah, I could use a dream or a genie or a wish  
To go back to a place much simpler than this  
'Cause after all the partyin' and smashin' and  
crashin'

And all the glitz and glam and the fashion  
And all the pandemonium and all the madness  
There comes a time where you fade to the  
blackness

And when you're starin' at the phone in your lap  
And you hopin' but them people never call you  
back

But that's just how the story unfolds  
You get another hand soon after you fold  
And when your plans unravel in the sand

What would you wish for, if you had one chance?  
So airplane, airplane sorry I'm late  
I'm on my way so don't close that gate  
If I don't make that, then I'll switch my flight  
And I'll be right back at it by the end of the night  
Can we pretend that airplanes in the night sky are  
like shootin' stars  
I could really use a wish right now, wish right now,  
wish right now  
Can we pretend that airplanes in the night sky are  
like shootin' stars  
I could really use a wish right now, wish right now,  
wish right now  
Yeah, yeah, somebody take me back to the days  
Before this was a job, before I got paid  
Before it ever mattered what I had in my bank  
Yeah, back when I was tryna get a tip at Subway  
And back then I was rappin' for the hell of it  
But nowadays we rappin' to stay relevant  
I'm guessin' that if we can make some wishes out of  
airplanes  
Then maybe, oh maybe, I'll go back to the days  
Before the politics that we call the rap game  
And back when ain't nobody listened to my  
mixtape  
And back before when I tried to cover up my slang  
But this is for Decatur, what's up Bobby Ray?  
So can I get a wish to end the politics?  
And get back to the music that started this shit  
So here I stand and then again I say

I'm hoping we can make some wishes out of  
airplanes  
Can we pretend that airplanes in the night sky are  
like shootin' stars  
I could really use a wish right now, wish right now,  
wish right now  
Can we pretend that airplanes in the night sky are  
like shootin' stars  
I could really use a wish right now, wish right now,  
wish right now  
I could really use a wish right now  
I, I, I could really use a wish right now  
Like, like, like shootin' stars  
I, I, I could, I could really use a wish right now  
A wish, a wish right now

### Animal - Neon Trees

Here we go again, I kinda want to be more than  
friends  
So take it easy on me, I'm afraid you're never  
satisfied  
Here we go again, we're sick like animals, we play  
pretend  
You're just a cannibal and I'm afraid I won't get out  
alive  
No, I won't sleep tonight  
Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
Take a bite of my heart tonight

Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight

Here we are again, I feel the chemicals kicking in  
It's getting heavy and I want to run and hide  
I want to run and hide  
I do it every time, you're killing me now  
And I won't be denied by you, the animal inside of  
you

Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
Take a bite of my heart tonight

Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight

Hush, hush, the world is quiet  
Hush, hush, we both can't fight it  
It's us that made this mess  
Why can't you understand?

Whoa, I won't sleep tonight  
I won't sleep tonight  
Here we go again

Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
Take a bite of my heart tonight

Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
What are you waiting

Here we go again, oh, oh  
Here we go again, oh, oh  
Here we go again, oh, oh  
Say goodbye to my heart tonight

Oh, oh, I want some more  
Oh, oh, what are you waiting for?  
What are you waiting for?  
Say goodbye to my heart tonight

### Mega Mindy tijd - Mega Mindy

Ik ben een gewone meid  
Maar bij Mega Mindy tijd  
Ben ik dapper, ben ik stoer

Dan ben ik van niemand bang  
Hou ik boeven in de tang  
Draai ik elke dief een loer

Iedereen die wordt belogen  
Wordt bestolen  
Wordt bedrogen  
Geef een seintje  
En ik kom er aan

Is het een vliegtuig?  
Is het een vogel?  
Nee, dat is het niet  
Het is Mega Mindy  
Die je aan de hemel ziet

Is het een vliegtuig?  
Is het een vogel?  
Nee, dat is het niet  
Het is Mega Mindy  
Die je aan de hemel ziet

Voor een echte heldendaad  
Sta ik dag en nacht paraat  
Voor gevaren ben ik blind

Voor een echte superheld  
Is er maar één ding dat telt  
Dat het recht steeds overwint

Iedereen die wordt belogen  
Wordt bestolen  
Wordt bedrogen  
Geef een seintje  
En ik kom er aan

Is het een vliegtuig?  
Is het een vogel?  
Nee, dat is het niet  
Het is Mega Mindy  
Die je aan de hemel ziet

Is het een vliegtuig?  
Is het een vogel?  
Nee, dat is het niet  
Het is Mega Mindy  
Die je aan de hemel ziet

Iedereen die wordt belogen  
Wordt bestolen  
Wordt bedrogen  
Geef een seintje  
En ik kom er aan

Is het een vliegtuig?  
Is het een vogel?  
Nee, dat is het niet  
Het is Mega Mindy

### Kings & Queens - Ava Max

If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancin' on your own

Can't live without me, you wanna, but you can't,  
no, no, no

Think it's funny, but honey, can't run this show on  
your own

I can feel my body shake, there's only so much I  
can take

I'll show you how a real queen behaves, oh

No damsel in distress, don't need to save me  
Once I start breathin' fire, you can't tame me  
And you might think I'm weak without a sword  
But if I had one, it'd be bigger than yours

If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancin' on your own

Disobey me, then baby, it's off with your head  
Gonna change it and make it a world you won't  
forget, oh-oh, oh

No damsel in distress, don't need to save me

Once I start breathin' fire, you can't tame me  
And you might think I'm weak without a sword  
But I'm stronger than I ever was before

If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancin' on your own

In chess, the king can move one space at a time  
But queens are free to go wherever they like  
You get too close, you'll get a royalty high  
So breathe it in to feel the love

If all of the kings had their queens on the throne  
We would pop champagne and raise a toast  
To all of the queens who are fighting alone  
Baby, you're not dancin' on your own

## Nederlandstalige Toppers

Mia – Gorki

Toen ik honger had kwam ik naar je toe  
Je zei, eten kan je als je de afwas doet  
Mensen als jij moeten niet moeilijk doen  
Geef ze een kans voor ze stom gaan doen

De middenstand regeert het land  
Beter dan ooit tevoren  
Mia heeft het licht gezien  
Ze zegt, niemand gaat verloren

Voorlopig gaan we nog even door  
Op het lichtend pad, het verkeerde spoor  
Mensen als ik vind je overal  
Op de arbeidsmarkt, in dit tranendal

En sterren komen, sterren gaan  
Alleen Elvis blijft bestaan  
Mia heeft nooit afgezien  
Ze vraagt, kun jij nog dromen?

De middenstand regeert het land  
Beter dan ooit tevoren  
Mia heeft het licht gezien  
Ze zegt, niemand gaat verloren

Sterren komen en sterren gaan  
Alleen Elvis blijft bestaan

Mia heeft nooit afgezien  
Ze vraagt, kun jij nog dromen?

### **Ik wil je - De Kreuners**

Ze likt aan haar glas terwijl ze naar hem lacht  
Hij stapt op haar toe, zo had ze't wel verwacht  
Morgen heeft ze spijt, dat weet ze veel te goed  
Toch doet ze het opnieuw en opnieuw en opnieuw  
en opnieuw

Wie kan het wat schelen

Zo zijn er zo velen

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek

Alles wat ze zegt klinkt vals en koud  
Zelfs als ze zegt dat ze van hem houdt

Ze weet dat ze liegt toch zegt ze het opnieuw  
En opnieuw en opnieuw en opnieuw en opnieuw  
en opnieuw en opnieuw en opnieuw

Wie kan het wat schelen

Zo zijn er zo velen

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek

Ik wil je

Blijf bij me

Hou van me

Zegt ze opnieuw, en opnieuw

Elke nacht

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek  
Ik wil je  
Blijf bij me  
Hou van me  
Ga nooit meer weg  
Ik wil je  
Blijf bij me  
Hou van me  
Ik word stapelgek  
Ik wil je  
Blijf bij me  
Hou van me  
Ga nooit meer weg  
Ik wil je  
Blijf bij me  
Hou van me  
Ik word stapelgek  
Ik wil je  
Blijf bij me  
Hou van me  
Ga nooit meer weg

Ik wil je  
Blijf bij me  
Hou van me  
Ik word stapelgek  
Ik wil je  
Blijf bij me  
Hou van me

### Onderweg – Abel

Ik doe de deur dicht  
Straten lijken te huilen  
Wolken lijken te vluchten  
Ik stap de bus in  
Mensen lijken te kijken  
Maar ik wil ze ontwijken  
Voordat ze mij zien  
Het is lang verleden tijd  
Dat je mijn verjaardag niet vergat  
Je onvoorwaardelijk koos voor mij

Ik zie de velden  
Langs me heen gaan huizen

Het is stil achter de ruiten  
Wie kan mij zien  
In blauwverlichte treinen  
Je hart is zo dichtbij me  
Maar het klopt niet  
Het is al lang verleden tijd  
Je zwarte haren en je lach  
Dat je de heel de wereld voor mij was  
Het zit nog veel te diep in mij  
Dat ik mocht delen wat jij had  
Je door mijn haren ging en zei

Je kent mijn stem niet  
Wie ik ben is wat je nu ziet  
Wil je dansen met illusies  
In gedachten  
Ben je verder dan het heden  
Wil je terug naar je verleden  
Zegt je dat iets  
Het is lang verleden tijd  
Rode wijn op het terras  
Dat je heel de wereld voor mij was

Het zit nog veel te diep in mij  
Dat ik vergat hoe jij mij zag  
Dat ik zo anders ben dan jij

Ik loop de straat in  
Maar het zal me nooit verwarmen  
Omdat het mij niet kan omarmen  
Wie zou mij zien  
het liefst zou ik willen schreeuwen  
ik zou oneindig willen schreeuwen  
maar het gaat niet  
jij bent nu alleen van mij  
ik kan de wereld laten zien  
dat het zo beter is misschien  
het is al lang verleden tijd  
dat ik vergat hoe jij me zag  
dat ik zo anders ben dan jij

### Het Is Een Nacht - Guus Meeuwis & Vagant

Je vraagt of ik zin heb in een sigaret  
Het is twee uur 's nachts  
We liggen op bed  
In een hotel in een stad

Waar niemand ons hoort  
Waar niemand ons kent  
En niemand ons stoort  
Op de vloer ligt een lege fles wijn  
En kledingstukken die van jou of mij kunnen zijn  
Een schemering de radio zacht  
En deze nacht heeft alles  
Wat ik van een nacht verwacht

Het is een nacht  
Die je normaal alleen in films ziet  
Het is een nacht  
Die wordt bezongen in het mooiste lied  
Het is een nacht  
Waarvan ik dacht dat ik hem nooit beleven zou  
Maar vannacht beleef ik hem met jou ohoh

Ik ben nog wakker en ik staar naar het plafond  
En ik denk aan de dag lang geleden begon  
Het zomaar er vandoor gaan met jou  
Niet wetend waar de reis eindigen zou  
Nu lig ik hier in een wildvreemde stad  
En heb net de nacht van men leven gehad  
Maar helaas er komt weer licht door de ramen  
Hoewel voor ons de wereld  
Vannacht heeft stil gestaan

Het is een nacht  
Die je normaal alleen in films ziet  
Het is een nacht  
Die wordt bezongen in het mooiste lied

Het is een nacht  
Waarvan ik dacht dat ik hem nooit beleven zou  
Maar vannacht beleef ik hem met jou ohoh

Maar een lied blijft slechts bij woorden,  
Een film is in scène gezet  
Maar deze nacht met jou  
Is levensecht

Het is een nacht  
Die je normaal alleen in films ziet  
Het is een nacht  
Die wordt bezongen in het mooiste lied  
Het is een nacht  
Waarvan ik dacht dat ik hem nooit beleven zou  
Maar vannacht beleef ik hem met jou ohoh

Het is een nacht  
Die je normaal alleen in films ziet  
Het is een nacht  
Die wordt bezongen in het mooiste lied  
Het is een nacht  
Waarvan ik dacht dat ik hem nooit beleven zou  
Maar vannacht beleef ik hem met jou ohoh

En vannacht beleef ik hem met jou ohoh  
En ik hou alleen nog maar van jou ohoh  
En ik hou alleen nog maar van jou

[Als ze lacht - Yevgueni](#)

Ze is niet altijd even vrolijk  
En dat ligt ook wel eens aan mij

En een beetje aan de weerman  
Maar die maakt eigenlijk niemand blij  
En al zijn miezerige buien  
Daar heeft zij geen boodschap aan  
Zij wil alle dagen zon  
En als het moet eens een orkaan  
Maar net als hem blijf ik proberen  
Elke dag een flauwe mop  
Plots is daar dan toch die glimlach  
En dan klaart alles, dan klaart alles hier weer op  
Want als ze lacht  
Breekt de hele hemel open  
Echt ik waan me in de tropen  
'T is echt machtig als ze lacht  
Als ze lacht  
Baad ik uren in de zon  
Ik wou dat ik dat voor haar kon  
Wat zij voor mij doet  
Als ze lacht  
Ben ook niet altijd even vrolijk  
Maar dat ligt echt wel niet aan mij  
Want zelfs met Martine om 7  
Is er maar zelden goed nieuws bij  
Of toch, een nieuwe prins geboren  
Zelfs nog beter een dolfijn  
Maar dan een stuk of honderd plaatsen waar  
Ze weer aan 't vechten zijn  
Er is nochtans niet zoveel nodig

Misschien meer vrouwen aan de macht  
Dan zeg ik, schat, jij zou dat kunnen  
En echt ik meen, echt ik meen het maar zij lacht

En als ze lacht  
Is het even wereldvrede  
Is de laatste strijd gestreden  
'T is echt machtig als ze lacht  
Als ze lacht  
Baad ik uren in de zon  
Ik wou dat ik dat voor haar kon  
Wat zij voor mij doet  
Als ze lacht

Ja ik wou echt  
Dat ik dat voor haar kon  
Maar als ze lacht  
Is het even wereldvrede  
Is de laatste strijd gestreden  
'T is echt machtig als ze lacht  
Als ze lacht  
Baad ik uren in de zon  
Ik wou dat ik dat voor haar kon  
Wat zij voor mij doet  
Als ze lacht

Als ze lacht  
Is het even wereldvrede  
Is de laatste strijd gestreden  
'T is echt machtig als ze lacht

Als ze lacht  
Baad ik uren in de zon  
Ik wou dat ik dat voor haar kon  
Wat zij voor mij doet  
Als ze lacht

### Anne - Clouseau

Anne, als ik jou zie ben ik niet meer bij te sturen  
Anne, die momenten zouden eeuwig moeten  
blijven duren  
's Morgens vroeg, ik breng het ontbijt naar de  
kamer  
Het is nog donker en jij ligt nog wat te slapen  
Je ene been hangt uit het bed, je haren doorelkaar  
En ik geef je een zoen op je neusje, maar je wordt  
het niet gewaar  
Anne, als ik jou zie ben ik niet meer bij te sturen  
Anne, die momenten zouden eeuwig moeten  
blijven duren  
Je drinkt je koffie en begint zachtjes wat te praten  
Je kan 't niet laten, want toch moet je even gapen  
Maar het is zondag, dus hoeven we vandaag toch  
niets te doen  
We duiken terug de lakens in en we vrijen tot het  
noon  
Anne, als ik jou zie ben ik niet meer bij te sturen  
Anne, die momenten zouden eeuwig moeten  
blijven duren

Je vleit je zachtjes tegen me aan, je hoofdje in m'n  
zij

En dan weet ik dat je van me houdt en dat maakt  
me blij

Anne, als ik jou zie ben ik niet meer bij te sturen

Anne, die momenten zouden eeuwig moeten  
blijven duren

Anne, als ik jou zie ben ik niet meer bij te sturen

Anne, die momenten zouden eeuwig moeten  
blijven duren

Anne, als ik jou zie ben ik niet meer bij te sturen

Anne, die momenten zouden eeuwig moeten  
blijven

Anne

### Zoutelande - BLØF

Niets is beter dan met jou de kou trotseren

Er zijn mensen die naar warme landen emigreren

Maar we hebben geen geld in onze koude handen

Dus we gaan maar naar je ouders in Zoutelande, in  
Zoutelande

En dan zitten we hier in het oude strandhuis

Wat je vertelt houdt me nuchter en warm

Boven m'n hoofd zie ik de grijze wolken

Ik ben blij dat je hier bent, blij dat je hier bent

Wij zitten hier in het gammele strandhuis

Maakte me toch al nooit uit waar we waren

We verzuipen onszelf in de drank van je vader

Ik ben blij dat je hier bent, blij dat je hier bent

Niets is mooier dan met jou het land doorkruisen  
Op mistroostige plekken je bij me te hebben  
En te zien dat het goed is, te zien dat we bruisen  
En met wodka en met bokking tussen  
reddingsbanden

En dan zitten we hier in het oude strandhuis  
Wat je vertelt houdt me nuchter en warm  
En boven m'n hoofd zie ik de grijze wolken  
Ik ben blij dat je hier bent, blij dat je hier bent  
Wij zitten hier in het gammele strandhuis  
Maakte me toch al nooit uit waar we waren  
We verzuipen onszelf in de drank van je vader  
Ik ben blij dat je hier bent, blij dat je hier bent

Ik ben blij dat je hier bent  
Ik ben blij dat je hier bent  
Ik ben blij dat je hier bent  
Ik ben blij dat je hier bent

En dan zitten we hier in het oude strandhuis  
Wat je vertelt houdt me nuchter en warm  
Boven m'n hoofd zie ik de grijze wolken  
Ik ben blij dat je hier bent, blij dat je hier bent

Ik ben blij dat je hier bent  
Ik ben blij dat je hier bent  
Ik ben blij dat je hier bent

Wij zitten hier in het gammele strandhuis  
Maakte me toch al nooit uit waar we waren

We verzuipen onszelf in de drank van je vader

[Allemaal - Wim Soutaer](#)

Veel te vaak gezworven  
In het holst van de nacht  
Mezelf te vaak bedrogen  
Te veel afgewacht  
Maar genoeg is genoeg  
Dit wil ik niet meer  
Dit wordt voor ons  
De ommekeer  
Overal gekeken en  
Overal gezocht  
Alles vergeleken en

Alles terug verkocht  
Maar genoeg is genoeg  
Dit wil ik niet meer  
Dit wordt voor ons  
De ommekeer

[Refrein]

We gaan dansen in de zon  
Baden in het licht  
Ja, we omarmen het leven  
Met een lach op ons gezicht

We komen samen  
In hetzelfde verhaal  
En genieten van het leven  
Allemaal

Eindelijk de wereld waarvan ik heb gedroomd  
Eindelijk die eindeloze strijd die wordt beloond  
En ik zie het nu weer  
Alles komt goed  
We gaan een gouden tijd tegemoet

[Refrein]  
We gaan dansen in de zon  
Baden in het licht  
Ja, we omarmen het leven  
Met een lach op ons gezicht  
We komen samen  
In hetzelfde verhaal  
En genieten van het leven  
Allemaal

Dit is de dag  
Dit is het moment  
Waar iedereen zich in herkent  
Dit is het vuur dat in ons brand

We gaan dansen in de zon  
Baden in het licht  
Ja, we omarmen het leven

We gaan dansen in de zon  
Baden in het licht  
Ja, we omarmen het leven  
Met een lach op ons gezicht  
We komen samen  
In hetzelfde verhaal  
En genieten van het leven  
Ja, we gaan dansen in de zon  
Baden in het licht  
Ja we omarmen het leven  
Met een lach op ons gezicht  
We komen samen  
In hetzelfde verhaal  
En genieten van het leven  
Ja, we genieten van het leven  
Allemaal, allemaal, allemaal, allemaal

### Heist Aan Zee - Bart Peeters

Hmmm...

Toen ik nog boeken las en fietste op de dijk  
Dacht ik dat geluk content zijn was en verder geen  
gezeik  
We speelden frisbee in de zee en vroegen nooit  
waarom  
Pinokkio was ook verbaasd toen hij in die walvis  
zwom

En de meeuwen meeuwden statig de golven  
golfden naar het strand  
En nokel Luk zwom regelmatig over en weer naar  
Engeland

Hmmm...

Toen we Luikse wafels aten onlangs in Heist aan Zee  
De kinderen in zo'n gocart zaten bejaarden  
ramden met wind mee  
En de zee haar grijze zelf was dacht ik dit is het dit is  
af

Waarna de jongste in haar broek deed en de  
oudste overgaf

En de meeuwen meeuwden statig de golven  
golfden naar het strand  
En we zwommen regelmatig over en weer naar  
Engeland

Hmmm...

En de meeuwen meeuwden statig de golven  
golfden naar het strand  
En ik lieg nog regelmatig over zwemmen naar  
Engeland

Hmmm...

## Ik Neem Je Mee - Gers Pardoel

Ze denkt dat ik niet bezig ben (met haar)  
Denkt dat ik geen gevoelens heb (voor haar)  
Terwijl ik nu alleen maar denk (aan haar)  
Want zij is heel mijn wereld  
Zeg je wat je wil dan  
Staren word ik stil van  
Zeg me wat je wil dan  
Staren word ik stil van

We waren pas 8  
Zat in de klas  
Naast Thomas en Willem  
Voor Mark en Bas  
Jij zat voor in, keek achterom  
Ik stuurde je briefjes en vroeg je waarom  
Je stuurde me terug  
Ik vind je lief, zit op een wolk en ik ben verliefd  
10 jaren later waren we samen  
Ik was een jongentje jij al een dame  
Wist het wel zeker jij bent de ware  
Niemand waar ik nou zo lang naar kon staren  
Soms is het erg maar dit is beperkt  
Voor jou ben ik Gerwin en Gers is het merk

Ik neem je mee, neem je mee op reis  
Neem je mee, naar Rome of Parijs  
Ik lijk misschien wel cool tot dat je weet wat ik nu  
voel  
Jij klinkt als muziek dus laat je zien wat ik bedoel

Ik neem je mee ee-eh-eh-eeee

Ik neem je mee ee-eh-eh-eeee

Ik denk aan haar en zij denkt aan mij

Jij bent te druk is wat ze me zei

Ze wil met me shoppen, en samen uit eten

Wil naar de bios en wil met me daten

Maar ik wil muziek en geld op de bank

Al me fans die wachten al lang

Ik wil een toekomst opbouwen met haar

2 kids een huis met een tuin aan het water

Hond of kater wat jij wil

Maar blijf nou niet staren want dan word ik stil

Doe dit voor ons en werk dus hard

Want ik hou van jou met heel m'n hart

Ik neem je mee, neem je mee op reis

Neem je mee, naar Rome of Parijs

Ik lijk misschien wel cool tot dat je weet wat ik nu  
voel

Jij klinkt als muziek dus laat je zien wat ik bedoel

Ik neem je mee ee-eh-eh-eeee

Ik neem je mee ee-eh-eh-eeee

Ze denkt dat ik niet bezig ben (met haar)

Denkt dat ik geen gevoelens heb (voor haar)

Terwijl ik nu alleen maar denk (aan haar)

Want zij is heel mijn wereld

Zeg je wat je wilt dan

Staren word ik stil van

Zeg me wat je wilt dan  
Staren wordt ik stil van

Ik neem je mee, neem je mee op reis  
Neem je mee, naar Rome of Parijs  
Ik lijk misschien wel cool tot dat je weet wat ik nu  
voel

Jij klinkt als muziek dus laat je zien wat ik bedoel  
Ik neem je mee ee-eh-eh-eeee  
Ik neem je mee ee-eh-eh-eeee  
Ik neem je mee ee-eh-eh-eeee  
Ik neem je mee ee-eh-eh-eeee

Vrolijke vrienden - Samson En Gert  
refrein 2x

vrolijke vrolijke vrienden  
vrolijke vrienden dat zij wij

als wij samen gaan kamperen  
naar het bos of naar de hei  
dan klinkt het wel duizend keren  
vrolijke vrienden  
dat zijn wij

refrein 2x

's morgens komt de zon ons wekken  
en vogels zingen blij  
wij gaan de natuur ontdekken

in de duinen bos en hei

refrein 2x

twee of drie die koken het eten  
brengen lekkere dingen mee  
er is iets wat wij wel weten  
wie op kamp is eet voor twee

refrein 2x

en gaat stil de avond komen  
zingen dansen wij bij 't vuur  
tot wij in de tent gaan dromen  
in het late late uur

refrein 3x

Afscheid - Volumnia!

Altijd bij elkaar  
M'n armen om je heen  
M'n aller grootste liefde  
Dat wist ik echt meteen  
De allerlaatste weken, de dagen gingen snel  
dichtbij komt het afscheid,  
moeilijk wordt het wel

zeg dat je niet hoeft te gaan schat  
dat je aan mij echt genoeg had,  
zeg dat je niet hoeft te gaan schat

ga schat, want je moet  
ik weet je moet

Als het even kon dan, bleef ik nog een nacht bij jou  
Als het even kon dan, bleef ik nog een nacht bij jou  
dan zou ik zeggen dat ik op je wacht  
en dat de toekomst naar ons lacht  
dan zou ik zeggen voor de zoveelste keer,  
ik wil geen ander nooit meer

De koffers staan al buiten  
de achterklep slaat dicht  
een laatste lange kus  
in het vroege ochtendlicht  
Je kijkt me liefjes aan  
en pakt me stevig beet  
Ik fluister in je oor dat ik je niet vergeet  
zeg dat je niet hoeft te gaan schat  
dat je aan mij echt genoeg had,  
zeg dat je niet hoeft te gaan schat  
ga schat want je moet  
ik weet je moet

Als het even kon dan, bleef ik nog een nacht bij jou  
Als het even kon dan, bleef ik nog een nacht bij jou  
dan zou ik zeggen dat ik op je wacht  
en dat de toekomst naar ons lacht  
dan zou ik zeggen voor de zoveelste keer,  
ik wil geen ander nooit meer

Nooit meer zal ik voelen wat ik voel voor jou  
ik hoop dat ik kan leven zonder jou  
kom ga nu maar, veeg je tranen weg, en onthou  
heel goed  
dat ik van je hou, van je hou

NEE NEE NEE; je hoeft niet te gaan schat, NEE!  
NEE NEE NEE, Je hoeft niet te gaan schat, NEE!

### Rood - Marco Borsato

Rood is al lang het rood niet meer  
Het rood van rode rozen  
De kleur van liefde van weleer  
Lijkt door de haat gekozen

Dat mooie rood was ooit voor mij  
Een kleur van passie en van wijn  
Ik wil haar terug, die mooie tijd  
Maar zij lijkt lang vervlogen

En alle beelden op tv  
Van bloed en oorlog om ons heen  
Werken daar ook niet echt aan mee

Dus ik neem heel bewust het besluit  
De krant leg ik weg  
En de tv gaat uit

Vandaag is rood de kleur van jouw lippen  
Vandaag is rood wat rood hoort te zijn  
Vandaag is rood  
Het rood van rood wit blauw  
Van heel mijn hart voor jou

Schreeuw van de roodbedekte daken dat ik van je  
hou Vandaag is rood gewoon weer liefde tussen  
jou en mij

Ik loop de deur door en naar buiten waar de zon  
begint te schijnen

Laat alles achter, kijk vooruit en met mijn laatste  
rooie cent

Koop ik een veel te grote bos met honderdvijftig  
rode rozen

Een voor elk jaar waarvan ik hoop dat jij nog bij me  
bent

Vandaag is rood de kleur van jouw lippen

Vandaag is rood wat rood hoort te zijn

Vandaag is rood

Het rood van rood wit blauw

Van heel mijn hart voor jou

Schreeuw van de roodbedekte daken dat ik van je  
hou Vandaag is rood gewoon weer liefde tussen  
jou en mij

En nu sta je hier zo voor me

De rode avondzon streelt jouw gezicht

Je bent een wonder voor me

Denk ik, terwijl een doorn mijn vinger prikt

Rood is mijn bloed dat valt op de grond

En even lijk ik verloren

Maar jij brengt mijn vingers naar je mond

En je kust ze  
En ik weet

Vandaag is rood de kleur van jouw lippen  
Vandaag is rood wat rood hoort te zijn  
Vandaag is rood  
Het rood van rood wit blauw  
Van heel mijn hart voor jou  
Schreeuw van de roodbedekte daken dat ik van je  
hou Vandaag is rood gewoon weer liefde tussen  
jou en mij

Vandaag... is rood

Gooi de looper uit  
En drink een goed glas wijn  
Pluk de dag want het kan zo ineens de laatste zijn  
Vandaag is rood gewoon weer liefde tussen jou en  
mij

Vandaag staat rood weer voor de liefde  
Tussen jou en mij

## Domino -Clouseau

't Is niet zo lang geleden.  
Maar 't lijkt een ver verleden.  
Ze heette Domino.  
Of ze noemde zich zo.  
En zij had in haar ogen.  
Het blauw van regenbogen.

Ze hield niet van Clouseau.  
Wel van Mozart en zo.  
En bij het ochtendgloren.  
Was ik al lang verloren.  
Het was echt goed raak.  
Ik heb een vreemde smaak.

Ze is niet lang gebleven.  
Heeft geen adres gegeven.  
Ze heette Domino.  
Domino of zo.

Ze hield van verre landen.  
Van godverlaten stranden.  
Van wachten op Godot.  
Zij had cultuur en zo.  
Er was iets in haar haren.  
't Is moeilijk te verklaren.  
Het leek wel maneschijn.  
't Moet mijn verbeelding zijn.

Dan zei ze ik vergeet je.  
Ze lachte zelfs een beetje.  
Je komt er wel doorheen.  
Jij redt het wel alleen.  
't Was hard om te verduren.  
Maar 'k ging door heter vuren.

Ze heette Domino.  
Domino of zo.

Want zij had in haar ogen.  
Het blauw van regenbogen.  
Ze hield niet van Clouseau.  
Wel van Mozart en zo.  
Er was iets in haar haren.  
't Is moeilijk te verklaren.  
Leek wel maneschijn.  
Moet mijn verbeelding zijn .  
Ze zeggen dat ik taai ben.  
Dat ik een echte haai ben.  
Het lijkt alleen maar zo.

Vraag maar aan Domino.  
Ik heb in heel mijn leven.  
Om niemand veel gegeven.  
Maar wel om Domino.  
Domino of zo.

## Een ster - Stan van samang

strofe: 1

Al jaar en dag,leef ik voor jou  
jij bent die ene die ik hebben wou  
En ik ben god daar oh ,zo dankbaar voor  
jouw liefde is een zalig heid  
En die wil ik nooit meer kwijt  
Daarom geef ik jou iets tot in de eeuwigheid

refrein

Een ster,die jou nooit meer verlaat  
die altijd voor je straalt  
Die geef ik dan jouw naam  
Een ster,ze is speciaal voor jou  
Om te tonen dat ik van je hou  
Zodat je mij nooit meer vergeet

strofe: 2

Alsje ooit naar boven kijkt  
Zie je die ster die op jou lijkt  
Het is de mooiste uit het hemelrijk  
En gaat ons leven ooit voorbij  
Dan schijnt ze nog,voor jou en mij  
Die ster die blijft bij ons tot in de eeuwigheid

refrein

Een ster,die jou nooit meer verlaat  
Die altijd voor je straalt  
Die geef ik dan jouw naam  
Een ster,ze is speciaal voor jou  
Om te tonen dat ik van je hou  
Zodat je mij nooit meer vergeet

yeeaaah

Een ster,die jou nooit meer verlaat  
Die altijd voor je straalt  
Die geef ik dan jouw naam  
Een ster,ze is speciaal voor jou  
Om te tonen dat ik van je hou  
Zodat je mij nooit meer vergeet

Ooohhh

## Jij bent de bom – K3

Wat een mooie tijd, alle meisjes bij elkaar.  
Elke jongen in gevaar, ik draai me om en staar.  
Elke mooie meid, kijkt je aan en weet meteen.  
Jij bent echt de nummer één!  
Ik smeeek je, kijk hier heen.  
Wordt het tik tak, tik tak ja of nee, yeah!  
'K voel de seconden tikken in mijn lijf.  
Wordt het tik tak, tik tak ja of nee, yeah!  
We staan te dansen op de nieuwste schijf.  
Want m'n hart staat op springen, en ik weet niet  
waarom.  
Jij bent de allermooiste, jij bent de bom!  
Mijn hart ontploft, toe zeg me waarom.  
Jij bent de allermooiste, jij bent de bom!

Wat een mooie tijd alle meisjes op een rij.  
Misschien kies je wel voor mij?  
Niemand was ooit zo blij!  
Elke mooie meid, met de handen in de lucht.  
Oh, wat ben ik opgelucht, als jij mijn naam straks  
zucht.  
Wordt het tik tak, tik tak ja of nee, yeah!  
'K voel de de seconden tikken in mijn lijf.  
Wordt het tik tak, tik tak ja of nee, yeah!  
We staan te dansen op de nieuwste schijf.  
Want m'n hart staat op springen, en ik weet niet  
waarom.

Jij bent de allermooiste, jij bent de bom!  
Mijn hart ontploft, toe zeg me waarom.  
Jij bent de allermooiste, jij bent de bom!  
Ik sta op springen, en ik weet niet waarom.  
Jij bent de allermooiste, jij bent de bom!  
Mijn hart ontploft, toe zeg me waarom.  
Jij bent de allermooiste, jij bent de bom!

Elke vriend en vriendin, houdt de adem in.  
En de tijd blijft plots stilstaan.  
Ben voor jou gezwicht, met m'n ogen dicht.  
En plots fluister je mijn naam.

Wordt het tik tak, tik tak ja of nee, yeah!  
Nee, ik geloof m'n eigen oren niet.  
Wordt het tik tak, tik tak ja of nee, yeah!  
Ik schreeuw het uit, verberg m'n tranen niet.  
Want m'n hart staat op springen, en ik weet niet  
waarom.

Jij bent de allermooiste, jij bent de bom!  
Mijn hart ontploft, toe zeg me waarom.  
Jij bent de allermooiste, jij bent de bom!  
Ik sta op springen, en ik weet niet waarom.  
Jij bent de allermooiste, jij bent de bom!  
Mijn hart ontploft, toe zeg me waarom.  
Jij bent de allermooiste, jij bent de bom!

## Jong - Spring

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
En dat is vooral, alles wat niet mag

De kaarten zijn nog niet verdeelt,  
Het spel wordt nu nog niet gespeelt.  
Ik kan nog alle kanten uit,  
Ik spring erin, m'n voeten vooruit.

Het land des tijds heeft nog geen vat  
Wie houdt me tegen wie doet me wat  
Ik heb de toekomst in m'n hand  
Het is een vuur dat in me brand

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
Ik pluk de dag

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
En dat is vooral, alles wat niet mag

De zorgen zijn niet voor vandaag,  
De hele wereld draait te traag.  
De blikken zijn op mij gericht,  
Ik volg de weg, m'n ogen dicht.

Ik weet niet veel maar wel genoeg  
Voor levens vragen veel te vroeg  
Ik heb de toekomst in m'n hand  
Het is een vuur dat in me brand

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
Ik pluk de dag

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
En dat is vooral, alles wat niet mag

De wilde haren nog niet kwijt  
Genieten van mijn jeugdigheid  
gewoon mijn gang gaan elke dag  
en blij zijn dat ik leven mag

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
Ik pluk de dag

Ik ben jong  
De wereld ligt aan m'n voeten  
Het leven wil mij ontmoeten  
Ik doe wat ik wil  
En dat is vooral..... IK BEN JONG

[Zeil je voor het eerst - Bart kaell](#)

Ze zeiden hou je van zeilen,  
je mag een keer met ons mee.  
Ik wist nog niets van dat zeilen,  
maar zei natuurlijk niet nee.  
Weldra stond ik voor het eerst aan dek,  
verstrikt in alle touwen tot aan mijn nek.  
Ik wist nog niets van dat zeilen,  
ik stond volkomen voor gek.

Zeil je voor het eerst dan sla je een flater  
trek het je niet aan ga door want later  
geniet je des te meer  
van wind en van water  
van wind en van water

van water en wind.

We zeilden weg van de steiger,  
het avontuurtje begon  
ik zag een roeier, een reiger,  
en zat zo fijn in de zon.  
Tien minuten later sloeg ik overboord,  
want ik had nog nooit van overstag gehoord.  
Ik wist nog niets van dat zeilen,  
Alweer een foutje gescoord.

Zeil je voor het eerst dan sla je een flater  
trek het je niet aan ga door want later  
geniet je des te meer  
van wind en van water  
van wind en van water  
van water en wind.

We zeilden uren en uren,  
met dat vertrouwde geklots.  
Ik mocht ook heel even sturen  
En was verschrikkelijk trots.  
De mast naast de vriendelijk zon stond hoog  
En het was een weldaad voor een zeemansoog.  
Ik wist nog niets van dat zeilen,  
maar was al bijna weer droog.

Zeil je voor het eerst dan sla je een flater  
trek het je niet aan ga door want later

geniet je des te meer  
van wind en van water  
van wind en van water  
van water en wind.

### Goud- Bazar

Eén dans, geef me één dans met de duivel  
Geen kans, er is geen kans op nog twijfel

Oh liever snel naar de hel, dan traag naar de  
hemel

Oh liever snel naar de hel, dan traag naar de  
hemel

Meevalt, als het meevalt op het einde  
Oh geloof mij, elk feest duurt hier oneindig

Ik zie goud aan de rand van de zon  
Ik ben te oud om te weten waarom  
Mijn trein op het foute perron  
Mijn trein zoekt nieuwe wagon

Oh liever snel naar de hel, dan traag naar de  
hemel

Oh liever snel naar de hel, dan traag naar de  
hemel

Neen dan, liever niet voorgoed verdwijnen

Oh alles wat ooit groot was, is nu kleiner

Ik zie goud aan de rand van de zon  
Ik ben te oud om te weten waarom  
Mijn trein op het foute perron  
Mijn trein zoekt nieuwe wagon

Oh liever snel naar de hel, dan traag naar de  
hemel  
Liever snel naar de hel, dan traag naar de hemel  
Oh liever snel naar de hel, dan traag naar de  
hemel  
Oh liever snel naar de hel, dan traag naar de  
hemel

### Blijven Slapen - Maan

Wat doe ik mezelf aan?  
Dat ene jurkje aangedaan  
Ik ben te vroeg van huis vertrokken  
Dat is hoe het gaat  
En doe ik dan hetzelfde aan?  
Casual chic, of is dat hem net niet?  
En hoe laat gaat de laatste trein nog?  
Ik ben morgen en vandaag nog vrij  
Maar ben je wel gemaakt voor mij?

Hoe zou het zijn?  
Smaakt het naar meer of twijfel ik weer?

Kom ik nog thuis of blijf ik slapen?  
Zo zijn er nog wel duizend vragen  
Ik heb mijn ondergoed, mijn tandenborstel  
Luchtje en mijn lader  
Want waarschijnlijk blijf ik slapen  
En slapen doen we niet, nooit, nauwelijks  
Wij gaan iets opbouwen  
En waarschijnlijk blijf ik slapen

Eén date, twee uur, drie gangen later  
Ik weet niet wat het is, maar je raakt me  
En als we straks alleen zijn in je kamer  
Gaan we de lakens in, schat, het verbaast me

Dat het echt zo gaat, wie had dat nou gedacht?  
En ben je net zo klaar voor de volgende stap?  
En wordt de nacht steeds langer met de kortere  
dag  
Ik ben op mijn gemak, ik heb op je gewacht, ey

Hoe zou het zijn?  
Smaakt het naar meer of twijfel ik weer?

Kom ik nog thuis of blijf ik slapen?  
Zo zijn er nog wel duizend vragen  
Ik heb mijn ondergoed, mijn tandenborstel  
Luchtje en mijn lader  
Want waarschijnlijk blijf ik slapen  
En slapen doen we niet, nooit, nauwelijks

Wij gaan iets opbouwen  
En waarschijnlijk blijf ik slapen  
En slapen doen we niet, nooit, nauwelijks  
Wij gaan iets opbouwen  
En waarschijnlijk blijf ik slapen

Als ik slaap bij jou, als je slaapt bij mij  
Raak ik nooit mijn wilde haren kwijt  
Ik grijns naar jou als je naar me kijkt  
Het lijkt te mooi om waar te zijn  
En waarschijnlijk blijf ik slapen

Ik kom niet thuis, ik blijf hier slapen  
Er is een plekje in jouw kamer  
Voor mijn ondergoed, mijn tandenborstel  
Luchtje en mijn lader  
Want ik slaap hier vast nog vaker

### Als Het Avond Is - Suzan en Freek

Soms voel ik me slecht  
Dat je niet zo vaak meer echt praten wil  
Dan mis ik de tijd  
Dat ik kwaad op je kon zijn  
Nu is het stil  
Met het vallen van de nacht  
Fluister ik nu zacht  
Hoor je mij misschien?

Ik weet gewoon niet hoe,  
Bij alles wat ik doe

Ik kan het niet hebben als het avond is  
Oh want 's avonds mis ik je vaak  
Je weet dat ik niet luister als je praat als dit  
En me raakt als dit en dan gaat  
Zeg me dat het goed komt  
Geef me stukjes toekomst  
Of moet ik je maar laten gaan?  
Ik kan het niet hebben als het avond is,  
Ik heb je vaak gemist inderdaad

Nu sta je hier weer voor me  
Ik twijfel geen seconde  
Voel jij dit ook?  
Jouw hand in de mijne  
Of is dit te weinig om door te gaan?  
Bij alles wat je zegt  
Ik voel niet dat je vecht  
Is dit klaar misschien?

Ik weet gewoon niet hoe  
Bij alles wat ik doe

Ik kan het niet hebben als het avond is  
Oh want 's avonds mis ik je vaak  
Je weet dat ik niet luister als je praat als dit  
En me raakt als dit en dan gaat

Zeg me dat het goed komt  
Geef me stukjes toekomst  
Of moet ik je maar laten gaan?  
Ik kan het niet hebben als het avond is,  
Ik heb je vaak gemist inderdaad

Ik kan het niet hebben als het avond is  
Oh want 's avonds mis ik je vaak  
Ik kan het niet hebben als het avond is  
Ik heb je vaak gemist inderdaad

### Verover mij - Niels Destadsbader

Dit is voor het leven voor altijd  
Mijn ja woord aangegeven 'k wil je nooit meer kwijt  
Wat wil ik graag je man zijn  
Beloof eeuwige trouw  
Lief was je altijd straks ben je ook mn vrouw

Ik zal altijd naast je staan  
Kan met jou de wereld aan  
Ja geloof me ik beloof je ik zal er zijn  
Voor altijd sta ik aan je zij want  
Je gelooft in mij

Samen onderweg met jou  
De bestemming onbekend  
Maar ik voel me veilig zolang jij maar bij me bent  
En raken we de weg een keertje kwijt  
Ik volg mn hart ik heb geen spijt

Slapen doen we niet vannacht  
Hoe je stiekem naar me lacht  
Wat je voelt verwacht bedoelt vannacht  
Als je me veel vragend in de ogen kijkt  
Ja verover mij

Want als je mij kust voel ik mij gerust  
Sluit ik mn ogen en dan zweef ik beef ik  
Leef ik weet ik dat je van me houdt

O verover, o verover  
O verover, o verover  
O verover mij

O verover, o verover  
O verover, o verover  
O verover mij

Weet je nog de tijd toen we begon  
K's Choice klonk door de boxen  
Toen ik voor je zong  
Dat ik in ons geloofde  
Touched the fingers of my hand  
Dat ik hier sta en jij mn vrouw bent

Ik zal altijd naast je staan  
Kan met jou de wereld aan  
Ja geloof me ik beloof je

Ik zal er zijn voor altijd sta ik aan je zij  
Want je gelooft in mij

Je gelooft in mij  
Je gelooft in mij

[Dromen Zijn Bedrog - Marco Borsato](#)

Steeds als ik je zie lopen  
dan gaat de hemel een klein beetje open.  
Sterren, je laat ze verbleken  
met je ogen die altijd stralen.

Jij kan de zon laten schijnen  
want je loopt langs en de wolken verdwijnen  
en als je lacht, lacht heel de wereld mee.

De meeste dromen zijn bedrog  
maar als ik wakker wordt naast jou dan droom ik  
nog.

Ik voel je adem en zie je gezicht  
je bent een droom die naast me ligt.  
Je kijkt me aan en rekt je uit  
een keer in de zoveel tijd komen dromen uit!

Jij moet me een ding beloven  
laat me nog lang in mijn dromen geloven.  
Zelfs als je even niet hier bent  
blijf in mijn slaap dan bij me.

En als de zon weer gaat schijnen  
laat dan dat beeld wat ik heb niet verdwijnen.  
Als je zou gaan neem je mijn dromen mee.

De meeste dromen zijn bedrog  
maar als ik wakker wordt naast jou dan droom ik  
nog.

Ik voel je adem en zie je gezicht  
je bent een droom die naast me ligt.  
Je kijkt me aan en rekt je uit  
een keer in de zoveel tijd komen dromen uit!

Ooh jij kan de zon laten schijnen  
want je loopt langs en de wolken verdwijnen.  
En als je lacht, lacht heel de wereld mee.

De meeste dromen zijn bedrog  
maar als ik wakker wordt naast jou dan droom ik  
nog.

Ik voel je adem en zie je gezicht  
je bent een droom die naast me ligt.  
Je kijkt me aan en rekt je uit  
zo een keer in de zoveel tijd komen dromen uit!

Je kijkt me aan en rekt je uit  
een keer in de zoveel tijd komen dromen uit!

De meeste dromen zijn bedrog  
maar als ik wakker wordt naast jou dan droom ik  
nog.

Ik voel je adem en zie je gezicht  
je bent een droom die naast me ligt.

## Oldies but Goldies

### Summer Of '69 - Bryan Adams

I got my first real six-string  
Bought it at the five-and-dime  
Played it till my fingers bled  
It was the summer of '69

Me and some guys from school  
Had a band and we tried real hard  
Jimmy quit and Jody got married  
I shoulda known we'd never get far  
Oh when I look back now  
That summer seemed to last forever  
And if I had the choice  
Ya - I'd always wanna be there  
Those were the best days of my life

Ain't no use in complainin'  
When you got a job to do  
Spent my evenin's down at the drive-in  
And that's when I met you

Standin' on your mama's porch  
You told me that you'd wait forever  
Oh and when you held my hand  
I knew that it was now or never  
Those were the best days of my life

Back in the summer of '69

Man we were killin' time  
We were young and restless

We needed to unwind  
I guess nothin' can last forever - forever, no  
And now the times are changin'  
Look at everything that's come and gone  
Sometimes when I play that old six-string  
I think about ya wonder what went wrong  
Standin' on your mama's porch  
You told me it would last forever  
Oh the way you held my hand  
I knew that it was now or never  
Those were the best days of my life  
It was the summer of '69  
It was the summer of '69  
Met my baby in '69  
That's the whole story right there!  
It was the summer  
It was the summer  
Yeah, summer of '69

## Angels -Robbie Williams

I sit and wait  
Does an angel contemplate my fate  
And do they know  
The places where we go  
When we're grey and old  
'Cause I have been told  
That salvation lets their wings unfold  
  
So when I'm lying in my bed  
Thoughts running through my head  
And I feel the love is dead  
I'm loving angels instead  
  
And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, she won't forsake me  
I'm loving angels instead  
  
When I'm feeling weak  
And my pain walks down a one way street  
I look above  
  
And I know I'll always be blessed with love  
And as the feeling grows  
She breathes flesh to my bones  
And when love is dead

I'm loving angels instead  
And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, she won't forsake me  
I'm loving angels instead  
And through it all she offers me protection  
A lot of love and affection  
Whether I'm right or wrong  
And down the waterfall  
Wherever it may take me  
I know that life won't break me  
When I come to call, she won't forsake me  
I'm loving angels instead

### Californication - Red Hot Chili Peppers

Psychic spies from China try to steal your mind's  
elation  
And little girls from Sweden dream of silver screen  
quotation  
And if you want these kind of dreams it's  
Californication  
It's the edge of the world and all of Western  
civilization

The sun may rise in the East at least it's settled in a final location

It's understood that Hollywood sells Californication

Pay your surgeon very well to break the spell of aging

Celebrity skin, is this your chin, or is that war you're waging?

Marry me, girl, be my fairy to the world, be my very own constellation

A teenage bride with a baby inside getting high on information

And buy me a star on the boulevard, it's Californication

Space may be the final frontier but it's made in a Hollywood basement

And Cobain can you hear the spheres singing songs off Station To Station?

And Alderaan's not far away, it's Californication

Born and raised by those who praise control of population

Well, everybody's been there and I don't mean on vacation

[Take Me Home Country Roads - John Denver](#)

Almost heaven, West Virginia

Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees  
Younger than the mountains, growin' like a breeze

Country roads, take me home  
To the place I belong  
West Virginia, mountain mama  
Take me home, country roads

All my memories gather 'round her  
Miner's lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrop in my eye

Country roads, take me home  
To the place I belong  
West Virginia, mountain mama  
Take me home, country roads

I hear her voice in the mornin' hour, she calls me  
The radio reminds me of my home far away  
Drivin' down the road, I get a feelin'  
That I should've been home yesterday, yesterday

Country roads, take me home  
To the place I belong  
West Virginia, mountain mama  
Take me home, country roads

Country roads, take me home  
To the place I belong  
West Virginia, mountain mama  
Take me home, country roads

Take me home, (down) country roads  
Take me home, (down) country roads

### Heaven - Bryan Adams

Oh thinkin' about all our younger years  
There was only you and me  
We were young and wild and free  
Now nothing can take you away from me  
We've been down that road before  
But that's over now  
You keep me comin' back for more

Baby you're all that I want  
When you're lyin' here in my arms  
I'm findin' it hard to believe  
We're in heaven  
And love is all that I need  
And I found it there in your heart  
Isn't too hard to see  
We're in heaven

Oh once in your life you find someone  
Who will turn your world around  
Bring you up when you're feelin' down  
Yeah nothin' can change what you mean to me  
Oh there's lots that I could say  
But just hold me now  
'Cause our love will light the way  
And baby you're all that I want  
When you're lyin' here in my arms

I'm findin' it hard to believe  
We're in heaven  
Yeah love is all that I need  
And I found it there in your heart  
It isn't too hard to see  
We're in heaven

I've been waitin' for so long  
For somethin' to arrive  
For love to come along  
Now our dreams are comin' true  
Through the good times and the bad  
Yeah I'll be standin' there by you, oh!

And baby you're all that I want  
When you're lyin' here in my arms  
I'm findin' it hard to believe  
We're in heaven  
And love is all that I need  
And I found it there in your heart  
Isn't too hard to see  
We're in heaven, heaven  
Whoa, oh, oh!

You're all that I want  
You're all that I need

## A Thousand Miles - Vanessa Carlton

Making my way downtown

Walking fast, faces pass and I'm homebound

Staring blankly ahead

Just making my way

Making a way through the crowd

And I need you

And I miss you

And now I wonder

If I could fall into the sky

Do you think time would pass me by?

'Cause you know I'd walk a thousand miles

If I could just see you tonight

It's always times like these when I think of you

And wonder if you ever think of me

'Cause everything's so wrong, and I don't belong

Living in your precious memory

'Cause I need you

And I miss you

And now I wonder

If I could fall into the sky

Do you think time would pass me by?

Oh, 'cause you know I'd walk a thousand miles

If I could just see you tonight

And I, I don't wanna let you know

I, I drown in your memory

I, I don't wanna let this go  
I, I don't

Making my way downtown  
Walking fast, faces pass and I'm homebound  
Staring blankly ahead, just making my way  
Making a way through the crowd

And I still need you  
And I still miss you  
And now I wonder

If I could fall into the sky  
Do you think time would pass us by?  
'Cause you know I'd walk a thousand miles  
If I could just see you, oh-oh

If I could fall into the sky  
Do you think time would pass me by?  
'Cause you know I'd walk a thousand miles  
If I could just see you  
If I could just hold you tonight

## Drops of Jupiter (Tell Me) - Train

Now that she's back in the atmosphere

With drops of Jupiter in her hair

He-e-ey

She acts like summer and walks like rain

Reminds me that there's a time to change

He-e-ey

Since the return from her stay on the moon

She listens like spring and she talks like June

He-e-ey

He-e-ey

But tell me, did you sail across the sun?

Did you make it to the Milky Way to see the lights all faded

And that Heaven is overrated?

Tell me, did you fall for a shooting star?

One without a permanent scar and did you miss me

While you were looking for yourself out there?

Now that she's back from that soul vacation

Tracing her way through the constellation

He-e-ey

She checks out Mozart while she does Tae-Bo

Reminds me that there's room to grow

He-e-ey

Now that she's back in the atmosphere

I'm afraid that she might think of me as

Plain ol' Jane told a story about a man  
Who was too afraid to fly so he never did land  
But tell me, did the wind sweep you off your feet?  
Did you finally get the chance to dance along the  
light of day  
And head back to the Milky Way?  
And tell me, did Venus blow your mind?  
Was it everything you wanted to find? And then  
you miss me  
While you were looking for yourself out there  
Can you imagine no love, pride, deep-fried  
chicken  
Your best friend always sticking up for you  
Even when I know you're wrong?  
Can you imagine no first dance  
Freeze-dried romance  
Five-hour phone conversation  
The best soy latte that you ever had  
And me?

But tell me, did the wind sweep you off your feet?  
Did you finally get the chance to dance along the  
light of day  
And head back toward the Milky Way?  
But tell me, did you sail across the sun?  
Did you make it to the Milky Way? To see the lights  
all faded  
And that Heaven is overrated?  
And tell me, did you fall for a shooting star?

One without a permanent scar, and then you miss  
me

While you were looking for yourself?

Na, na, na, na, na, na

Na, na, na, na, na, na

And did you finally get the chance

To dance along the light of day?

Na, na, na, na, na, na

Na, na, na, na, na, na

And did you fall for a shooting star?

Fall for a shooting star?

Na, na, na, na, na, na

Na, na, na, na, na, na

And are you lonely looking for yourself out there?

### Wonderwall - Oasis

Today is gonna be the day

That they're gonna throw it back to you

By now you should've somehow

Realized what you gotta do

I don't believe that anybody

Feels the way I do about you now

Backbeat, the word is on the street

That the fire in your heart is out

I'm sure you've heard it all before

But you never really had a doubt

I don't believe that anybody  
Feels the way I do about you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I  
Would like to say to you but I don't know how

Because maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do about you now

And all the roads that lead you there were winding  
And all the lights that light the way are blinding  
There are many things that I  
Would like to say to you but I don't know how

I said maybe  
You're gonna be the one that saves me  
And after all  
You're my wonderwall

I said maybe (I said maybe)  
You're gonna be the one that saves me

And after all  
You're my wonderwall

I said maybe (I said maybe)  
You're gonna be the one that saves me (saves me)  
You're gonna be the one that saves me (that saves me)  
You're gonna be the one that saves me (that saves me)

### I'll Be There for You - The Rembrandts

So no one told you life was gonna be this way  
Your job's a joke, you're broke  
Your love life's DOA  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month  
Or even your year, but

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
('Cause you're there for me too)

You're still in bed at ten  
And work began at eight  
You've burned your breakfast  
So far, things are going great  
Your mother warned you there'd be days like these

But she didn't tell you when the world has brought  
You down to your knees that

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
('Cause you're there for me too)

No one could ever know me  
No one could ever see me  
Seems you're the only one who knows  
What it's like to be me  
Someone to face the day with  
Make it through all the rest with  
Someone I'll always laugh with  
Even at my worst, I'm best with you, yeah

It's like you're always stuck in second gear  
When it hasn't been your day, your week, your  
month

Or even your year

I'll be there for you  
(When the rain starts to pour)  
I'll be there for you  
(Like I've been there before)  
I'll be there for you  
('Cause you're there for me too)

I'll be there for you  
I'll be there for you  
I'll be there for you  
( 'Cause you're there for me too)

### She Goes Nana - The Radios

She's like a rainbow  
Sways while she glows  
Moves like a river  
Turns while she flows, uuh yeah  
  
And then she steals your heart away  
She's taking it all someday I'll make her mine, yeah  
You look into her angel eyes  
The cherry red sun will rise and love will shine  
  
When she goes nana nana, nana nana  
Colors will keep on turning  
Shimmering by like a rain butterfly  
Cruising the blue blue sky  
Ooh, she  
  
Shines like a flower  
Fades while she grows, uuh yeah  
And then she wipes your tears away  
  
Holding your hand someday like lovers do, oohhh  
You hesitate another while  
Showing her magic smile and dreams come true

When she goes nana nana, nana nana  
Colors will keep on turning  
Shimmering by like a rain butterfly  
Cruising the blue blue sky

When she goes nana nana, nana nana  
Colors will keep on turning  
Shimmering by like a rain butterfly  
Cruising the blue blue sky

She's on the run  
Flies on and on  
She's cruising the sky my friend  
And in the end she goes  
She goes nanana

Nana nana, nana nana  
Colors will keep on turning  
Shimmering by like a rain butterfly  
Cruising the blue blue sky

When she goes nana nana, nana nana  
Colors will keep on turning  
Shimmering by like a rain butterfly  
Cruising the blue blue sky...

## Don't stop believin - Journey

Just a small town girl  
Livin' in a lonely world  
She took the midnight train goin' anywhere  
Just a city boy  
Born and raised in South Detroit  
He took the midnight train goin' anywhere  
  
A singer in a smokey room  
The smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on, and on, and on  
  
Strangers, waitin'  
Up and down the boulevard  
Their shadows  
Searchin' in the night  
Streetlights, people  
Livin' just to find emotion  
Hidin' somewhere in the night  
  
Workin' hard to get my fill  
Everybody wants a thrill  
Payin' anything to roll the dice  
Just one more time  
Some will win  
Some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on, and on, and on

Strangers waitin'  
Up and down the boulevard  
Their shadows  
Searchin' in the night  
Streetlights, people  
Livin' just to find emotion  
Hidin' somewhere in the night

Don't stop believin'  
Hold on to that feelin'  
Streetlight, people  
Don't stop, believin'  
Hold on  
Streetlights, people

Don't stop believin'  
Hold on to that feelin'  
Streetlight, people

### [Zombie - The Cranberries](#)

Another head hangs lowly  
Child is slowly taken  
And the violence caused such silence  
Who are we mistaken?

But you see, it's not me, it's not my family  
In your head, in your head they are fighting  
With their tanks, and their bombs, and their bombs,  
and their guns  
In your head, in your head they are crying

In your head, in your head  
Zombie, zombie, zombie-ie-ie  
What's in your head? In your head?  
Zombie, zombie, zombie-ie-ie-ie, oh

Another mother's breaking  
Heart is taking over  
When the violence causes silence  
We must be mistaken

It's the same old theme, since nineteen-sixteen  
In your head, in your head they're still fighting  
With their tanks, and their bombs, and their bombs,  
and their guns  
In your head, in your head they are dying

In your head, in your head  
Zombie, zombie, zombie-ie-ie  
What's in your head? In your head?  
Zombie, zombie, zombie-ie-ie-ie, oh  
Oh-oh-oh-oh-oh-oh-oh, eh-eh-oh, ra-ra

### [Jolene - Dolly Parton](#)

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

Your beauty is beyond compare  
With flaming locks of auburn hair  
With ivory skin and eyes of emerald green  
Your smile is like a breath of spring

Your voice is soft like summer rain  
And I cannot compete with you  
Jolene

He talks about you in his sleep  
And there's nothing I can do to keep  
From crying when he calls your name  
Jolene

And I can easily understand  
How you could easily take my man  
But you don't know what he means to me  
Jolene

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

You could have your choice of men  
But I could never love again  
He's the only one for me  
Jolene

I had to have this talk with you  
My happiness depends on you  
And whatever you decide to do  
Jolene

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene

Please don't take him even though you can  
Jolene, Jolene

### I'm Yours - Jason Mraz

Well, you done done me and you bet I felt it  
I tried to be chill, but you're so hot that I melted  
I fell right through the cracks

Now I'm trying to get back  
Before the cool done run out

I'll be giving it my bestest  
And nothing's gonna stop me but divine  
intervention

I reckon it's again my turn  
To win some or learn some

But I won't hesitate no more, no more  
It cannot wait, I'm yours  
Hmm (hey, hey)

Well, open up your mind and see like me  
Open up your plans and, damn, you're free  
And look into your heart, and you'll find love, love,  
love, love

Listen to the music of the moment, people dance  
and sing

We're just one big family  
And it's our God-forsaken right to be loved, loved,  
loved, loved, loved

So I won't hesitate no more, no more  
It cannot wait, I'm sure

There's no need to complicate  
Our time is short  
This is our fate, I'm yours

Do, do, do, do you, but do you, do you, do, do, but  
do you want to come on?

Scooch on over closer, dear

And I will nibble your ear

A-soo-da-ba-ba-ba-ba-bum

Whoa-oh-oh

Whoa-oh-oh-oh-oh-whoa-whoa-whoa

Uh-huh, mmm-hmm

I've been spending way too long checking my  
tongue in the mirror

And bending over backwards just to try to see it  
clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I've been saying is there ain't no better  
reason

To rid yourself of vanities and just go with the  
seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait, I'm yours

Well, open up your mind and see like me

Open up your plans and, damn, you're free

And look into your heart, and you'll find that the sky  
is yours

So please don't, please don't, please don't

There's no need to complicate

'Cause our time is short

This, oh this, this is our fate, I'm yours

Oh, I'm yours

Oh, I'm yours

Oh, whoa, baby, do you believe I'm yours?

You best believe, you best believe I'm yours, mmm-  
hmm

### Hey Jude - The Beatles

Hey Jude, don't make it bad.

Take a sad song and make it better.

Remember to let her into your heart,

Then you can start to make it better.

Hey Jude, don't be afraid.

You were made to go out and get her.

The minute you let her under your skin,

Then you begin to make it better.

And anytime you feel the pain, hey Jude, refrain,

Don't carry the world upon your shoulders.

For well you know that it's a fool who plays it cool

By making his world a little colder.

Da da da da da da, da da da, hey Jude...

Hey Jude, don't let me down.  
You have found her, now go and get her.  
Remember to let her into your heart,  
Then you can start to make it better.

So let it out and let it in, hey Jude, begin,  
You're waiting for someone to perform with.  
And don't you know that it's just you, hey Jude,  
you'll do,  
The movement you need is on your shoulder.  
Da da da da da da, da da da, hey Jude...

Hey Jude, don't make it bad.  
Take a sad song and make it better.  
Remember to let her under your skin,  
Then you'll begin to make it  
Better better better better better better, oh.  
Da da da da da da, da da da, hey Jude...

### Africa - Toto

I hear the drums echoing tonight  
But she hears only whispers of some quiet  
conversation  
She's coming in, 12:30 flight  
The moonlit wings reflect the stars that guide me  
towards salvation  
I stopped an old man along the way  
Hoping to find some old forgotten words or ancient  
melodies

He turned to me as if to say, "Hurry boy, it's waiting there for you"

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do

I bless the rains down in Africa  
Gonna take some time to do the things we never had (ooh, ooh)

The wild dogs cry out in the night  
As they grow restless, longing for some solitary company

I know that I must do what's right  
As sure as Kilimanjaro rises like Olympus above the Serengeti

I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do

I bless the rains down in Africa  
Gonna take some time to do the things we never had (ooh, ooh)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

I bless the rains down in Africa  
(I bless the rain)  
I bless the rains down in Africa (I bless the rain)  
I bless the rains down in Africa  
I bless the rains down in Africa (ah, gonna take the  
time)  
Gonna take some time to do the things we never  
had (ooh, ooh)

### Girl - Anouk

Girl girl girl  
When I hear him talk  
Ooh my mind gets blocked girl  
Speak up 'cause my jaw is locked  
Which is good, good for me girl  
It hides like a warning sign  
But I'm too blind to see  
Speak up yes I'm coming down  
With an ice cold fever  
Ice cold fever  
Ice cold fever  
Still got my hands they're clinging  
So I just keep going  
I don't know where I belong  
Could I belong to you  
No I don't know where I belong  
Could I belong

Girl girl girl  
Get it while it's hot they say  
You see I'm burning up here  
I want to but I just can't stop  
And it hurts  
It hurts like hell girl

You turn me inside out and upside down  
Ooh you got me head over heels  
I'm stuck  
Yes I'm coming down with an ice cold fever  
Ice cold fever  
Ice cold fever, aha

Still got my hands they're clinging  
So I just keep going  
I don't know where I belong  
Could I belong to you  
No I don't know where I belong  
Could I belong  
Could I belong

Still got my hands they're clinging  
So I just keep going  
I don't know where I belong  
Could I belong to you  
No I don't know where I belong  
Could I belong  
Oh girl, yeah I belong

To you, you, you  
To you, yeah you  
To you, you, you  
To you, yeah you

To you, you, you  
Yeah I belong to you  
Say you yeah you  
Could I belong to you  
Alright

Hey!

Hey!

Hey!

Good

[Michel - Anouk](#)

Hey Michel how's life are you ok  
I wonder if you ever think of me  
It's been nine years since that kiss  
I can't help but reminiss  
Hey Michel do you remember

We walked the street  
To the beat  
Hand in hand you and me  
Smiling faces so in love  
Hoping they all could see  
That we belonged together  
You and me against the world  
But we found out the hard way

That it wasn't meant to be  
Now it's you and her I see  
You were my first and worst love  
And so it only could go wrong  
But that ain't that just the way you learn  
Hey Michel I just wanted to let you know  
That someone else has stole my heart  
And now another girl has caught your eye  
That does not mean I don't think of you  
I'm just hoping that she'll treat you right  
Do you remember how we walked the street  
To the beat  
Hand in hand you and me  
Smiling faces so in love  
Hoping they all could see  
That we belong together  
You and me against the world  
But we found out the hard way  
That it wasn't meant to be  
Now it's you and her I see  
It's just a silly dream  
La la la la la la la  
La la la la la la la la  
Na na na na na na na  
Hey Michel  
Do you remember

## Viva la vida - Coldplay

I used to rule the world  
Seas would rise when I gave the word  
Now in the morning I sleep alone  
Sweep the streets I used to own

I used to roll the dice  
Feel the fear in my enemy's eyes  
Listened as the crowd would sing  
Now the old king is dead long live the king  
One minute I held the key  
Next the walls were closed on me  
And I discovered that my castles stand  
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a-ringing  
Roman cavalry choirs are singing  
Be my mirror, my sword and shield  
Missionaries in a foreign field  
For some reason I can't explain  
Once you'd gone there was never  
Never an honest word  
And that was when I ruled the world

It was a wicked and wild wind  
Blew down the doors to let me in  
Shattered windows and the sound of drums

People couldn't believe what I'd become  
Revolutionaries wait  
For my head on a silver plate  
Just a puppet on a lonely string  
Oh who would ever want to be king?

I hear Jerusalem bells a-ringing  
Roman cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field  
For some reason I can't explain  
I know St Peter won't call my name  
Never an honest word  
But that was when I ruled the world

Hear Jerusalem bells a-ringing  
Roman cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field  
For some reason I can't explain  
I know St Peter won't call my name  
Never an honest word  
But that was when I ruled the world

## All summer long - Kid rock

It was 1989, my thoughts were short my hair was long

Caught somewhere between a boy and man  
She was seventeen and she was far from in-between

It was summertime in Northern Michigan

Ahh Ahh Ahh

Ahh Ahh Ahh

Splashing through the sand bar

Talking by the campfire

It's the simple things in life, like when and where

We didn't have no internet

But man I never will forget

The way the moonlight shined upon her hair

[Chorus:]

And we were trying different things

We were smoking funny things

Making love out by the lake to our favorite song

Sipping whiskey out the bottle, not thinking 'bout tomorrow

Singing Sweet home Alabama all summer long

Singing Sweet home Alabama all summer long

Catching Walleye from the dock

Watching the waves roll off the rocks  
She'll forever hold a spot inside my soul  
We'd blister in the sun  
We couldn't wait for night to come  
To hit that sand and play some rock and roll

While we were trying different things  
And we were smoking funny things  
Making love out by the lake to our favorite song  
Sipping whiskey out the bottle, not thinking 'bout  
tomorrow  
Singing Sweet Home Alabama all summer long  
Singing Sweet Home Alabama all summer long

Now nothing seems as strange as when the leaves  
began to change  
Or how we thought those days would never end  
Sometimes I'll hear that song and I'll start to sing  
along  
And think man I'd love to see that girl again

[Repeat Chorus x2]

Singing Sweet Home Alabama all summer long  
Singing Sweet Home Alabama all summer long  
Singing Sweet Home Alabama all summer long  
Singing Sweet Home Alabama all summer long

## Bad day - Daniel powter

Where is the moment we needed the most  
You kick up the leaves and the magic is lost  
You tell me your blue skies fade to grey  
You tell me your passion's gone away  
And I don't need no carryin' on

You stand in the line just to hit a new law  
You're faking a smile with the coffee to go  
You tell me your life's been way off line  
You're falling to pieces everytime  
And I don't need no carryin' on

'cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't  
mind  
You had a bad day  
You had a bad day

Well, you need a blue sky holiday  
The point is they laugh at what you say  
And I don't need no carryin' on

You had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't  
mind  
You had a bad day

(Oh.. Holiday..)

Sometimes the system goes on the blink  
And the whole thing turns out wrong  
You might not make it back and you know  
That you could be well oh that strong  
And I'm not wrong (ahhh...)

So where is the passion when you need it the most  
Oh, you and I  
You kick up the leaves and the magic is lost

'Cause you had a bad day  
You're taking one down

You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how does it feel for one more time  
You had a bad day  
You had a bad day

(Oh, yeah, yeaah, yeah)  
Had a bad day  
(Oh, had a bad day)  
Had a bad day  
(Oh, yeah, yeah, yeeeeeah)  
Had a bad day  
(Oh, had a bad day)  
Had a bad day...  
Had a bad day...

[Let it be - The beatles](#)

WHEN I FIND MYSELF IN TIMES OF TROUBLE  
MOTHER MARY COMES TO ME  
SPEAKING WORDS OF WISDOM  
LET IT BE

AND IN MY HOUR OF DARKNESS  
SHE IS STANDING RIGHT IN FRONT OF ME

SPEAKING WORDS OF WISDOM  
LET IT BE

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
WHISPER WORDS OF WISDOM  
LET IT BE

AND WHEN THE BROKEN HEARTED PEOPLE  
LIVING IN THE WORLD AGREE  
THERE WILL BE AN ANSWER  
LET IT BE

But though they maybe parted  
there is stil a chance that they will see  
there will be an answer  
let it be

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
there will be an answer  
LET IT BE

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
THERE WILL BE AN ANSWER  
LET IT BE

(BREAK)

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
THERE WILL BE AN ANSWER  
LET IT BE

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
THERE WILL BE AN ANSWER  
LET IT BE

AND WHEN THE NIGHT IS CLOUDY  
THERE'S STILL A LIGHT THAT SHINES ON ME  
SHINE UNTIL TOMORROW  
LET IT BE

I WAKE UP TO THE SOUND OF MUSIC  
MOTHER MARY COMES TO ME  
THERE WILL BE NO SORROW  
LET IT BE

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
THERE WILL BE NO SORROW  
LET IT BE

LET IT BE, LET IT BE  
LET IT BE, LET IT BE  
WHISPER WORDS OF WISDOM  
LET IT BE

### You Don't Know - Milow

Sometimes everything seems awkward and large  
Imagine a Wednesday evening in march  
Future and past at the same time  
I make use of the night and start drinking a lot  
Although not ideal for now it's all that I've got  
it's nice to know your name

you don't know, you don't know,  
you don't know anything about me

an ocean, a lake, I need a place to drown  
let's freeze the moment because we're going down  
tomorrow you'll be gone gone gone  
you're laughing too hard, this all seems surreal  
I feel peculiar, now what do you feel  
do you think there's a chance that we can fall

you don't know, you don't know,  
you don't know anything about me  
what do I know, I know your name  
you don't know, you don't know,  
you don't know anything about me anymore

I gave up dreaming for a while  
I gave up dreaming for a while

I've noticed these are mysterious days  
I look at it like a jigsaw puzzle and gaze  
with wide open mouth and burning eyes  
if only I could start to care  
my dreams and my Wednesdays ain't going  
nowhere

baby baby baby you don't know

you don't know, you don't know,  
you don't know anything about me  
what do I know, I know your name  
you don't know, you don't know,  
you don't know anything about me anymore

you don't know, you don't know,  
you don't know anything about me  
what do I know, I know your name  
you don't know, you don't know,  
you don't know anything about me anymore

you don't know, you don't know,  
you don't know anything about me  
what do I know, I know your name

you don't know, you don't know,  
you don't know anything about me anymore

### Breakeven - The Script

I'm still alive but I'm barely breathing  
Just prayed to a god that I don't believe in  
Cos I got time while she got freedom  
Caus when a heart breaks no it don't break even

Her best days will be some of my worst  
She finally met a man that's gonna put her 1st  
While I'm wide awake she's no trouble sleeping  
Cos when a heart breaks no it don't breakeven...  
even... no

What am I supposed to do when the best part of  
me was always you and  
What am I supposed to say when I'm all choked up  
and your ok  
I'm falling to pieces yeah  
I'm falling to pieces

They say bad things happen for a reason  
But no wise words gonna stop the bleeding  
Cos she's moved on while I'm still grieving  
And when a heart breaks no it don't break even  
even... no

What am I gonna to do when the best part of me  
was always you and  
What am I suppose to say when I'm all choked up  
and your ok  
I'm falling to pieces yeah  
I'm falling to pieces yeah  
I'm falling to pieces  
(One still in love while the other ones leaving)  
I'm falling to pieces  
(Cos when a heart breaks no it don't break even)

Oh you got his heart and my heart and none of the  
pain  
You took your suitcase, I took the blame.  
Now I'm tryna make sense of what little remains ooh  
Cos you left me with no love and no love to my  
name.

I'm still alive but I'm barely breathing  
Just prayed to a god that I don't believe in  
Cos I got time while she got freedom  
Cos when a heart breaks no it don't break  
No it don't break  
No it don't break even no

What am I gonna do when the best part of me was  
always you and  
What am I suppose to say when I'm all choked up  
and your ok

(Oh glad your okay now)  
I'm falling to pieces yeah  
(Oh I'm glad your okay)  
I'm falling to pieces yeah  
(One still in love while the other ones leaving)  
I'm falling to pieces  
(Cos when a heart breaks no it don't breakeven)

Oh it don't break even no  
Oh it don't break even no  
Oh it don't break even no

### You're Beautiful - James Blunt

My life is brilliant  
My love is pure  
I saw an angel  
Of that I'm sure  
She smiled at me on the subway  
She was with another man  
But I won't lose no sleep on that  
'Cause I've got a plan

You're beautiful, you're beautiful  
You're beautiful, it's true  
I saw you face in a crowded place  
And I don't know what to do  
'Cause I'll never be with you

Yeah, she caught my eye  
As we walked on by  
She could see from my face that I was  
Flying high  
And I don't think that I'll see her again  
But we shared a moment  
That will last 'till the end

You're beautiful, you're beautiful  
You're beautiful, it's true  
I saw you face in a crowded place  
And I don't know what to do  
'Cause I'll never be with you  
You're beautiful, you're beautiful  
You're beautiful, it's true  
There must be an angel with a smile on her face  
When she thought up that I should be with you

But it's time to face the truth  
I will never be with you

### [Under The Bridge - Red Hot Chili Peppers](#)

Sometimes I feel  
Like I don't have a partner  
Sometimes I feel  
Like my only friend  
Is the city I live in  
The city of angels

Lonely as I am  
Together we cry

I drive on her streets  
'Cause she's my companion  
I walk through her hills  
'Cause she knows who I am  
She sees my good deeds  
And she kisses me windy  
I never worry  
Now that is a lie

I don't ever want to feel  
Like I did that day  
Take me to the place I love  
Take me all the way

It's hard to believe  
That there's nobody out there  
It's hard to believe  
That I'm all alone  
At least I have her love  
The city she loves me  
Lonely as I am  
Together we cry

I don't ever want to feel  
Like I did that day  
Take me to the place I love

Take me all that way

Under the bridge downtown  
Is where I drew some blood  
Under the bridge downtown  
I could not get enough  
Under the bridge downtown  
Forgot about my love  
Under the bridge downtown  
I gave my life away

Here I stay

Maybe we make a deal  
Maybe together we can get somewhere

Anyplace is better  
Starting from zero got nothing to lose  
Maybe we'll make something  
But me myself I got nothing to prove

You got a fast car  
And I got a plan to get us out of here  
I been working at the convenience store  
Managed to save just a little bit of money  
We won't have to drive too far

Just 'cross the border and into the city  
You and I can both get jobs  
And finally see what it means to be living

You see my old man's got a problem  
He live with the bottle that's the way it is  
He says his body's too old for working  
I say his body's too young to look like his  
My mama went off and left him  
She wanted more from life than he could give  
I said somebody's got to take care of him  
So I quit school and that's what I did

You got a fast car  
But is it fast enough so we can fly away  
We gotta make a decision  
We leave tonight or live and die this way

I remember we were driving driving in your car  
The speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
And I had a feeling I could be someone,  
be someone, be someone

You got a fast car  
And we go cruising to entertain ourselves  
You still ain't got a job

And I work in a market as a checkout girl  
I know things will get better  
You'll find work and I'll get promoted  
We'll move out of the shelter  
Buy a big house and live in the suburbs

I remember we were driving driving in your car  
The speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
And I had a feeling I could be someone,  
be someone, be someone

You got a fast car  
And I got a job that pays all our bills  
You stay out drinking late at the bar  
See more of your friends than you do of your kids  
I'd always hoped for better  
Thought maybe together you and me would find it  
I got no plans I ain't going nowhere  
So take your fast car and keep on driving

I remember we were driving driving in your car  
The speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
And I had a feeling I could be someone,

be someone, be someone

You got a fast car  
But is it fast enough so you can fly away  
You gotta make a decision  
You leave tonight or live and die this way

### Sex on fire - Kings Of Leon

Lay where you're laying, don't make a sound  
I know they're watching, they're watching  
All the commotion, the kiddie like play  
Has people talking, talking

You, your sex is on fire

The dark of the alley, the breaking of day  
The head while I'm driving, I'm driving  
Soft lips are open, knuckles are pale  
Feels like you're dying, you're dying

You, your sex is on fire  
Consumed with what's to transpire

Hot as a fever, rattling bones  
I could just taste it, taste it  
If it's not forever, if it's just tonight  
Oh, it's still the greatest  
The greatest, the greatest

You, your sex is on fire  
And you, your sex is on fire  
Consumed with what's to transpire

And you, your sex is on fire  
Consumed with what's to transpire

### Hey Soul Sister - Train

Hey hey hey

Your lipstick stains on the front lobe of my left side  
brains

I knew I wouldn't forget you

And so I went and let you blow my mind

Your sweet moonbeam

The smell of you in every single dream I dream

I knew when we collided you're the one I have  
decided

Who's one of my kind

Hey soul sister, ain't that Mr. Mister on the radio,  
stereo

The way you move ain't fair you know

Hey soul sister i don't wanna miss a single thing you  
do tonight

Heeey heeeey heeeey

Just in time  
I'm so glad you have a one track mind like me  
You gave my life direction  
A game show love connection, we can't deny  
I'm so obsessed  
My heart is bound to beat right out my untrimmed  
chest  
I believe in you, like a virgin, you're Madonna  
And I'm always gonna wanna blow your mind

Hey soul sister, ain't that Mr. Mister on the radio,  
stereo  
The way you move ain't fair you know  
Hey soul sister, I don't wanna miss a single thing you  
do tonight

Well you can cut a rug  
Watching you is the only drug I need  
So gangster, I'm so thug  
You're the only one I'm dreaming of  
You see I can be myself now finally  
In fact there's nothing I can't be  
I want the world to see you'll be with me

Hey soul sister, ain't that Mr. Mister on the radio,  
stereo  
The way you move ain't fair you know  
Hey soul sister, I don't wanna miss a single thing you  
do tonight

Hey soul sister, I don't wanna miss a single thing you  
do tonight

Heeey heeeey heeeey (tonight)

Heeey heeeey heeeey (tonight)

### Nothing Else Matters - Metallica

So close no matter how far  
couldn't be much more from the heart  
forever trusting who we are  
and nothing else matters

never opened myself this way  
life is ours, we live it our way  
all these words I don't just say  
and nothing else matters

trust I seek and I find in you  
every day for us something new  
open mind for a different view  
and nothing else matters

never cared for what they do  
never cared for what they know  
but I know

so close no matter how far  
couldn't be much more from the heart  
forever trusting who we are  
and nothing else matters

never cared for what they do  
never cared for what they know  
but I know

never opened myself this way  
life is ours, we live it our way  
all these words I don't just say  
and nothing else matters

trust I seek and I find in you  
every day for us something new  
open mind for a different view  
and nothing else matters

never cared for what they say  
never cared for games they play  
never cared for what they do  
never cared for what they know  
and I know

so close no matter how far  
couldn't be much more from the heart  
forever trusting who we are  
no nothing else matters

## Me And My Guitar - Tom Dice

People always say  
Tom, this has gone too far  
But I'm not afraid to chase my dreams  
Just me and my guitar

And no one may ever know  
The feelings inside my mind  
'Cause all of the lines I ever write  
Are running out of time

So maybe I should get a nine to five  
But I don't want to let it go, there's so much more to  
life

Tell me that I've got it wrong  
Tell me everything will be okay  
Before I fall  
Tell me they'll play my songs  
Tell me they'll sing the words I say  
When darkness falls  
All of the stars will see  
Just me and my guitar

I'm sure that I'll find my way  
'Cause I'm not afraid to try  
Even a world of love and hope can't guarantee  
that price

So maybe I can get a nine to five  
But I don't want to let it go, there's so much more to  
life

Tell me that I've got it wrong  
Tell me everything will be okay  
Before I fall  
Tell me they'll play my songs  
Tell me they'll sing the words I say  
When darkness falls  
All of the stars will see  
Just me and my guitar

Me and my guitar

### [Seven Nation Army - The White Stripes](#)

I'm gonna fight 'em off  
A seven nation army couldn't hold me back

They're gonna rip it off  
Taking their time right behind my back  
And I'm talking to myself at night because I can't  
forget  
Back and forth through my mind  
Behind a cigarette  
And the message coming from my eyes says leave  
it alone

Don't want to hear about it

Every single one's got a story to tell  
Everyone knows about it  
From the Queen of England to the hounds of hell

And if I catch it coming back my way  
I'm gonna serve it to you  
And that ain't what you want to hear  
But that's what I'll do  
And the feeling coming from my bones  
Says find a home

I'm going to Wichita  
Far from this opera for evermore  
I'm gonna work the straw  
Make the sweat drip out of every pore  
And I'm bleeding, and I'm bleeding, and I'm  
bleeding  
Right before the lord

All the words are gonna bleed from me and I will  
think no more  
And the stains coming from my blood  
Tell me go back home

## Time Of Your Life - Green Day

Another turning point;  
a fork stuck in the road.

Time grabs you by the wrist;  
directs you where to go.

So make the best of this test  
and don't ask why.

It's not a question  
but a lesson learned in time.

It's something unpredicable  
but in the end it's right.  
I hope you had the time of your life.

So take the photographs  
and still frames in your mind.

Hang it on a shelf  
In good health and good time.

Tattoos of memories  
and dead skin on trial.

For what it's worth,  
it was worth all the while.

It's something unpredicable  
but in the end it's right.  
I hope you had the time of your life.

It's something unpredicable  
but in the end it's right.  
I hope you had the time of your life.

### Hallelujah - Leonard Cohen

I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do ya?  
It goes like this:  
The fourth, the fifth  
The minor fall and the major lift  
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

When your faith was strong, but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew ya  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

You say I took the name in vain

I don't even know the name  
But if I did, well really, what's it to you?  
There's a blaze of light in every word  
It doesn't matter which you heard  
The holy or the broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Baby, I've been here before  
I know this room, I've walked this floor  
I used to live alone before I knew you  
I've seen your flag on the marble arch  
But listen, love is not some kind of victory march  
No it's a cold and it's a very broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

There was a time you let me know  
What's really going on below  
But now you never show it to me, do you?  
But I remember when I moved in you  
And the holy dove, she was moving too  
Yes, every single breath that we drew was  
Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Maybe there's a God above  
As for me, all I've ever seemed to learn from love

Is how to shoot at someone who outdrew you  
But it's not a complaint that you hear tonight  
It's not the laughter of someone  
Who claims to have seen the Light  
No it's a cold and it's a very lonely Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

I did my best, it wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth  
I didn't come to fool you  
And even though it all went wrong  
I'll stand before the Lord of Song  
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

### Dancing In The Dark - Bruce Springsteen

I get up in the evening  
and I ain't got nothing to say  
I come home in the morning  
I go to bed feeling the same way  
I ain't nothing but tired  
Man I'm just tired and bored with myself  
Hey there baby, I could use just a little help

You can't start a fire

You can't start a fire without a spark  
This gun's for hire  
even if we're just dancing in the dark

Message keeps getting clearer  
radio's on and I'm moving 'round the place  
I check my look in the mirror  
I wanna change my clothes, my hair, my face  
Man I ain't getting nowhere  
I'm just living in a dump like this  
There's something happening somewhere  
baby I just know that there is

You can't start a fire  
you can't start a fire without a spark  
This gun's for hire  
even if we're just dancing in the dark

You sit around getting older  
there's a joke here somewhere and it's on me  
I'll shake this world off my shoulders  
come on baby this laugh's on me

Stay on the streets of this town  
and they'll be carving you up alright  
They say you gotta stay hungry  
hey baby I'm just about starving tonight  
I'm dying for some action  
I'm sick of sitting 'round here trying to write this book

I need a love reaction  
come on now baby gimme just one look

You can't start a fire sitting 'round crying over a  
broken heart  
This gun's for hire  
Even if we're just dancing in the dark  
You can't start a fire worrying about your little world  
falling apart  
This gun's for hire  
Even if we're just dancing in the dark  
Even if we're just dancing in the dark  
Even if we're just dancing in the dark  
Even if we're just dancing in the dark  
Hey baby

### Heroes - David Bowie

I, I will be king  
And you, you will be queen  
Though nothing will drive them away  
We can beat them, just for one day  
We can be Heroes, just for one day

And you, you can be mean  
And I, I'll drink all the time  
'Cause we're lovers, and that is a fact  
Yes we're lovers, and that is that

Though nothing, will keep us together  
We could steal time,  
just for one day  
We can be Heroes, for ever and ever  
What d'you say?

I, I wish you could swim  
Like the dolphins, like dolphins can swim  
Though nothing,  
nothing will keep us together  
We can beat them, for ever and ever  
Oh we can be Heroes,  
just for one day

I, I will be king  
And you, you will be queen  
Though nothing will drive them away  
We can be Heroes, just for one day  
We can be us, just for one day

I, I can remember (I remember)  
Standing, by the wall (by the wall)  
And the guns shot above our heads  
(over our heads)  
And we kissed,  
as though nothing could fall  
(nothing could fall)  
And the shame was on the other side  
Oh we can beat them, for ever and ever

Then we could be Heroes,  
just for one day

We can be Heroes  
We can be Heroes  
We can be Heroes  
Just for one day  
We can be Heroes

We're nothing, and nothing will help us  
Maybe we're lying,  
then you better not stay  
But we could be safer,  
just for one day

Oh-oh-oh-ohh, oh-oh-oh-ohh,  
just for one day

### No Woman No Cry - Bob Marley

No woman no cry  
No woman no cry  
No woman no cry  
No woman no cry  
Cause I remember when we used to sit  
In a government yard in Trenchtown  
Observing the hypocrites  
Mingle with the good people we meet  
Good friends we have,

Oh, good friends we have lost  
Along the way  
In this great future,  
You can't forget your past  
So dry your tears, I seh

No woman no cry  
No woman no cry  
Little darling, don't shed no tears  
No woman no cry  
Said I remember when we used to sit  
In the government yard in Trenchtown  
And then Georgie would make the fire lights I seh,  
log would burnin' through the nights  
Then we would cook cornmeal porridge  
Of which I'll share with you  
My feet is my only carriage  
And so I've got to push on thru,  
Oh, while I'm gone  
Everything 's gonna be alright  
Everything 's gonna be alright  
No woman no cry  
No woman no cry  
I seh little darlin'  
Don't shed no tears  
No woman no cry.

Luka - Suzanne Vega

My name is Luka

I live on the second floor

I live upstairs from you

Yes I think you've seen me before

If you hear something late at night

Some kind of trouble. some kind of fight

Just don't ask me what it was

Just don't ask me what it was

Just don't ask me what it was

I think it's because I'm clumsy

I try not to talk too loud

Maybe it's because I'm crazy

I try not to act too proud

They only hit until you cry

And after that you don't ask why

You just don't argue anymore

You just don't argue anymore

You just don't argue anymore

Yes I think I'm okay

I walked into the door again

Well, if you ask that's what I'll say

And it's not your business anyway

I guess I'd like to be alone

With nothing broken, nothing thrown

Just don't ask me how I am  
Just don't ask me how I am  
Just don't ask me how I am

My name is Luka  
I live on the second floor  
I live upstairs from you  
Yes I think you've seen me before

If you hear something late at night  
Some kind of trouble. some kind of fight  
Just don't ask me what it was  
Just don't ask me what it was  
Just don't ask me what it was

They only hit until you cry  
And after that you don't ask why  
You just don't argue anymore  
You just don't argue anymore  
You just don't argue anymore

### Afterglow - Ed Sheeran

Stop the clocks, it's amazing  
You should see the way the light dances off your  
head

A million colours of hazel, golden and red  
Saturday morning is fading  
The sun's reflected by the coffee in your hand  
My eyes are caught in your gaze all over again

We were love drunk, waiting on a miracle  
Tryna find ourselves in the winter snow  
So alone in love like the world had disappeared  
Oh, I won't be silent and I won't let go  
I will hold on tighter 'til the afterglow  
And we'll burn so bright 'til the darkness softly clears

Oh, I will hold on to the afterglow  
Oh, I will hold on to the afterglow

The weather outside's changing  
The leaves are buried under six inches of white  
The radio is playing, Iron & Wine  
This is a new dimension  
This is a level where we're losing track of time  
I'm holding nothing against it, except you and I

We were love drunk, waiting on a miracle  
Tryna find ourselves in the winter snow  
So alone in love like the world had disappeared  
Oh, I won't be silent and I won't let go

I will hold on tighter 'til the afterglow  
And we'll burn so bright 'til the darkness softly clears

Oh, I will hold on to the afterglow  
Oh, I will hold on to the afterglow  
Oh, I will hold on to the afterglow

### [Just the Way You Are - Bruno Mars](#)

Oh, her eyes, her eyes  
Make the stars look like they're not shinin'  
Her hair, her hair  
Falls perfectly without her tryin'  
She's so beautiful and I tell her everyday  
Yeah, I know, I know  
When I compliment her, she won't believe me  
And it's so, it's so  
Sad to think that she don't see what I see  
But every time she asks me, "Do I look okay?"  
I say

When I see your face  
There's not a thing that I would change  
'Cause you're amazing  
Just the way you are  
And when you smile  
The whole world stops and stares for a while  
'Cause girl, you're amazing  
Just the way you are  
Yeah

Her lips, her lips  
I could kiss them all day if she'd let me  
Her laugh, her laugh  
She hates, but I think it's so sexy  
She's so beautiful and I tell her everyday  
Oh, you know, you know  
You know I'd never ask you to change  
If perfect's what you're searchin' for, then just stay  
the same  
So don't even bother askin' if you look okay  
You know I'll say

When I see your face  
There's not a thing that I would change  
'Cause you're amazing  
Just the way you are  
And when you smile  
The whole world stops and stares for a while  
'Cause girl, you're amazing  
Just the way you are

The way you are  
The way you are  
Girl, you're amazing  
Just the way you are

When I see your face  
There's not a thing that I would change  
'Cause you're amazing  
Just the way you are  
And when you smile

The whole world stops and stares for a while  
'Cause girl, you're amazing  
Just the way you are  
Yeah

### 7 Years - Lukas Graham

Once I was seven years old, my mama told me  
Go make yourself some friends or you'll be lonely  
Once I was seven years old

It was a big big world, but we thought we were  
bigger  
Pushing each other to the limits, we were learning  
quicker

By 11 smoking herb and drinking burning liquor  
Never rich so we were out to make that steady  
figure

Once I was 11 years old, my daddy told me  
Go get yourself a wife or you'll be lonely  
Once I was 11 years old

I always had that dream like my daddy before me  
So I started writing songs, I started writing stories  
Something about the glory, just always seemed to  
bore me

'Cause only those I really love will ever really know  
me

Once I was 20 years old, my story got told  
Before the morning sun, when life was lonely

Once I was 20 years old  
(Lukas Graham)

I only see my goals, I don't believe in failure  
'Cause I know the smallest voices, they can make it  
major  
I got my boys with me atleast those in favor  
And if we don't meet before I leave, I hope I'll see  
you later

Once I was 20 years old, my story got told  
I was writing 'bout everything, I saw before me  
Once I was 20 years old

Soon we'll be 30 years old, our songs have been  
sold

We've traveled around the world and we're still  
roaming

Soon we'll be 30 years old

I'm still learning about life  
My woman brought children for me  
So I can sing them all my songs  
And I can tell them stories  
Most of my boys are with me  
Some are still out seeking glory  
And some I had to leave behind  
My brother I'm still sorry

Soon I'll be 60 years old, my daddy got 61  
Remember life and then your life becomes a better  
one

I made the man so happy when I wrote a letter  
once

I hope my children come and visit, once or twice a  
month

Soon I'll be 60 years old, will I think the world is cold  
Or will I have a lot of children who can warm me  
Soon I'll be 60 years old

Soon I'll be 60 years old, will I think the world is cold  
Or will I have a lot of children who can hold me  
Soon I'll be 60 years old

Once I was seven years old, my mama told me  
Go make yourself some friends or you'll be lonely  
Once I was seven years old

Once I was seven years old

### Exile - Taylor Swift

I can see you standin', honey  
With his arms around your body  
Laughin' but the joke's not funny at all  
And it took you five whole minutes  
To pack us up and leave me with it  
Holdin' all this love out here in the hall  
I think I've seen this film before  
And I didn't like the ending  
You're not my homeland anymore  
So what am I defendin' now?  
You were my town  
Now I'm in exile seein' you out  
I think I've seen this film before

Hoo, hoo-oooh  
Hoo, hoo-oooh  
Hoo, hoo-oooh  
I can see you starin', honey  
Like he's just your understudy  
Like you'd get your knuckles bloody for me  
Second, third, and hundredth chances  
Balancin' on breaking branches  
Those eyes add insult to injury  
I think I've seen this film before  
And I didn't like the ending  
I'm not your problem anymore  
So who am I offending now?  
You were my crown  
Now I'm in exile seein' you out  
I think I've seen this film before  
So I'm leavin' out the side door  
So step right out  
There is no amount  
Of cryin' I can do for you  
All this time  
We always walked a very thin line  
You didn't even hear me out (you didn't even hear  
me out)  
You never gave a warning sign (I gave so many  
signs)  
All this time  
I never learned to read your mind (never learned to  
read my mind)  
I couldn't turn things around (you never turned  
things around)

'Cause you never gave a warning sign (I gave so many signs)  
So many signs  
So many signs (you didn't even see the signs)  
I think I've seen this film before  
And I didn't like the ending  
You're not my homeland anymore  
So what am I defending now?  
You were my town  
Now I'm in exile seein' you out  
I think I've seen this film before  
So I'm leaving out the side door  
So step right out  
There is no amount  
Of cryin' I can do for you  
All this time  
We always walked a very thin line  
You didn't even hear me out (you didn't even hear me out)  
You never gave a warning sign (I gave so many signs)  
All this time  
I never learned to read your mind (never learned to read my mind)  
I couldn't turn things around (you never turned things around)  
'Cause you never gave a warning sign (I gave so many signs)  
All this time (so many signs)  
I never learned to read your mind (so many signs)  
I couldn't turn things around (so many signs)

'Cause you never gave a warning sign (never gave a warning sign)

### Cover Me In Sunshine - P!nk, Willow Sage Hart

I've been dreaming of friendly faces

I've got so much time to kill

Just imagine people laughing

I know some day we will

And even if it's far away

Get me through another day

Cover me in sunshine

Shower me with good times

Tell me that the world's been spinning since the beginning

And everything will be alright

Cover me in sunshine

From a distance all these mountains

Are just some tiny hills

Wildflowers, they keep living

While they're just standing still

I've been missing yesterday

But what if there's a better place?

Cover me in sunshine

Shower me with good times

Tell me that the world's been spinning since the beginning

And everything will be alright

Cover me in sunshine  
Shower me with good times  
Tell me that the world's been spinning since the  
beginning  
And everything will be alright  
Cover me in sunshine

Cover me in sunshine  
Shower me with good times  
Tell me that the world's been spinning since the  
beginning  
And everything will be alright  
Cover me in sunshine

### Watermelon Sugar - Harry Styles

Tastes like strawberries  
On a summer evenin'  
And it sounds just like a song  
I want more berries  
And that summer feelin'  
It's so wonderful and warm

Breathe me in, breathe me out  
I don't know if I could ever go without  
I'm just thinking out loud  
I don't know if I could ever go without

Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high

Watermelon sugar high  
Watermelon sugar

Strawberries on a summer evenin'  
Baby, you're the end of June  
I want your belly  
And that summer feelin'  
Getting washed away in you

Breathe me in, breathe me out  
I don't know if I could ever go without

Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high

Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high

I just wanna taste it, I just wanna taste it  
Watermelon sugar high

Tastes like strawberries  
On a summer evenin'  
And it sounds just like a song  
I want your belly  
And that summer feelin'  
I don't know if I could ever go without

Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high (sugar)  
Watermelon sugar high (sugar)  
Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high  
Watermelon sugar high

I just wanna taste it, I just wanna taste it  
Watermelon sugar high  
I just wanna taste it, I just wanna taste it  
Watermelon sugar high

New rules [Dua lipa](#)

One, one, one, one, one

Talkin' in my sleep at night  
Makin' myself crazy  
(Out of my mind, out of my mind)  
Wrote it down and read it out  
Hopin' it would save me  
(Too many times, too many times)  
My love, he makes me feel like nobody else  
Nobody else  
But my love, he doesn't love me  
So I tell myself, I tell myself

One, don't pick up the phone  
You know he's only calling 'cause he's drunk and  
alone  
Two, don't let him in  
You'll have to kick him out again  
Three, don't be his friend  
You know you're gonna wake up in his bed in the  
morning  
And if you're under him  
You ain't getting over him

I've got new rules, I count 'em  
I've got new rules, I count 'em  
I've gotta tell them to myself  
I've got new rules, I count 'em  
I've gotta tell them to myself

I keep pushin' forwards  
But he keeps pullin' me backwards  
(Nowhere to turn, no way)  
(Nowhere to turn, no)  
Now I'm standing back from it  
I finally see the pattern  
(I never learn, I never learn)  
But my love, he doesn't loves me  
So I tell myself, I tell myself  
I do, I do, I do  
One, don't pick up the phone  
You know he's only calling 'cause he's drunk and

alone

Two, don't let him in

You have to kick him out again

Three, don't be his friend

You know you're gonna wake up in his bed in the morning

And if you're under him

You ain't getting over him

I've got new rules, I count 'em

I've got new rules, I count 'em

I've gotta tell them to myself

I've got new rules, I count 'em

I've gotta tell them to myself

Practice makes perfect

I'm still tryna' learn it by heart (I got new rules, I count 'em)

Eat, sleep, and breathe it

Rehearse and repeat it 'cause I (I got new, I got new, I)

One, don't pick up the phone

You know he's only calling 'cause he's drunk and alone

Two, don't let him in

You have to kick him out again

Three, don't be his friend

You know you're gonna wake up in his bed in the

morning

And if you're under him

You ain't getting over him

I've got new rules, I count 'em

I've got new rules, I count 'em

I've gotta tell them to myself

I've got new rules, I count 'em (baby you know I  
count 'em)

I've gotta tell them to myself

Don't let him in, don't let him in

Don't be his friend, don't be his friend

Don't let him in, don't let him in

Don't be his friend, don't be his friend

You ain't getting over him

[Wellerman - Nathan evans](#)

There once was a ship that put to sea

The name of that ship was the Billy o' Tea

The winds blew up, her bow dipped down

Oh blow, my bully boys, blow (huh)

She'd not been two weeks from shore

When down on her a right whale bore

The captain called all hands and swore

He'd take that whale in tow (huh)

Soon may the Wellerman come

To bring us sugar and tea and rum

One day, when the tonguing' is done  
We'll take our leave and go

(Go, go, go, go)  
(Go, go, go, go)  
(Go, go, go, go)  
Take our leave and go

Soon may the Wellerman come  
To bring us sugar and tea and rum  
One day, when the tonguing' is done  
We'll take our leave and go

(Hey)

Before the boat had hit the water  
The whale's tail came up and caught her  
All hands to the side, harpooned and fought her  
When she dived down low (huh)

She'd not been two weeks from shore  
When down on her a right whale bore  
The captain called all hands and swore  
He'd take that whale in tow

Soon may the Wellerman come  
To bring us sugar and tea and rum

One day, when the tonguing' is done  
We'll take our leave and go

(Go, go, go, go)  
(Go, go, go, go)  
(Go, go, go, go)  
Take our leave and go

Soon may the Wellerman come  
To bring us sugar and tea and rum  
One day, when the tonguing' is done  
We'll take our leave and go

Soon may the Wellerman come  
To bring us sugar and tea and rum (hey)  
One day, when the tonguing' is done  
We'll take our leave and go

(Take our leave and go)

### Galway girl - Ed sheeran

She played the fiddle in an Irish band  
But she fell in love with an English man  
Kissed her on the neck and then I took her by the  
hand  
Said baby I just want to dance

I met her on Grafton street right outside of the bar  
She shared a cigarette with me while her brother  
played the guitar  
She asked me what does it mean the Gaelic ink on  
your arm?  
Said it was one of my friend' s songs do you want to  
drink on?

She took Jamie as a chaser, Jack for the fun  
She got Arthur on the table, with Johnny riding as  
shot gun  
Chatted some more, one more drink at the bar  
Then put Van on the jukebox, got up to dance, you  
know

She played the fiddle in an Irish band  
But she fell in love with an English man  
Kissed her on the neck and then I took her by the  
hand  
Said baby I just want to dance

With my pretty little Galway Girl  
You' re my pretty little Galway Girl

You know she beat me at darts and then she beat  
me at pool  
And then she kissed me like there was nobody else  
in the room

As last orders were called, was when she stood on  
the stool  
After dancing the céilí, singing to trad tunes  
I never heard Carrickfergus ever sung so sweet  
Acapella in the bar using her feet for a beat  
Oh I could have that voice playing on repeat for a  
week  
And in this packed out room, swear she was singing  
to me

She played the fiddle in an Irish band  
But she fell in love with an English man  
Kissed her on the neck and then I took her by the  
hand  
Said baby I just want to dance

My pretty little Galway girl  
My my my my my my my Galway girl  
My my my my my my my Galway girl  
My my my my my my my Galway girl

Now we' ve outstayed our welcome and it' s  
closing time  
I was holding her hand, her hand was holding mine  
Our coats both smell of smoke, whisky and wine  
As we fill up our lungs with the cold air of the night

I walked her home then she took me inside  
Finish some Doritos and another bottle of wine  
I swear I' m going to put you in a song that I write  
About a Galway girl and a perfect night

She played the fiddle in an Irish band  
But she fell in love with an English man  
Kissed her on the neck and then I took her by the  
hand  
Said baby I just want to dance

My pretty little Galway girl  
My my my my my my my my Galway girl  
My my my my my my my my Galway girl  
My my my my my my my my Galway girl

### [What Makes You Beautiful - One Direction](#)

You're insecure, don't know what for  
You're turning heads when you walk through the  
do-o-or  
Don't need make up, to cover up  
Being the way that you are is eno-o-ough

Everyone else in the room can see it  
Everyone else but you

Baby, you light up my world like nobody else  
The way that you flip your hair gets me

overwhelmed

But when you smile at the ground it ain't hard to tell  
You don't know-ow-ow, you don't know you're  
beautiful

If only you saw what I can see, you'll understand  
why I want you so desperately  
Right now I'm looking at you and I can't believe  
You don't know-ow-ow, you don't know you're  
beautifu-u-ul  
But that's what makes you beautiful

So c-come on, you got it wrong  
To prove I'm right, I put it in a so-o-ong  
I don't know why, you're being shy  
And turn away when I look into your e-e-eyes

Everyone else in the room can see it  
Everyone else but you

Baby, you light up my world like nobody else  
The way that you flip your hair gets me  
overwhelmed  
But when when smile at the ground it ain't hard to  
tell  
You don't know-ow-ow, you don't know you're  
beautiful

If only you saw what I can see, you'll understand

why I want you so desperately  
Right now I'm looking at you and I can't believe  
You don't know-ow-ow, you don't know you're  
beautifu-u-ul  
But that's what makes you beautiful

Na na na na na na na na  
Na na na na na na  
Na na na na na na na na  
Na na na na na na

Baby, you light up my world like nobody else  
The way that you flip your hair gets me  
overwhelmed  
But when you smile at the ground it ain't hard to tell  
You don't know, you don't know you're beautiful

Baby, you light up my world like nobody else  
The way that you flip your hair gets me  
overwhelmed  
But you when smile at the ground it ain't hard to tell  
You don't know-ow-ow, you don't know you're  
beautiful

If only you saw what I can see, you'll understand  
why I want you so desperately  
Right now I'm looking at you and I can't believe  
You don't know-ow-ow, you don't know you're  
beautifu-u-ul

You don't know you're beautifu-u-ul, but that's what makes you beautiful

### Call Me Maybe - Carly Rae Jepsen

I threw a wish in the well, don't ask me I'll never tell  
I looked to you as it fell and now you're in my way  
I'd trade my soul for a wish, pennies and dimes for a kiss

I wasn't looking for this, but now you're in my way

Your stare was holding, ripped jeans, skin was showin'

Hot night, wind was blowin', where you think you're going baby

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
It's hard to look right, at you baby  
But here's my number, so call me maybe

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
And all the other boys, try to chase me  
But here's my number, so call me maybe

You took your time with the call, I took no time with the fall

You gave me nothing at all, but still you're in my

way

I beg and borrow and steal, at first sight and it's real  
I didn't know I would feel it, but it's in my way

Your stare was holding, ripped jeans, skin was  
showin'

Hot night, wind was blowin', where you think you're  
going baby

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
It's hard to look right, at you baby  
But here's my number, so call me maybe

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe  
And all the other boys, try to chase me  
But here's my number, so call me maybe

Before you came into my life, I missed you so bad  
I missed you so bad, I missed you so, so bad  
Before you came into my life, I missed you so bad  
And you should know that, I missed you so, so bad

It's hard to look right at you baby  
But here's my number, so call me maybe

Hey, I just met you, and this is crazy  
But here's my number, so call me maybe

And all the other boys, try to chase me  
But here's my number, so call me maybe

Before you came into my life, I missed you so bad  
I missed you so bad, I missed you so, so bad  
Before you came into my life, I missed you so bad  
And you should know that, so call me maybe

### Señorita - Shawn Mendes

[Chorus: Camila Cabello]

I love it when you call me señorita  
I wish I could pretend I didn't need ya  
But every touch is ooh-la-la-la  
It's true, la-la-la  
Ooh, I should be runnin'  
Ooh, you keep me coming for ya

[Verse 1: Shawn Mendes]

Land in Miami  
The air was hot from summer rain  
Sweat drippin' off me  
Before I even knew her name, la-la-la  
It felt like ooh-la-la-la, yeah, no  
Sapphire moonlight  
We danced for hours in the sand  
Tequila Sunrise  
Her body fit right in my hands, la-la-la  
It felt like ooh-la-la-la, yeah

[Chorus: Camila Cabello & Shawn Mendes, Camila Cabello]

I love it when you call me señorita  
I wish I could pretend I didn't need ya  
But every touch is ooh-la-la-la  
It's true, la-la-la  
Ooh, I should be runnin'  
Ooh, you know I love it when you call me señorita  
I wish it wasn't so damn hard to leave ya  
But every touch is ooh-la-la-la  
It's true, la-la-la  
Ooh, I should be runnin'  
Ooh, you keep me coming for ya

[Verse 2: Camila Cabello with Shawn Mendes]

Locked in the hotel  
There's just some things that never change  
You say we're just friends  
But friends don't know the way you taste, la-la-la  
(La, la, la)  
'Cause you know it's been a long time coming  
Don't ya let me fall, oh  
Ooh, when your lips undress me, hooked on your  
tongue  
Ooh, love, your kiss is deadly, don't stop

[Chorus: Both, Camila Cabello & Shawn Mendes]

I love it when you call me señorita

I wish I could pretend I didn't need ya  
But every touch is ooh-la-la-la  
It's true, la-la-la  
Ooh, I should be runnin'  
Ooh, you know I love it when you call me señorita  
I wish it wasn't so damn hard to leave ya (So damn  
hard to leave ya)  
But every touch is ooh-la-la-la  
It's true, la-la-la (True la-la)  
Ooh, I should be runnin'  
Ooh, you keep me coming for ya

[Outro: Both, Shawn Mendes & Camila Cabello]  
All along, I've been coming for ya (For you)  
And I hope it meant something to you (Oh)  
Call my name, I'll be coming for ya (Coming for  
you)  
Coming for ya (Coming for you)  
For ya  
For ya (Oh, she loves it when I call)  
For ya  
Ooh, I should be runnin'  
Ooh, you keep me coming for ya

### Someone Like You - Adele -

I heard that you're settled down  
That you found a girl and you're married now  
I heard that your dreams came true  
Guess she gave you things, I didn't give to you

Old friend  
Why are you so shy  
It ain't like you to hold back  
Or hide from the lie

I hate to turn up out of the blue uninvited  
But I couldn't stay away, I couldn't fight it  
I hoped you'd see my face and that you'd be  
reminded  
That for me, it isn't over

Nevermind, I'll find someone like you  
I wish nothing but the best for you too  
Don't forget me, I beg, I remember you said  
Sometimes it lasts in love  
But sometimes it hurts instead  
Sometimes it lasts in love  
But sometimes it hurts instead, yeah

You'd know how the time flies  
Only yesterday was the time of our lives  
We were born and raised in a summery haze  
Bound by the surprise of our glory days

I hate to turn up out of the blue uninvited  
But I couldn't stay away, I couldn't fight it  
I hoped you'd see my face and that you'd be  
reminded

That for me, it isn't over yet

Nevermind, I'll find someone like you  
I wish nothing but the best for you too  
Don't forget me, I beg, I remember you said  
Sometimes it lasts in love  
But sometimes it hurts instead, yeah

Nothing compares, no worries or cares  
Regret's and mistakes they're memories made  
Who would have known how bittersweet this would  
taste

Nevermind, I'll find someone like you  
I wish nothing but the best for you too  
Don't forget me, I beg, I remembered you said  
Sometimes it lasts in love  
But sometimes it hurts instead

Nevermind, I'll find someone like you  
I wish nothing but the best for you too  
Don't forget me, I beg, I remembered you said  
Sometimes it lasts in love  
But sometimes it hurts instead, yeah, yeah

[Mercy - Shawn Mendes -](#)  
You've got a hold of me  
Don't even know your power

I stand a hundred feet  
But I fall when I'm around you

Show me an open door  
Then you go and slam it on me  
I can't take anymore  
I'm saying baby

Please have mercy on me  
Take it easy on my heart  
Even though you don't mean to hurt me  
You keep tearing me apart  
Would you please have mercy, mercy on my heart  
Would you please have mercy, mercy on my heart

I'd drive through the night  
Just to be near you baby  
Heart open, testified  
Tell me that I'm not crazy

I'm not asking for a lot  
Just that you're honest with me  
My pride is all I got  
I'm saying baby

Please have mercy on me  
Take it easy on my heart  
Even though you don't mean to hurt me  
You keep tearing me apart

Would you please have mercy on me  
I'm a puppet on your strings  
And even though you got good intentions  
I need you to set me free  
Would you please have mercy, mercy on my heart  
Would you please have mercy, mercy on my heart

Consuming all the air inside my lungs  
Ripping all the skin from off my bones  
I'm prepared to sacrifice my life  
I would gladly do it twice  
Consuming all the air inside my lungs  
Ripping all the skin from off my bones  
I'm prepared to sacrifice my life  
I would gladly do it twice

Oh, please have mercy on me  
Take it easy on my heart  
Even though you don't mean to hurt me  
You keep tearing me apart  
Would you please have mercy on me  
I'm a puppet on your string  
And even though you got good intentions  
I need you to set me free  
I'm begging you for mercy, mercy  
I'm begging you, (on my heart) begging you please  
baby  
I'm begging you for mercy, mercy

Oh, I'm begging you, (on my heart) I'm begging  
you, yeah

### Memories - Maroon 5

Here's to the ones that we got  
Cheers to the wish you were here but you're not  
'Cause the drinks bring back all the memories  
Of everything we've been through  
Toast to the ones here today  
Toast to the ones that we lost on the way  
'Cause the drinks bring back all the memories  
And the memories bring back  
Memories bring back you

There's a time that I remember when I did not know  
no pain  
When I believed in forever  
And everything would stay the same  
Now my heart feel like December  
When somebody say your name  
'Cause I can't reach out to call you  
But I know I will one day  
Hey

Everybody hurts sometimes, everybody hurts  
someday  
Eh eh  
Everything will be alright, go on raise a glass and

say  
Eh

Here's to the ones that we got  
Cheers to the wish you were here but you're not  
'Cause the drinks bring back all the memories  
Of everything we've been through  
Toast to the ones here today  
Toast to the ones that we lost on the way  
'Cause the drinks bring back all the memories  
And the memories bring back  
Memories bring back you  
Doo do do doo

Memories bring back  
Memories bring back you

There's a time that I remember when I never felt so  
lost  
When I felt that all the hatred was too powerful to  
stop  
Now my heart feel like an ember  
And its lighting up the dark  
I'll carry these torches for ya  
That you know I'll never drop  
Yeah

Everybody hurts sometimes, everybody hurts  
someday

Eh eh

Everything goin be alright, go on raise a glass and  
say

Eh

Here's to the ones that we got

Cheers to the wish you were here but you're not

'Cause the drinks bring back all the memories

Of everything we've been through

Toast to the ones here today

Toast to the ones that we lost on the way

'Cause the drinks bring back all the memories

And the memories bring back

Memories bring back you

Doo do do doo

Memories bring back

Memories bring back you

Doo do do doo

Memories bring back

Memories bring back you

Yeah yeah yeah

Memories bring back

Memories bring back you

## Love Yourself - Justin Bieber

For all the times that you rain on my parade  
And all the clubs you get in using my name  
You think you broke my heart, oh girl for goodness  
sake  
You think I'm crying on my own, well I ain't

And I didn't wanna write a song  
Cause I didn't want anyone thinking I still care  
I don't but, you still hit my phone up  
And baby I be movin' on  
And I think you should be somethin'  
I don't wanna hold back, maybe you should know  
that

My mama don't like you and she likes everyone  
And I never like to admit that I was wrong  
And I've been so caught up in my job, didn't see  
what's going on  
But now I know, I'm better sleeping on my own

Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself

And when you told me that you hated my friends  
The only problem was with you and not them  
And every time you told me my opinion was wrong

And tried to make me forget where I came from

And I didn't wanna write a song  
Cause I didn't want anyone thinking I still care  
I don't but, you still hit my phone up  
And baby I be movin' on  
And I think you should be somethin'  
I don't wanna hold back, maybe you should know  
that

My mama don't like you and she likes everyone  
And I never like to admit that I was wrong  
And I've been so caught up in my job, didn't see  
what's going on  
But now I know, I'm better sleeping on my own

Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself

[Instrumental]

For all the times that you made me feel small  
I fell in love, now I feel nothin' at all  
Had never felt so low when I was vulnerable  
Was I a fool to let you break down my walls?

Cause if you like the way you look that much

Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself  
Cause if you like the way you look that much  
Oh, baby, you should go and love yourself  
And if you think that I'm still holdin' on to somethin'  
You should go and love yourself

### Budapest - George Ezra

My house in Budapest  
My, my hidden treasure chest  
Golden grand piano  
My beautiful Castillo

You, you  
I'd leave it all

My acres of a land  
I have achieved  
It may be hard for you to  
Stop and believe

But for you, you  
I'd leave it all  
Oh, for you, you  
I'd leave it all

Give me one good reason

Why I should never make a change  
And baby, if you hold me  
Then all of this will go away

My many artifacts  
The list goes on  
If you just say the words  
I'll up and run

Oh, to you, you  
I'd leave it all  
Oh, for you, you  
I'd leave it all

Give me one good reason  
Why I should never make a change  
And baby, if you hold me  
Then all of this will go away

Give me one good reason  
Why I should never make a change  
And baby, if you hold me  
Then all of this will go away

My friends and family  
They, don't understand  
They fear they'd lose so much  
If, you take my hand

But, for you, you  
I'd lose it all  
Oh, for you, you  
I'd lose it all

Give me one good reason  
Why I should never make a change  
And baby, if you hold me  
Then all of this will go away

Give me one good reason  
Why I should never make a change  
And baby, if you hold me  
Then all of this will go away

My house in Budapest  
My hidden treasure chest  
Golden grand piano  
My beautiful castillo

You, you  
I'd leave it all

[I'm Not The Only One](#) - Sam Smith

You and me we made a vow  
For better or for worse  
I can't believe you let me down  
But the proof is in the way it hurts  
For months on end I've had my doubts

Denying every tear  
I wish this would be over now  
But I know that I still need you here

You say I'm crazy  
Cause you don't think I know what you've done  
But when you call me baby  
I know I'm not the only one

You've been so unavailable  
Now sadly I know why  
Your heart is unobtainable  
Even though you don't share mine

You say I'm crazy  
Cause you don't think I know what you've done  
But when you call me baby  
I know I'm not the only one

I have loved you for many years  
Maybe I am just not enough  
You've made me realize my deepest fear  
By lying and tearing us up

You say I'm crazy  
Cause you don't think I know what you've done  
But when you call me baby  
I know I'm not the only one

You say I'm crazy  
Cause you don't think I know what you've done  
But when you call me baby  
I know I'm not the only one

### Hold Back The River - James Bay

Tried to keep you close to me  
But life got in between  
Tried to square not being there  
But think that I should have been

Hold back the river, let me look in your eyes  
Hold back the river, so I  
Can stop for a minute and see where you hide  
Hold back the river, hold back

Once upon a different life  
We rode our bikes into the sky  
But now we crawl against the tide  
Those distant days are flashing by

Hold back the river, let me look in your eyes  
Hold back the river, so I  
Can stop for a minute and be by your side  
Hold back the river, hold back

Hold back the river, let me look in your eyes  
Hold back the river, so I

Can stop for a minute and see where you hide  
Hold back the river, hold back

Hold oho, oho, oho, oho  
Oho, oho, oho, oho

Lonely water, lonely water, won't you let us wander  
Let us hold each other  
Lonely water, lonely water, won't you let us wander  
Let us hold each other

Hold back the river, let me look in your eyes  
Hold back the river, so I  
Can stop for a minute and be by your side  
Hold back the river, hold back

Hold back the river, let me look in your eyes  
Hold back the river, so I  
Can stop for a minute and be by your side  
Hold back the river, hold

Lonely water, lonely water, won't you let us wander  
Let us hold each other  
Lonely water, lonely water, won't you let us wander  
Let us hold each other

[Locked Out Of Heaven - Bruno Mars](#)

Oh yeah yeah  
Oh yeah yeah yeah

Ooh!  
Oh yeah yeah  
Oh yeah yeah yeah  
Ooh!

Never had much faith in love or miracles  
Never wanna put my heart on the line  
But swimming in your water is something spiritual  
I'm born again every time you spend the night

Cause your sex takes me to paradise  
Yeah your sex takes me to paradise  
And it shows, yeah, yeah, yeah  
Cause you make feel like, I've been locked out of  
heaven  
For too long, for too long  
Yeah you make feel like, I've been locked out of  
heaven  
For too long, for too long

Oh yeah yeah yeah  
Ooh!  
Oh yeah yeah  
Oh yeah yeah yeah  
Ooh!

You bring me to my knees  
You make me testify  
You can make a sinner change his ways

Open up your gates cause I can't wait to see the  
light

And right there is where I wanna stay

Cause your sex takes me to paradise

Yeah your sex takes me to paradise

And it shows, yeah, yeah, yeah

Cause you make feel like, I've been locked out of  
heaven

For too long, for too long

Yeah you make feel like, I've been locked out of  
heaven

For too long, for too long

Oh oh oh oh, yeah, yeah, yeah

Can I just stay here

Spend the rest of my days here

Oh oh oh oh, yeah, yeah, yeah

Can't I just stay here

Spend the rest of my days here

Cause you make feel like, I've been locked out of  
heaven

For too long, for too long

Yeah you make feel like, I've been locked out of  
heaven

For too long, for too long

Oh yeah yeah yeah

Ooh!  
Oh yeah yeah  
Oh yeah yeah yeah  
Ooh!

### Ho Hey - The Lumineers

[Verse 1]

I been trying to do it right  
I been living a lonely life  
I been sleepin' here instead  
I been sleepin' in my bed  
I been sleepin' in my bed

So show me family  
All the blood that I will bleed  
I don't know where I belong  
I don't know where I went wrong  
But I can write a song

[Hook]

I belong with you, you belong with me  
You're my sweetheart  
I belong with you, you belong with me  
You're my sweetheart

[Verse 2]

I don't think you're right for him  
Think of what it might have been if we  
Took a bus to Chinatown

I'd be standin' on Canal, and Bowery  
And she'd be standin' next to me

[Hook]

I belong with you, you belong with me  
You're my sweetheart  
I belong with you, you belong with me  
You're my sweetheart

[Bridge]

Love we need it now  
Let's hope for some  
Cause oh, we're bleedin' out

[Hook]

I belong with you, you belong with me  
You're my sweetheart  
I belong with you, you belong with me  
You're my sweetheart

Little Talks - Of Monsters And Men

Hey! Hey! Hey!

I don't like walking around this old and empty house  
So hold my hand, I'll walk with you my dear

The stairs creak as I sleep, it's keeping me awake

It's the house telling you to close your eyes

Some days I can't even trust myself  
It's killing me to see you this way

'Cause though the truth may vary  
This ship will carry our bodies safe to shore

Hey! Hey! Hey!

There's an old voice in my head that's holding me  
back  
Well tell her that I miss our little talks

Soon it will be over, and buried with our past  
We used to play outside when we were young  
And full of life and full of love

Some days I don't know if I am wrong or right  
Your mind is playing tricks on you my dear

'Cause though the truth may vary  
This ship will carry our bodies safe to shore

Hey!  
Don't listen to a word I say  
Hey!  
The screams all sound the same  
Hey!

Though the truth may vary  
This ship will carry our bodies safe to shore

You're gone, gone, gone away  
I watched you disappear  
All that's left is a ghost of you  
Now we're torn, torn, torn apart  
There's nothing we can do  
Just let me go, we'll meet again soon  
Now wait, wait, wait for me  
Please hang around  
I'll see you when I fall asleep

Hey!  
Don't listen to a word I say  
Hey!  
The screams all sound the same  
Hey!

Though the truth may vary  
This ship will carry our bodies safe to shore

Hey!  
Don't listen to a word I say  
Hey!  
The screams all sound the same  
Hey!

Though the truth may vary  
This ship will carry our bodies safe to shore

Though the truth may vary  
This ship will carry our bodies safe to shore

Though the truth may vary  
This ship will carry our bodies safe to shore
