Piraten-potpourri - Samson & Gert

Samson, Gert + koor:

Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Gert:

Mijn vader zei me: Gertjelief
Word bakker of word boer
Of handelaar in schapenkaas
Of papegaaienvoer
Mijn moeder zei: word machinist
Of stiker op een trein
Maar ik zei: als ik groot ben
Word ik kaperkapitein

Samson + koor:

Doe je best voor de baas
Jaag de ratten van de kaas

Gert:

Mooi is het leven van een kaper

Samson + koor:

Pak die tros, pak die lijn
Vis de ratten uit de wijn

Gert:

Mooi is het leven van een kaperkapitein

Samson, Gert + koor:

En we varen naar Timboektoe toe
Timboektoe toe, Timboektoe toe
En we varen naar Timboektoe toe
En we zijn nog lang niet moe

En we varen naar Timboektoe toe
Timboektoe toe, Timboektoe toe
En we varen naar Timboektoe toe
En we zijn nog lang niet moe

Samson:

De hond van de matrozen
Gaaf mee op elke reis
Naar de hitte van de tropen
En de zeeën vol met ijs

Gert:

Het hondje wordt niet zeeziek
Hij houdt zich stevig vast

Samson:

En hij heeft een eigen mandje
Dat zit boven in de mast

Samson, Gert + koor:
Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Gert:
Onze stuurman die heet Sjaak

Samson + koor:
Soep, soep, soep met sliertjes

Gert: Hij moet eten met een haak

Samson + koor:
Soep, soep, soep met sliertjes

Gert: Daarom eten wij niet vaak

Samson + koor:
Soep, soep, soep met sliertjes

Samson + Gert:
Soep, soep, soep met smaak

Samson, Gert + koor:
Want de stuurman heeft een haak

Gert:
Als de sterren naar me roepen

Als de zeewind naar me fluit
Dan moet ik naar het water
Dan trek ik er op uit
Maar wanneer de meeuwen schreeuwen
Boven storm en golfgebruis
Verlang ik naar Marlène
En wil ik weer naar huis

Samson + koor:
Een echt piraat heeft een gaatje in z'n oor
Een gaatje in z'n oor

Samson:
Met een ringetje er door

Samson + koor:
Een echt piraat heeft een bootje op z'n borst
Een bootje op z'n borst

Samson:
En een vreselijke dorst

Samson + koor:
Een echte piraat die herken je meteen

Samson:
Aan zijn gaatje en zijn bootje en zijn houten been

Samson, Gert + koor:
Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

Wij zijn piraten van de zee
En al wie zin heeft vaart maar mee
Wij zijn piraten, piraten
Piraten van de zee

[Animals - Maroon 5](#)

Baby I'm preying on you tonight
Hunt you down eat you alive
Just like animals
Animals
Like animals-mals

Maybe you think that you can hide
I can smell your scent for miles
Just like animals
Animals
Like animals-mals
Baby I'm

So what you trying to do to me
It's like we can't stop, we're enemies
But we get along when I'm inside you, eh

You're like a drug that's killing me
I cut you out entirely
But I get so high when I'm inside you
Yeah you can start over you can run free
You can find other fish in the sea
You can pretend it's meant to be
But you can't stay away from me
I can still hear you making that sound
Taking me down rolling on the ground
You can pretend that it was me
But no, oh

Baby I'm preying on you tonight
Hunt you down eat you alive
Just like animals
Animals
Like animals

Maybe you think that you can hide
I can smell your scent for miles
Just like animals
Animals
Like animals-mals
Baby I'm

So if I run it's not enough
You're still in my head forever stuck
So you can do what you wanna do, eh
I love your lies I'll eat 'em up

But don't deny the animal
That comes alive when I'm inside you
Yeah you can start over you can run free
You can find other fish in the sea
You can pretend it's meant to be
But you can't stay away from me
I can still hear you making that sound
Taking me down rolling on the ground
You can pretend that it was me
But no, oh

Baby I'm preying on you tonight
Hunt you down eat you alive
Just like animals
Animals
Like animals-mals

Maybe you think that you can hide
I can smell your scent for miles
Just like animals
Animals
Like animals-mals
Baby I'm

Don't tell no lie, lie lie lie
You can't deny, ny ny ny
The beast inside, side side side
Yeah yeah yeah

No girl don't lie, lie lie lie (No girl don't lie)
You can't deny, ny ny ny (You can't deny)

The beast inside, side side side

Just like animals (Yeah)

Glitter - BENEE

Everyone else has left now
I bet that disc got you stressed out
Wondering, what can we do now?
Maybe let it burn out
Where I can't feel my face
Hmm, minds twisted in weird ways
Wondering, what can we do now?
Maybe let it burn out

Glitter sparkling on your heart
Now, darling, wont you stay?
I'm here wondering what to say
All good, then we err'ing

I know it's getting late now, baby
Maybe you should stay here with me
Let's just make it our own party
Stick together like Glitter, Glitter, Glitter, Glitter

Race against the sunlight
Wanna have a long night
Night mysteries, tight mysteries
Under spotlight
Don't let me out of your sight
Two energies, two energies

Glitter sparkling on your heart
Now, darling, won't you stay? (ooh)
I'm here wondering what to say
All good, then we err'ing

I know it's getting late now, baby
Maybe you should stay here with me
Let's just make it our own party
Stick together like Glitter, Glitter, Glitter, Glitter

I know it's getting late now, baby (late now!)
Maybe you should stay here with me
Let's just make it our own party (party!)
Stick together like Glitter, Glitter, Glitter, Glitter

Everyone else has left now
I bet that disc got you stressed out
Wondering what can we do now?
Maybe let it burn out

Kusjessoldaten - K3

Als iemand valt, en zich bezeert
Bel de kazerne, wij zijn altijd in de weer
We zeggen halt, geen tranen meer
Dichtbij of ver, een kusje werkt iedere keer

Want die pijn vergeet je snel, na een weet-je-wel
En van zoentjes geven, worden wij niet moe
Een grote of een kleine kus, wat een fijne lkus
Tuit je lippen en we komen naar je toe

Wij zijn soldaten, kusjessoldaten
En jij krijgt, pief, poef, paf, een welgemikte zoen
Wij zijn soldaten, kusjessoldaten
Wij vuren zoentjes af, want dat is wat we doen
Elk hart dat breekt, wordt zo hersteld
Wij hebben zoentjes klaar voor elke kleine held
Wie is van streek (wie is van streek), wie heeft
gebeld (wie heeft gebeld)
Wie krijgt een kusjeslegerlintje opgespeld
Want die pijn vergeet je snel, na een weet-je-wel
En van zoentjes geven, worden wij niet moe
Een grote of een kleine kus, wat een fijne klus
Tuit je lippen en we komen naar je toe
Wij zijn soldaten, kusjessoldaten
En jij krijgt, pief, poef, paf, een welgemikte zoen
Wij zijn soldaten, kusjessoldaten
Wij vuren zoentjes af, want dat is wat we doen
Een dipje, of een traan en ons leger komt eraan
Een zoentje en je kan de hele wereld aan
Wij zijn soldaten, kusjessoldaten
En jij krijgt, pief, poef, paf, een alles is weer beter,
zoen

Laat de zon in je hart - Willy Sommers

Een lach, een groet, een blij gezicht
Een vogel zwevend naar het licht.
Oh het lijkt zo gewoon maar het is toch een wonder.

Een kind dat lacht en naar je zwaait,
Een fietser die de hoek omdraait.
Oh het lijkt zo gewoon maar het is toch een wonder.

Het leven gaat zo snel voorbij,
Dat geldt voor jou maar ook voor mij...

Oh laat de zon in je hart
Ze schijnt toch voor iedereen
Geniet van het leven
Want het duurt toch maar even.

Oh laat de zon in je hart
Ze schijnt toch voor iedereen
Geniet van het leven
Want het duurt toch maar even.

Het strand, de zee, de volle maan
De hemel waar de sterren staan.
Oh het lijkt zo gewoon maar het is toch een wonder.

En ben je soms niet goed gezind
Denk aan de glimlach van een kind.
Ja dat maakt je weer blij ja dat maakt je weer vrolijk.

Het leven gaat zo snel voorbij,
Dat geldt voor jou maar ook voor mij...

Oh laat de zon in je hart
Ze schijnt toch voor iedereen
Geniet van het leven
Want het duurt toch maar even.

Oh laat de zon in je hart
Ze schijnt toch voor iedereen
Geniet van het leven
Want het duurt toch maar even.

Ben je niet gelukkig heb je soms verdriet
Denk dan aan de zon en zing dit lied.

Oh laat de zon in je hart
Ze schijnt toch voor iedereen
Geniet van het leven
Want het duurt toch maar even.

Oh laat de zon in je hart
Ze schijnt toch voor iedereen
Geniet van het leven
Want het duurt toch maar even.

We're the f-king animals
We're the f-king animals

Airplanes - B.o.B

Can we pretend that airplanes in the night sky are
like shootin' stars

I could really use a wish right now, wish right now,
wish right now

Can we pretend that airplanes in the night sky are
like shootin' stars

I could really use a wish right now, wish right now,
wish right now

Yeah, I could use a dream or a genie or a wish
To go back to a place much simpler than this
'Cause after all the partyin' and smashin' and
crashin'

And all the glitz and glam and the fashion
And all the pandemonium and all the madness
There comes a time where you fade to the
blackness

And when you're starin' at the phone in your lap
And you hopin' but them people never call you
back

But that's just how the story unfolds
You get another hand soon after you fold
And when your plans unravel in the sand
What would you wish for, if you had one chance?

So airplane, airplane sorry I'm late

I'm on my way so don't close that gate

If I don't make that, then I'll switch my flight

And I'll be right back at it by the end of the night

Can we pretend that airplanes in the night sky are
like shootin' stars

I could really use a wish right now, wish right now,

wish right now
Can we pretend that airplanes in the night sky are
like shootin' stars
I could really use a wish right now, wish right now,
wish right now
Yeah, yeah, somebody take me back to the days
Before this was a job, before I got paid
Before it ever mattered what I had in my bank
Yeah, back when I was tryna get a tip at Subway
And back then I was rappin' for the hell of it
But nowadays we rappin' to stay relevant
I'm guessin' that if we can make some wishes out of
airplanes
Then maybe, oh maybe, I'll go back to the days
Before the politics that we call the rap game
And back when ain't nobody listened to my
mixtape
And back before when I tried to cover up my slang
But this is for Decatur, what's up Bobby Ray?
So can I get a wish to end the politics?
And get back to the music that started this shit
So here I stand and then again I say
I'm hoping we can make some wishes out of
airplanes
Can we pretend that airplanes in the night sky are
like shootin' stars
I could really use a wish right now, wish right now,
wish right now
Can we pretend that airplanes in the night sky are
like shootin' stars

I could really use a wish right now, wish right now,
wish right now
I could really use a wish right now
I, I, I could really use a wish right now
Like, like, like shootin' stars
I, I, I could, I could really use a wish right now
A wish, a wish right now

Mega Mindy tijd - Mega Mindy

Ik ben een gewone meid
Maar bij Mega Mindy tijd
Ben ik dapper, ben ik stoer

Dan ben ik van niemand bang
Hou ik boeven in de tang
Draai ik elke dief een loer

Iedereen die wordt belogen
Wordt bestolen
Wordt bedrogen
Geef een seintje
En ik kom er aan

Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet
Het is Mega Mindy
Die je aan de hemel ziet

Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet

Het is Mega Mindy
Die je aan de hemel ziet
Voor een echte heldendaad
Sta ik dag en nacht paraat
Voor gevaren ben ik blind
Voor een echte superheld
Is er maar één ding dat telt
Dat het recht steeds overwint
Iedereen die wordt belogen
Wordt bestolen
Wordt bedrogen
Geef een seintje
En ik kom er aan
Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet
Het is Mega Mindy
Die je aan de hemel ziet
Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet
Het is Mega Mindy
Die je aan de hemel ziet
Iedereen die wordt belogen
Wordt bestolen
Wordt bedrogen

Geef een seintje
En ik kom er aan
Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet
Het is Mega Mindy
Die je aan de hemel ziet

Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet

Mega Mindy

Is het een vliegtuig?
Is het een vogel?

Is het een vliegtuig?
Is het een vogel?
Nee, dat is het niet
Het is Mega Mindy

[Kings & Queens - Ava Max](#)

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancin' on your own

Can't live without me, you wanna, but you can't,
no, no, no

Think it's funny, but honey, can't run this show on
your own

I can feel my body shake, there's only so much I
can take

I'll show you how a real queen behaves, oh

No damsel in distress, don't need to save me

Once I start breathin' fire, you can't tame me

And you might think I'm weak without a sword

But if I had one, it'd be bigger than yours

If all of the kings had their queens on the throne

We would pop champagne and raise a toast

To all of the queens who are fighting alone

Baby, you're not dancin' on your own

Disobey me, then baby, it's off with your head

Gonna change it and make it a world you won't
forget, oh-oh, oh

No damsel in distress, don't need to save me

Once I start breathin' fire, you can't tame me

And you might think I'm weak without a sword

But I'm stronger than I ever was before

If all of the kings had their queens on the throne

We would pop champagne and raise a toast

To all of the queens who are fighting alone

Baby, you're not dancin' on your own

In chess, the king can move one space at a time
But queens are free to go wherever they like
You get too close, you'll get a royalty high
So breathe it in to feel the love

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancin' on your own

Mia – Gorki

Toen ik honger had kwam ik naar je toe
Je zei, eten kan je als je de afwas doet
Mensen als jij moeten niet moeilijk doen
Geef ze een kans voor ze stom gaan doen

De middenstand regeert het land
Beter dan ooit tevoren
Mia heeft het licht gezien
Ze zegt, niemand gaat verloren

Voorlopig gaan we nog even door
Op het lichtend pad, het verkeerde spoor
Mensen als ik vind je overal
Op de arbeidsmarkt, in dit tranendal

En sterren komen, sterren gaan
Alleen Elvis blijft bestaan
Mia heeft nooit afgezien
Ze vraagt, kun jij nog dromen?

De middenstand regeert het land
Beter dan ooit tevoren
Mia heeft het licht gezien
Ze zegt, niemand gaat verloren

Sterren komen en sterren gaan
Alleen Elvis blijft bestaan

Mia heeft nooit afgezien
Ze vraagt, kun jij nog dromen?

Ik wil je - De Kreuners

Ze likt aan haar glas terwijl ze naar hem lacht
Hij stapt op haar toe, zo had ze't wel verwacht
Morgen heeft ze spijt, dat weet ze veel te goed
Toch doet ze het opnieuw en opnieuw en opnieuw
en opnieuw

Wie kan het wat schelen

Zo zijn er zo velen

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek

Alles wat ze zegt klinkt vals en koud

Zelfs als ze zegt dat ze van hem houdt

Ze weet dat ze liegt toch zegt ze het opnieuw

En opnieuw en opnieuw en opnieuw en opnieuw
en opnieuw en opnieuw en opnieuw

Wie kan het wat schelen

Zo zijn er zo velen

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek

Ik wil je

Blijf bij me

Hou van me

Zegt ze opnieuw, en opnieuw

Elke nacht

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek

Ik wil je

Blijf bij me

Hou van me

Ga nooit meer weg

Ik wil je

Blijf bij me

Hou van me

Ik word stapelgek
Ik wil je
Blijf bij me
Hou van me
Ga nooit meer weg
Ik wil je
Blijf bij me
Hou van me
Ik word stapelgek
Ik wil je
Blijf bij me
Hou van me
Ga nooit meer weg
Ik wil je
Blijf bij me
Hou van me
Ik word stapelgek
Ik wil je
Blijf bij me
Hou van me
Ga nooit meer weg

Ik wil je
Blijf bij me
Hou van me
Ik word stapelgek
Ik wil je
Blijf bij me
Hou van me

Onderweg – Abel

Ik doe de deur dicht
Straten lijken te huilen
Wolken lijken te vluchten
Ik stap de bus in
Mensen lijken te kijken
Maar ik wil ze ontwijken
Voordat ze mij zien
Het is lang verleden tijd
Dat je mijn verjaardag niet vergat
Je onvoorwaardelijk koos voor mij

Ik zie de velden
Langs me heen gaan huizen

Het is stil achter de ruiten
Wie kan mij zien
In blauwverlichte treinen
Je hart is zo dichtbij me
Maar het klopt niet
Het is al lang verleden tijd
Je zwarte haren en je lach
Dat je de heel de wereld voor mij was
Het zit nog veel te diep in mij
Dat ik mocht delen wat jij had
Je door mijn haren ging en zei

Je kent mijn stem niet
Wie ik ben is wat je nu ziet
Wil je dansen met illusies
In gedachten
Ben je verder dan het heden
Wil je terug naar je verleden
Zegt je dat iets
Het is lang verleden tijd
Rode wijn op het terras
Dat je heel de wereld voor mij was

Het zit nog veel te diep in mij
Dat ik vergat hoe jij mij zag
Dat ik zo anders ben dan jij

Ik loop de straat in
Maar het zal me nooit verwarmen
Omdat het mij niet kan omarmen
Wie zou mij zien
het liefst zou ik willen schreeuwen
ik zou oneindig willen schreeuwen
maar het gaat niet
jij bent nu alleen van mij
ik kan de wereld laten zien
dat het zo beter is misschien
het is al lang verleden tijd
dat ik vergat hoe jij me zag
dat ik zo anders ben dan jij

Het Is Een Nacht - Guus Meeuwis & Vagant

Je vraagt of ik zin heb in een sigaret
Het is twee uur 's nachts
We liggen op bed
In een hotel in een stad

Waar niemand ons hoort
Waar niemand ons kent
En niemand ons stoort
Op de vloer ligt een lege fles wijn
En kledingstukken die van jou of mij kunnen zijn
Een schemering de radio zacht
En deze nacht heeft alles
Wat ik van een nacht verwacht

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied
Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou ohoh

Ik ben nog wakker en ik staar naar het plafond
En ik denk aan de dag lang geleden begon
Het zomaar er vandoor gaan met jou
Niet wetend waar de reis eindigen zou
Nu lig ik hier in een wildvreemde stad
En heb net de nacht van men leven gehad
Maar helaas er komt weer licht door de ramen
Hoewel voor ons de wereld
Vannacht heeft stil gestaan

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied

Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou ohoh

Maar een lied blijft slechts bij woorden,
Een film is in scène gezet
Maar deze nacht met jou
Is levensecht

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied
Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou ohoh

Het is een nacht
Die je normaal alleen in films ziet
Het is een nacht
Die wordt bezongen in het mooiste lied
Het is een nacht
Waarvan ik dacht dat ik hem nooit beleven zou
Maar vannacht beleef ik hem met jou ohoh

En vannacht beleef ik hem met jou ohoh
En ik hou alleen nog maar van jou ohoh
En ik hou alleen nog maar van jou

[Als ze lacht - Yevgueni](#)

Ze is niet altijd even vrolijk
En dat ligt ook wel eens aan mij

En een beetje aan de weerman
Maar die maakt eigenlijk niemand blij
En al zijn miezerige buien
Daar heeft zij geen boodschap aan
Zij wil alle dagen zon
En als het moet eens een orkaan
Maar net als hem blijf ik proberen
Elke dag een flauwe mop
Plots is daar dan toch die glimlach
En dan klaart alles, dan klaart alles hier weer op
Want als ze lacht
Breekt de hele hemel open
Echt ik waan me in de tropen
'T is echt machtig als ze lacht
Als ze lacht
Baad ik uren in de zon
Ik wou dat ik dat voor haar kon
Wat zij voor mij doet
Als ze lacht
Ben ook niet altijd even vrolijk
Maar dat ligt echt wel niet aan mij
Want zelfs met Martine om 7
Is er maar zelden goed nieuws bij
Of toch, een nieuwe prins geboren
Zelfs nog beter een dolfijn
Maar dan een stuk of honderd plaatsen waar
Ze weer aan 't vechten zijn
Er is nochtans niet zoveel nodig

Misschien meer vrouwen aan de macht
Dan zeg ik, schat, jij zou dat kunnen
En echt ik meen, echt ik meen het maar zij lacht

En als ze lacht
Is het even wereldvrede
Is de laatste strijd gestreden
'T is echt machtig als ze lacht
Als ze lacht
Baad ik uren in de zon
Ik wou dat ik dat voor haar kon
Wat zij voor mij doet
Als ze lacht

Ja ik wou echt
Dat ik dat voor haar kon
Maar als ze lacht
Is het even wereldvrede
Is de laatste strijd gestreden
'T is echt machtig als ze lacht
Als ze lacht
Baad ik uren in de zon
Ik wou dat ik dat voor haar kon
Wat zij voor mij doet
Als ze lacht

Als ze lacht
Is het even wereldvrede
Is de laatste strijd gestreden
'T is echt machtig als ze lacht

Als ze lacht
Baad ik uren in de zon
Ik wou dat ik dat voor haar kon
Wat zij voor mij doet
Als ze lacht

Anne - Clouseau

Anne, als ik jou zie ben ik niet meer bij te sturen
Anne, die momenten zouden eeuwig moeten
blijven duren
's Morgens vroeg, ik breng het ontbijt naar de
kamer
Het is nog donker en jij ligt nog wat te slapen
Je ene been hangt uit het bed, je haren doorelkaar
En ik geef je een zoen op je neusje, maar je wordt
het niet gewaar
Anne, als ik jou zie ben ik niet meer bij te sturen
Anne, die momenten zouden eeuwig moeten
blijven duren
Je drinkt je koffie en begint zachtjes wat te praten
Je kan 't niet laten, want toch moet je even gapen
Maar het is zondag, dus hoeven we vandaag toch
niets te doen
We duiken terug de lakens in en we vrijen tot het
noon
Anne, als ik jou zie ben ik niet meer bij te sturen
Anne, die momenten zouden eeuwig moeten
blijven duren

Je vleit je zachtjes tegen me aan, je hoofdje in m'n
zij

En dan weet ik dat je van me houdt en dat maakt
me blij

Anne, als ik jou zie ben ik niet meer bij te sturen

Anne, die momenten zouden eeuwig moeten
blijven duren

Anne, als ik jou zie ben ik niet meer bij te sturen

Anne, die momenten zouden eeuwig moeten
blijven duren

Anne, als ik jou zie ben ik niet meer bij te sturen

Anne, die momenten zouden eeuwig moeten
blijven

Zoutelande - BLØF

Niets is beter dan met jou de kou trotseren

Er zijn mensen die naar warme landen emigreren

Maar we hebben geen geld in onze koude handen

Dus we gaan maar naar je ouders in Zoutelande, in
Zoutelande

En dan zitten we hier in het oude strandhuis

Wat je vertelt houdt me nuchter en warm

Boven m'n hoofd zie ik de grijze wolken

Ik ben blij dat je hier bent, blij dat je hier bent

Wij zitten hier in het gammele strandhuis

Maakte me toch al nooit uit waar we waren

We verzuipen onszelf in de drank van je vader

Ik ben blij dat je hier bent, blij dat je hier bent

Niets is mooier dan met jou het land doorkruisen
Op mistroostige plekken je bij me te hebben
En te zien dat het goed is, te zien dat we bruisen
En met wodka en met bokking tussen
reddingsbanden

En dan zitten we hier in het oude strandhuis
Wat je vertelt houdt me nuchter en warm
En boven m'n hoofd zie ik de grijze wolken
Ik ben blij dat je hier bent, blij dat je hier bent
Wij zitten hier in het gammele strandhuis
Maakte me toch al nooit uit waar we waren
We verzuipen onszelf in de drank van je vader
Ik ben blij dat je hier bent, blij dat je hier bent

Ik ben blij dat je hier bent
Ik ben blij dat je hier bent
Ik ben blij dat je hier bent
Ik ben blij dat je hier bent

En dan zitten we hier in het oude strandhuis
Wat je vertelt houdt me nuchter en warm
Boven m'n hoofd zie ik de grijze wolken
Ik ben blij dat je hier bent, blij dat je hier bent

Ik ben blij dat je hier bent
Ik ben blij dat je hier bent
Ik ben blij dat je hier bent

Wij zitten hier in het gammele strandhuis
Maakte me toch al nooit uit waar we waren

We verzuipen onszelf in de drank van je vader
Ik ben blij dat je hier bent, blij dat je hier bent

Allemaal - Wim Soutaer

Veel te vaak gezworven
In het holst van de nacht
Mezelf te vaak bedrogen
Te veel afgewacht
Maar genoeg is genoeg
Dit wil ik niet meer
Dit wordt voor ons
De ommekeer
Overal gekeken en
Overal gezocht
Alles vergeleken en

Alles terug verkocht
Maar genoeg is genoeg
Dit wil ik niet meer
Dit wordt voor ons
De ommekeer

[Refrein]

We gaan dansen in de zon
Baden in het licht
Ja, we omarmen het leven
Met een lach op ons gezicht

We komen samen
In hetzelfde verhaal
En genieten van het leven
Allemaal

Eindelijk de wereld waarvan ik heb gedroomd
Eindelijk die eindeloze strijd die wordt beloond
En ik zie het nu weer
Alles komt goed
We gaan een gouden tijd tegemoet

[Refrein]
We gaan dansen in de zon
Baden in het licht
Ja, we omarmen het leven
Met een lach op ons gezicht
We komen samen
In hetzelfde verhaal
En genieten van het leven
Allemaal

Dit is de dag
Dit is het moment
Waar iedereen zich in herkent
Dit is het vuur dat in ons brand

We gaan dansen in de zon
Baden in het licht
Ja, we omarmen het leven

We gaan dansen in de zon
Baden in het licht
Ja, we omarmen het leven
Met een lach op ons gezicht
We komen samen
In hetzelfde verhaal
En genieten van het leven
Ja, we gaan dansen in de zon
Baden in het licht
Ja we omarmen het leven
Met een lach op ons gezicht
We komen samen
In hetzelfde verhaal
En genieten van het leven
Ja, we genieten van het leven
Allemaal, allemaal, allemaal, allemaal

Heist Aan Zee - Bart Peeters

Hmmm...

Toen ik nog boeken las en fietste op de dijk
Dacht ik dat geluk content zijn was en verder geen
gezeik
We speelden frisbee in de zee en vroegen nooit
waarom
Pinokkio was ook verbaasd toen hij in die walvis
zwom

En de meeuwen meeuwden statig de golven
golfden naar het strand
En nokel Luk zwom regelmatig over en weer naar
Engeland

Hmmm...

Toen we Luikse wafels aten onlangs in Heist aan Zee
De kinderen in zo'n gocart zaten bejaarden
ramden met wind mee
En de zee haar grijze zelf was dacht ik dit is het dit is
af
Waarna de jongste in haar broek deed en de
oudste overgaf

En de meeuwen meeuwden statig de golven
golfden naar het strand
En we zwommen regelmatig over en weer naar
Engeland

Hmmm...

En de meeuwen meeuwden statig de golven
golfden naar het strand
En ik lieg nog regelmatig over zwemmen naar
Engeland

Hmmm...

Ik Neem Je Mee - Gers Pardoel

Ze denkt dat ik niet bezig ben (met haar)

Denkt dat ik geen gevoelens heb (voor haar)

Terwijl ik nu alleen maar denk (aan haar)

Want zij is heel mijn wereld

Zeg je wat je wil dan

Staren word ik stil van

Zeg me wat je wil dan

Staren word ik stil van

We waren pas 8

Zat in de klas

Naast Thomas en Willem

Voor Mark en Bas

Jij zat voor in, keek achterom

Ik stuurde je briefjes en vroeg je waarom

Je stuurde me terug

Ik vind je lief, zit op een wolk en ik ben verliefd

10 jaren later waren we samen

Ik was een jongentje jij al een dame

Wist het wel zeker jij bent de ware

Niemand waar ik nou zo lang naar kon staren

Soms is het erg maar dit is beperkt

Voor jou ben ik Gerwin en Gers is het merk

Ik neem je mee, neem je mee op reis

Neem je mee, naar Rome of Parijs

Ik lijk misschien wel cool tot dat je weet wat ik nu

voel

Jij klinkt als muziek dus laat je zien wat ik bedoel

Ik neem je mee ee-eh-eh-eeee

Ik neem je mee ee-eh-eh-eeee

Ik denk aan haar en zij denkt aan mij

Jij bent te druk is wat ze me zei

Ze wil met me shoppen, en samen uit eten

Wil naar de bios en wil met me daten

Maar ik wil muziek en geld op de bank

Al me fans die wachten al lang

Ik wil een toekomst opbouwen met haar

2 kids een huis met een tuin aan het water

Hond of kater wat jij wil

Maar blijf nou niet staren want dan word ik stil

Doe dit voor ons en werk dus hard

Want ik hou van jou met heel m'n hart

Ik neem je mee, neem je mee op reis

Neem je mee, naar Rome of Parijs

Ik lijk misschien wel cool tot dat je weet wat ik nu
voel

Jij klinkt als muziek dus laat je zien wat ik bedoel

Ik neem je mee ee-eh-eh-eeee

Ik neem je mee ee-eh-eh-eeee

Ze denkt dat ik niet bezig ben (met haar)

Denkt dat ik geen gevoelens heb (voor haar)

Terwijl ik nu alleen maar denk (aan haar)

Want zij is heel mijn wereld

Zeg je wat je wilt dan

Staren word ik stil van

Zeg me wat je wilt dan
Staren wordt ik stil van

Ik neem je mee, neem je mee op reis
Neem je mee, naar Rome of Parijs
Ik lijk misschien wel cool tot dat je weet wat ik nu
voel

Jij klinkt als muziek dus laat je zien wat ik bedoel
Ik neem je mee ee-eh-eh-eeee
Ik neem je mee ee-eh-eh-eeee
Ik neem je mee ee-eh-eh-eeee
Ik neem je mee ee-eh-eh-eeee

Vrolijke vrienden - Samson En Gert
refrein 2x

vrolijke vrolijke vrienden
vrolijke vrienden dat zij wij

als wij samen gaan kamperen
naar het bos of naar de hei
dan klinkt het wel duizend keren
vrolijke vrienden
dat zijn wij

refrein 2x

's morgens komt de zon ons wekken
en vogels zingen blij
wij gaan de natuur ontdekken

in de duinen bos en hei

refrein 2x

twee of drie die koken het eten
brengen lekkere dingen mee
er is iets wat wij wel weten
wie op kamp is eet voor twee

refrein 2x

en gaat stil de avond komen
zingen dansen wij bij 't vuur
tot wij in de tent gaan dromen
in het late late uur

refrein 3x

Afscheid - Volumbia!

Altijd bij elkaar
M'n armen om je heen
M'n aller grootste liefde
Dat wist ik echt meteen
De allerlaatste weken, de dagen gingen snel
dichtbij komt het afscheid,
moeilijk wordt het wel

zeg dat je niet hoeft te gaan schat
dat je aan mij echt genoeg had,
zeg dat je niet hoeft te gaan schat

ga schat, want je moet
ik weet je moet

Als het even kon dan, bleef ik nog een nacht bij jou
Als het even kon dan, bleef ik nog een nacht bij jou
dan zou ik zeggen dat ik op je wacht
en dat de toekomst naar ons lacht
dan zou ik zeggen voor de zoveelste keer,
ik wil geen ander nooit meer

De koffers staan al buiten
de achterklep slaat dicht
een laatste lange kus
in het vroege ochtendlicht
Je kijkt me liefjes aan
en pakt me stevig beet
Ik fluister in je oor dat ik je niet vergeet
zeg dat je niet hoeft te gaan schat
dat je aan mij echt genoeg had,
zeg dat je niet hoeft te gaan schat
ga schat want je moet
ik weet je moet

Als het even kon dan, bleef ik nog een nacht bij jou
Als het even kon dan, bleef ik nog een nacht bij jou
dan zou ik zeggen dat ik op je wacht
en dat de toekomst naar ons lacht
dan zou ik zeggen voor de zoveelste keer,
ik wil geen ander nooit meer

Nooit meer zal ik voelen wat ik voel voor jou
ik hoop dat ik kan leven zonder jou
kom ga nu maar, veeg je tranen weg, en onthou
heel goed
dat ik van je hou, van je hou

NEE NEE NEE; je hoeft niet te gaan schat, NEE!
NEE NEE NEE, Je hoeft niet te gaan schat, NEE!

Rood - Marco Borsato

Rood is al lang het rood niet meer
Het rood van rode rozen
De kleur van liefde van weleer
Lijkt door de haat gekozen

Dat mooie rood was ooit voor mij
Een kleur van passie en van wijn
Ik wil haar terug, die mooie tijd
Maar zij lijkt lang vervlogen

En alle beelden op tv
Van bloed en oorlog om ons heen
Werken daar ook niet echt aan mee

Dus ik neem heel bewust het besluit
De krant leg ik weg
En de tv gaat uit

Vandaag is rood de kleur van jouw lippen
Vandaag is rood wat rood hoort te zijn
Vandaag is rood
Het rood van rood wit blauw
Van heel mijn hart voor jou

Schreeuw van de roodbedekte daken dat ik van je
hou Vandaag is rood gewoon weer liefde tussen
jou en mij

Ik loop de deur door en naar buiten waar de zon
begint te schijnen

Laat alles achter, kijk vooruit en met mijn laatste
rooie cent

Koop ik een veel te grote bos met honderdvijftig
rode rozen

Een voor elk jaar waarvan ik hoop dat jij nog bij me
bent

Vandaag is rood de kleur van jouw lippen

Vandaag is rood wat rood hoort te zijn

Vandaag is rood

Het rood van rood wit blauw

Van heel mijn hart voor jou

Schreeuw van de roodbedekte daken dat ik van je
hou Vandaag is rood gewoon weer liefde tussen
jou en mij

En nu sta je hier zo voor me

De rode avondzon streelt jouw gezicht

Je bent een wonder voor me

Denk ik, terwijl een doorn mijn vinger prikt

Rood is mijn bloed dat valt op de grond

En even lijk ik verloren

Maar jij brengt mijn vingers naar je mond

En je kust ze
En ik weet

Vandaag is rood de kleur van jouw lippen
Vandaag is rood wat rood hoort te zijn
Vandaag is rood
Het rood van rood wit blauw
Van heel mijn hart voor jou
Schreeuw van de roodbedekte daken dat ik van je
hou Vandaag is rood gewoon weer liefde tussen
jou en mij

Vandaag... is rood

Gooi de looper uit
En drink een goed glas wijn
Pluk de dag want het kan zo ineens de laatste zijn
Vandaag is rood gewoon weer liefde tussen jou en
mij

Vandaag staat rood weer voor de liefde
Tussen jou en mij

Domino -Clouseau

't Is niet zo lang geleden.
Maar 't lijkt een ver verleden.
Ze heette Domino.
Of ze noemde zich zo.
En zij had in haar ogen.
Het blauw van regenbogen.

Ze hield niet van Clouseau.
Wel van Mozart en zo.
En bij het ochtendgloren.
Was ik al lang verloren.
Het was echt goed raak.
Ik heb een vreemde smaak.

Ze is niet lang gebleven.
Heeft geen adres gegeven.
Ze heette Domino.
Domino of zo.

Ze hield van verre landen.
Van godverlaten stranden.
Van wachten op Godot.
Zij had cultuur en zo.
Er was iets in haar haren.
't Is moeilijk te verklaren.
Het leek wel maneschijn.
't Moet mijn verbeelding zijn.

Dan zei ze ik vergeet je.
Ze lachte zelfs een beetje.
Je komt er wel doorheen.
Jij redt het wel alleen.
't Was hard om te verduren.
Maar 'k ging door heter vuren.

Ze heette Domino.
Domino of zo.

Want zij had in haar ogen.
Het blauw van regenbogen.
Ze hield niet van Clouseau.
Wel van Mozart en zo.
Er was iets in haar haren.
't Is moeilijk te verklaren.
Leek wel maneschijn.
Moet mijn verbeelding zijn .
Ze zeggen dat ik taai ben.
Dat ik een echte haai ben.
Het lijkt alleen maar zo.

Vraag maar aan Domino.
Ik heb in heel mijn leven.
Om niemand veel gegeven.
Maar wel om Domino.
Domino of zo.

Jij bent de bom – K3

Wat een mooie tijd, alle meisjes bij elkaar.
Elke jongen in gevaar, ik draai me om en staar.
Elke mooie meid, kijkt je aan en weet meteen.
Jij bent echt de nummer één!
Ik smeeek je, kijk hier heen.
Wordt het tik tak, tik tak ja of nee, yeah!
'K voel de seconden tikken in mijn lijf.
Wordt het tik tak, tik tak ja of nee, yeah!
We staan te dansen op de nieuwste schijf.
Want m'n hart staat op springen, en ik weet niet
waarom.
Jij bent de allermooiste, jij bent de bom!
Mijn hart ontploft, toe zeg me waarom.
Jij bent de allermooiste, jij bent de bom!

Wat een mooie tijd alle meisjes op een rij.
Misschien kies je wel voor mij?
Niemand was ooit zo blij!
Elke mooie meid, met de handen in de lucht.
Oh, wat ben ik opgelucht, als jij mijn naam straks
zucht.
Wordt het tik tak, tik tak ja of nee, yeah!
'K voel de de seconden tikken in mijn lijf.
Wordt het tik tak, tik tak ja of nee, yeah!
We staan te dansen op de nieuwste schijf.
Want m'n hart staat op springen, en ik weet niet
waarom.

Jij bent de allermooiste, jij bent de bom!
Mijn hart ontploft, toe zeg me waarom.
Jij bent de allermooiste, jij bent de bom!
Ik sta op springen, en ik weet niet waarom.
Jij bent de allermooiste, jij bent de bom!
Mijn hart ontploft, toe zeg me waarom.
Jij bent de allermooiste, jij bent de bom!

Elke vriend en vriendin, houdt de adem in.
En de tijd blijft plots stilstaan.
Ben voor jou gezwicht, met m'n ogen dicht.
En plots fluister je mijn naam.

Wordt het tik tak, tik tak ja of nee, yeah!
Nee, ik geloof m'n eigen oren niet.
Wordt het tik tak, tik tak ja of nee, yeah!
Ik schreeuw het uit, verberg m'n tranen niet.
Want m'n hart staat op springen, en ik weet niet
waarom.

Jij bent de allermooiste, jij bent de bom!
Mijn hart ontploft, toe zeg me waarom.
Jij bent de allermooiste, jij bent de bom!
Ik sta op springen, en ik weet niet waarom.
Jij bent de allermooiste, jij bent de bom!
Mijn hart ontploft, toe zeg me waarom.
Jij bent de allermooiste, jij bent de bom!

Jong - Spring

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
En dat is vooral, alles wat niet mag

De kaarten zijn nog niet verdeelt,
Het spel wordt nu nog niet gespeelt.
Ik kan nog alle kanten uit,
Ik spring erin, m'n voeten vooruit.

Het land des tijds heeft nog geen vat
Wie houdt me tegen wie doet me wat
Ik heb de toekomst in m'n hand
Het is een vuur dat in me brand

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
Ik pluk de dag

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
En dat is vooral, alles wat niet mag

De zorgen zijn niet voor vandaag,
De hele wereld draait te traag.
De blikken zijn op mij gericht,
Ik volg de weg, m'n ogen dicht.

Ik weet niet veel maar wel genoeg
Voor levens vragen veel te vroeg
Ik heb de toekomst in m'n hand
Het is een vuur dat in me brand

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
Ik pluk de dag

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
En dat is vooral, alles wat niet mag

De wilde haren nog niet kwijt
Genieten van mijn jeugdigheid
gewoon mijn gang gaan elke dag
en blij zijn dat ik leven mag

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
Ik pluk de dag

Ik ben jong
De wereld ligt aan m'n voeten
Het leven wil mij ontmoeten
Ik doe wat ik wil
En dat is vooral..... IK BEN JONG

[Zeil je voor het eerst - Bart kaell](#)

Ze zeiden hou je van zeilen,
je mag een keer met ons mee.
Ik wist nog niets van dat zeilen,
maar zei natuurlijk niet nee.
Weldra stond ik voor het eerst aan dek,
verstrikt in alle touwen tot aan mijn nek.
Ik wist nog niets van dat zeilen,
ik stond volkomen voor gek.

Zeil je voor het eerst dan sla je een flater
trek het je niet aan ga door want later
geniet je des te meer
van wind en van water
van wind en van water

van water en wind.

We zeilden weg van de steiger,
het avontuurtje begon
ik zag een roeier, een reiger,
en zat zo fijn in de zon.
Tien minuten later sloeg ik overboord,
want ik had nog nooit van overstag gehoord.
Ik wist nog niets van dat zeilen,
Alweer een foutje gescoord.

Zeil je voor het eerst dan sla je een flater
trek het je niet aan ga door want later
geniet je des te meer
van wind en van water
van wind en van water
van water en wind.

We zeilden uren en uren,
met dat vertrouwde geklots.
Ik mocht ook heel even sturen
En was verschrikkelijk trots.
De mast naast de vriendelijk zon stond hoog
En het was een weldaad voor een zeemansoog.
Ik wist nog niets van dat zeilen,
maar was al bijna weer droog.

Zeil je voor het eerst dan sla je een flater
trek het je niet aan ga door want later

geniet je des te meer
van wind en van water
van wind en van water
van water en wind.

Goud- Bazar

Eén dans, geef me één dans met de duivel
Geen kans, er is geen kans op nog twijfel

Oh liever snel naar de hel, dan traag naar de
hemel

Oh liever snel naar de hel, dan traag naar de
hemel

Meevalt, als het meevalt op het einde
Oh geloof mij, elk feest duurt hier oneindig

Ik zie goud aan de rand van de zon
Ik ben te oud om te weten waarom
Mijn trein op het foute perron
Mijn trein zoekt nieuwe wagon

Oh liever snel naar de hel, dan traag naar de
hemel

Oh liever snel naar de hel, dan traag naar de
hemel

Neen dan, liever niet voorgoed verdwijnen

Oh alles wat ooit groot was, is nu kleiner

Ik zie goud aan de rand van de zon
Ik ben te oud om te weten waarom
Mijn trein op het foute perron
Mijn trein zoekt nieuwe wagon

Oh liever snel naar de hel, dan traag naar de
hemel
Liever snel naar de hel, dan traag naar de hemel
Oh liever snel naar de hel, dan traag naar de
hemel
Oh liever snel naar de hel, dan traag naar de
hemel

Blijven Slapen - Maan

Wat doe ik mezelf aan?
Dat ene jurkje aangedaan
Ik ben te vroeg van huis vertrokken
Dat is hoe het gaat
En doe ik dan hetzelfde aan?
Casual chic, of is dat hem net niet?
En hoe laat gaat de laatste trein nog?
Ik ben morgen en vandaag nog vrij
Maar ben je wel gemaakt voor mij?

Hoe zou het zijn?
Smaakt het naar meer of twijfel ik weer?

Kom ik nog thuis of blijf ik slapen?
Zo zijn er nog wel duizend vragen
Ik heb mijn ondergoed, mijn tandenborstel
Luchtje en mijn lader
Want waarschijnlijk blijf ik slapen
En slapen doen we niet, nooit, nauwelijks
Wij gaan iets opbouwen
En waarschijnlijk blijf ik slapen

Eén date, twee uur, drie gangen later
Ik weet niet wat het is, maar je raakt me
En als we straks alleen zijn in je kamer
Gaan we de lakens in, schat, het verbaast me

Dat het echt zo gaat, wie had dat nou gedacht?
En ben je net zo klaar voor de volgende stap?
En wordt de nacht steeds langer met de kortere
dag
Ik ben op mijn gemak, ik heb op je gewacht, ey

Hoe zou het zijn?
Smaakt het naar meer of twijfel ik weer?

Kom ik nog thuis of blijf ik slapen?
Zo zijn er nog wel duizend vragen
Ik heb mijn ondergoed, mijn tandenborstel
Luchtje en mijn lader
Want waarschijnlijk blijf ik slapen
En slapen doen we niet, nooit, nauwelijks

Wij gaan iets opbouwen
En waarschijnlijk blijf ik slapen
En slapen doen we niet, nooit, nauwelijks
Wij gaan iets opbouwen
En waarschijnlijk blijf ik slapen

Als ik slaap bij jou, als je slaapt bij mij
Raak ik nooit mijn wilde haren kwijt
Ik grijns naar jou als je naar me kijkt
Het lijkt te mooi om waar te zijn
En waarschijnlijk blijf ik slapen

Ik kom niet thuis, ik blijf hier slapen
Er is een plekje in jouw kamer
Voor mijn ondergoed, mijn tandenborstel
Luchtje en mijn lader
Want ik slaap hier vast nog vaker

Als Het Avond Is - Suzan en Freek

Soms voel ik me slecht
Dat je niet zo vaak meer echt praten wil
Dan mis ik de tijd
Dat ik kwaad op je kon zijn
Nu is het stil
Met het vallen van de nacht
Fluister ik nu zacht
Hoor je mij misschien?

Ik weet gewoon niet hoe,
Bij alles wat ik doe

Ik kan het niet hebben als het avond is
Oh want 's avonds mis ik je vaak
Je weet dat ik niet luister als je praat als dit
En me raakt als dit en dan gaat
Zeg me dat het goed komt
Geef me stukjes toekomst
Of moet ik je maar laten gaan?
Ik kan het niet hebben als het avond is,
Ik heb je vaak gemist inderdaad

Nu sta je hier weer voor me
Ik twijfel geen seconde
Voel jij dit ook?
Jouw hand in de mijne
Of is dit te weinig om door te gaan?
Bij alles wat je zegt
Ik voel niet dat je vecht
Is dit klaar misschien?

Ik weet gewoon niet hoe
Bij alles wat ik doe

Ik kan het niet hebben als het avond is
Oh want 's avonds mis ik je vaak
Je weet dat ik niet luister als je praat als dit
En me raakt als dit en dan gaat

Zeg me dat het goed komt
Geef me stukjes toekomst
Of moet ik je maar laten gaan?
Ik kan het niet hebben als het avond is,
Ik heb je vaak gemist inderdaad

Ik kan het niet hebben als het avond is
Oh want 's avonds mis ik je vaak
Ik kan het niet hebben als het avond is
Ik heb je vaak gemist inderdaad

Verover mij - Niels Destadsbader

Dit is voor het leven voor altijd
Mijn ja woord aangegeven 'k wil je nooit meer kwijt
Wat wil ik graag je man zijn
Beloof eeuwige trouw
Lief was je altijd straks ben je ook mn vrouw

Ik zal altijd naast je staan
Kan met jou de wereld aan
Ja geloof me ik beloof je ik zal er zijn
Voor altijd sta ik aan je zij want
Je gelooft in mij

Samen onderweg met jou
De bestemming onbekend
Maar ik voel me veilig zolang jij maar bij me bent
En raken we de weg een keertje kwijt
Ik volg mn hart ik heb geen spijt

Slapen doen we niet vannacht
Hoe je stiekem naar me lacht
Wat je voelt verwacht bedoelt vannacht
Als je me veel vragend in de ogen kijkt
Ja verover mij

Want als je mij kust voel ik mij gerust
Sluit ik mn ogen en dan zweef ik beef ik
Leef ik weet ik dat je van me houdt

O verover, o verover
O verover, o verover
O verover mij

O verover, o verover
O verover, o verover
O verover mij

Weet je nog de tijd toen we begon
K's Choice klonk door de boxen
Toen ik voor je zong
Dat ik in ons geloofde
Touched the fingers of my hand
Dat ik hier sta en jij mn vrouw bent

Ik zal altijd naast je staan
Kan met jou de wereld aan
Ja geloof me ik beloof je

Ik zal er zijn voor altijd sta ik aan je zij
Want je gelooft in mij

Je gelooft in mij
Je gelooft in mij

[Dromen Zijn Bedrog - Marco Borsato](#)

Steeds als ik je zie lopen
dan gaat de hemel een klein beetje open.
Sterren, je laat ze verbleken
met je ogen die altijd stralen.

Jij kan de zon laten schijnen
want je loopt langs en de wolken verdwijnen
en als je lacht, lacht heel de wereld mee.

De meeste dromen zijn bedrog
maar als ik wakker wordt naast jou dan droom ik
nog.

Ik voel je adem en zie je gezicht
je bent een droom die naast me ligt.
Je kijkt me aan en rekt je uit
een keer in de zoveel tijd komen dromen uit!

Jij moet me een ding beloven
laat me nog lang in mijn dromen geloven.
Zelfs als je even niet hier bent
blijf in mijn slaap dan bij me.

En als de zon weer gaat schijnen
laat dan dat beeld wat ik heb niet verdwijnen.
Als je zou gaan neem je mijn dromen mee.

De meeste dromen zijn bedrog
maar als ik wakker wordt naast jou dan droom ik
nog.

Ik voel je adem en zie je gezicht
je bent een droom die naast me ligt.
Je kijkt me aan en rekt je uit
een keer in de zoveel tijd komen dromen uit!

Ooh jij kan de zon laten schijnen
want je loopt langs en de wolken verdwijnen.
En als je lacht, lacht heel de wereld mee.

De meeste dromen zijn bedrog
maar als ik wakker wordt naast jou dan droom ik
nog.

Ik voel je adem en zie je gezicht
je bent een droom die naast me ligt.
Je kijkt me aan en rekt je uit
zo een keer in de zoveel tijd komen dromen uit!

Je kijkt me aan en rekt je uit
een keer in de zoveel tijd komen dromen uit!

De meeste dromen zijn bedrog
maar als ik wakker wordt naast jou dan droom ik
nog.

Ik voel je adem en zie je gezicht
je bent een droom die naast me ligt.
Je kijkt me aan en rekt je uit
een keer in de zoveel tijd komen dromen uit!

Oldies but Goldies

Summer Of '69 - Bryan Adams

I got my first real six-string
Bought it at the five-and-dime
Played it till my fingers bled
It was the summer of '69

Me and some guys from school
Had a band and we tried real hard
Jimmy quit and Jody got married
I shoulda known we'd never get far
Oh when I look back now
That summer seemed to last forever
And if I had the choice
Ya - I'd always wanna be there
Those were the best days of my life

Ain't no use in complainin'
When you got a job to do
Spent my evenin's down at the drive-in
And that's when I met you

Standin' on your mama's porch
You told me that you'd wait forever
Oh and when you held my hand
I knew that it was now or never
Those were the best days of my life

Back in the summer of '69

Man we were killin' time
We were young and restless

We needed to unwind
I guess nothin' can last forever - forever, no
And now the times are changin'
Look at everything that's come and gone
Sometimes when I play that old six-string
I think about ya wonder what went wrong
Standin' on your mama's porch
You told me it would last forever
Oh the way you held my hand
I knew that it was now or never
Those were the best days of my life
It was the summer of '69
It was the summer of '69
Met my baby in '69
That's the whole story right there!
It was the summer
It was the summer
Yeah, summer of '69

Angels -Robbie Williams

I sit and wait

Does an angel contemplate my fate

And do they know

The places where we go

When we're grey and old

'Cause I have been told

That salvation lets their wings unfold

So when I'm lying in my bed

Thoughts running through my head

And I feel the love is dead

I'm loving angels instead

And through it all she offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call, she won't forsake me

I'm loving angels instead

When I'm feeling weak

And my pain walks down a one way street

I look above

And I know I'll always be blessed with love

And as the feeling grows

She breathes flesh to my bones

And when love is dead

I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead
And through it all she offers me protection
A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call, she won't forsake me
I'm loving angels instead

Californication - Red Hot Chili Peppers

Psychic spies from China try to steal your mind's
elation
And little girls from Sweden dream of silver screen
quotation
And if you want these kind of dreams it's
Californication
It's the edge of the world and all of Western
civilization

The sun may rise in the East at least it's settled in a final location

It's understood that Hollywood sells Californication

Marry me, girl, be my fairy to the world, be my very own constellation

A teenage bride with a baby inside getting high on information

And buy me a star on the boulevard, it's Californication

Space may be the final frontier but it's made in a Hollywood basement

And Cobain can you hear the spheres singing songs off Station To Station?

And Alderaan's not far away, it's Californication

[Take Me Home Country Roads - John Denver](#)

Almost heaven, West Virginia

Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees
Younger than the mountains, growin' like a breeze

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

I hear her voice in the mornin' hour, she calls me
The radio reminds me of my home far away
Drivin' down the road, I get a feelin'
That I should've been home yesterday, yesterday

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Take me home, (down) country roads
Take me home, (down) country roads

Heaven - Bryan Adams

Oh thinkin' about all our younger years
There was only you and me
We were young and wild and free
Now nothing can take you away from me
We've been down that road before
But that's over now
You keep me comin' back for more

Baby you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
And I found it there in your heart
Isn't too hard to see
We're in heaven

Oh once in your life you find someone
Who will turn your world around
Bring you up when you're feelin' down
Yeah nothin' can change what you mean to me
Oh there's lots that I could say
But just hold me now
'Cause our love will light the way
And baby you're all that I want
When you're lyin' here in my arms

I'm findin' it hard to believe
We're in heaven
Yeah love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

I've been waitin' for so long
For somethin' to arrive
For love to come along
Now our dreams are comin' true
Through the good times and the bad
Yeah I'll be standin' there by you, oh!

And baby you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
And I found it there in your heart
Isn't too hard to see
We're in heaven, heaven
Whoa, oh, oh!

You're all that I want
You're all that I need

A Thousand Miles - Vanessa Carlton

Making my way downtown

Walking fast, faces pass and I'm homebound

Staring blankly ahead

Just making my way

Making a way through the crowd

And I need you

And I miss you

And now I wonder

If I could fall into the sky

Do you think time would pass me by?

'Cause you know I'd walk a thousand miles

If I could just see you tonight

It's always times like these when I think of you

And wonder if you ever think of me

'Cause everything's so wrong, and I don't belong

Living in your precious memory

'Cause I need you

And I miss you

And now I wonder

If I could fall into the sky

Do you think time would pass me by?

Oh, 'cause you know I'd walk a thousand miles

If I could just see you tonight

And I, I don't wanna let you know

I, I drown in your memory

I, I don't wanna let this go
I, I don't

Making my way downtown
Walking fast, faces pass and I'm homebound
Staring blankly ahead, just making my way
Making a way through the crowd

And I still need you
And I still miss you
And now I wonder

If I could fall into the sky
Do you think time would pass us by?
'Cause you know I'd walk a thousand miles
If I could just see you, oh-oh

If I could fall into the sky
Do you think time would pass me by?
'Cause you know I'd walk a thousand miles
If I could just see you
If I could just hold you tonight

Drops of Jupiter (Tell Me) - Train

Now that she's back in the atmosphere

With drops of Jupiter in her hair

He-e-ey

She acts like summer and walks like rain

Reminds me that there's a time to change

He-e-ey

Since the return from her stay on the moon

She listens like spring and she talks like June

He-e-ey

He-e-ey

But tell me, did you sail across the sun?

Did you make it to the Milky Way to see the lights all
faded

And that Heaven is overrated?

Tell me, did you fall for a shooting star?

One without a permanent scar and did you miss
me

While you were looking for yourself out there?

Now that she's back from that soul vacation

Tracing her way through the constellation

He-e-ey

She checks out Mozart while she does Tae-Bo

Reminds me that there's room to grow

He-e-ey

Now that she's back in the atmosphere

I'm afraid that she might think of me as

Plain ol' Jane told a story about a man
Who was too afraid to fly so he never did land
But tell me, did the wind sweep you off your feet?
Did you finally get the chance to dance along the
light of day
And head back to the Milky Way?
And tell me, did Venus blow your mind?
Was it everything you wanted to find? And then
you miss me
While you were looking for yourself out there
Can you imagine no love, pride, deep-fried
chicken
Your best friend always sticking up for you
Even when I know you're wrong?
Can you imagine no first dance
Freeze-dried romance
Five-hour phone conversation
The best soy latte that you ever had
And me?

But tell me, did the wind sweep you off your feet?
Did you finally get the chance to dance along the
light of day
And head back toward the Milky Way?
But tell me, did you sail across the sun?
Did you make it to the Milky Way? To see the lights
all faded
And that Heaven is overrated?
And tell me, did you fall for a shooting star?

One without a permanent scar, and then you miss
me

While you were looking for yourself?

Na, na, na, na, na, na

Na, na, na, na, na, na

And did you finally get the chance

To dance along the light of day?

Na, na, na, na, na, na

Na, na, na, na, na, na

And did you fall for a shooting star?

Fall for a shooting star?

Na, na, na, na, na, na

Na, na, na, na, na, na

And are you lonely looking for yourself out there?

Wonderwall - Oasis

Today is gonna be the day

That they're gonna throw it back to you

By now you should've somehow

Realized what you gotta do

I don't believe that anybody

Feels the way I do about you now

Backbeat, the word is on the street

That the fire in your heart is out

I'm sure you've heard it all before

But you never really had a doubt

I don't believe that anybody
Feels the way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I
Would like to say to you but I don't know how

Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
I don't believe that anybody
Feels the way I do about you now

And all the roads that lead you there were winding
And all the lights that light the way are blinding
There are many things that I
Would like to say to you but I don't know how

I said maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

I said maybe (I said maybe)
You're gonna be the one that saves me

And after all
You're my wonderwall
I said maybe (I said maybe)
You're gonna be the one that saves me (saves me)
You're gonna be the one that saves me (that saves me)
You're gonna be the one that saves me (that saves me)

I'll Be There for You - The Rembrandts

So no one told you life was gonna be this way
Your job's a joke, you're broke
Your love life's DOA
It's like you're always stuck in second gear
When it hasn't been your day, your week, your month
Or even your year, but
I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)
You're still in bed at ten
And work began at eight
You've burned your breakfast
So far, things are going great
Your mother warned you there'd be days like these

But she didn't tell you when the world has brought
You down to your knees that

I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)

No one could ever know me
No one could ever see me
Seems you're the only one who knows
What it's like to be me
Someone to face the day with
Make it through all the rest with
Someone I'll always laugh with
Even at my worst, I'm best with you, yeah

It's like you're always stuck in second gear
When it hasn't been your day, your week, your
month

Or even your year

I'll be there for you
(When the rain starts to pour)
I'll be there for you
(Like I've been there before)
I'll be there for you
('Cause you're there for me too)

I'll be there for you
I'll be there for you
I'll be there for you
('Cause you're there for me too)

She Goes Nana - The Radios

She's like a rainbow
Sways while she glows
Moves like a river
Turns while she flows, uuh yeah

And then she steals your heart away
She's taking it all someday I'll make her mine, yeah
You look into her angel eyes
The cherry red sun will rise and love will shine

When she goes nana nana, nana nana
Colors will keep on turning
Shimmering by like a rain butterfly
Cruising the blue blue sky
Ooh, she

Shines like a flower
Fades while she grows, uuh yeah
And then she wipes your tears away

Holding your hand someday like lovers do, oohhh
You hesitate another while
Showing her magic smile and dreams come true

When she goes nana nana, nana nana
Colors will keep on turning
Shimmering by like a rain butterfly
Cruising the blue blue sky

When she goes nana nana, nana nana
Colors will keep on turning
Shimmering by like a rain butterfly
Cruising the blue blue sky

She's on the run
Flies on and on
She's cruising the sky my friend
And in the end she goes
She goes nanana

Nana nana, nana nana
Colors will keep on turning
Shimmering by like a rain butterfly
Cruising the blue blue sky

When she goes nana nana, nana nana
Colors will keep on turning
Shimmering by like a rain butterfly
Cruising the blue blue sky...

Don't stop believin - Journey

Just a small town girl
Livin' in a lonely world
She took the midnight train goin' anywhere
Just a city boy
Born and raised in South Detroit
He took the midnight train goin' anywhere

A singer in a smokey room
The smell of wine and cheap perfume
For a smile they can share the night
It goes on and on, and on, and on

Strangers, waitin'
Up and down the boulevard
Their shadows
Searchin' in the night
Streetlights, people
Livin' just to find emotion
Hidin' somewhere in the night

Workin' hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice
Just one more time
Some will win
Some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on, and on, and on

Strangers waitin'
Up and down the boulevard
Their shadows
Searchin' in the night
Streetlights, people
Livin' just to find emotion
Hidin' somewhere in the night

Don't stop believin'
Hold on to that feelin'
Streetlight, people
Don't stop, believin'
Hold on
Streetlights, people

Don't stop believin'
Hold on to that feelin'
Streetlight, people

[Zombie - The Cranberries](#)

Another head hangs lowly
Child is slowly taken
And the violence caused such silence
Who are we mistaken?

But you see, it's not me, it's not my family
In your head, in your head they are fighting
With their tanks, and their bombs, and their bombs,
and their guns
In your head, in your head they are crying

In your head, in your head
Zombie, zombie, zombie-ie-ie
What's in your head? In your head?
Zombie, zombie, zombie-ie-ie-ie, oh

Another mother's breaking
Heart is taking over
When the violence causes silence
We must be mistaken

It's the same old theme, since nineteen-sixteen
In your head, in your head they're still fighting
With their tanks, and their bombs, and their bombs,
and their guns
In your head, in your head they are dying

In your head, in your head
Zombie, zombie, zombie-ie-ie
What's in your head? In your head?
Zombie, zombie, zombie-ie-ie-ie, oh
Oh-oh-oh-oh-oh-oh-oh, eh-eh-oh, ra-ra

[Jolene - Dolly Parton](#)

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green
Your smile is like a breath of spring

Your voice is soft like summer rain
And I cannot compete with you
Jolene

He talks about you in his sleep
And there's nothing I can do to keep
From crying when he calls your name
Jolene

And I can easily understand
How you could easily take my man
But you don't know what he means to me
Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

You could have your choice of men
But I could never love again
He's the only one for me
Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do
Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene

Please don't take him even though you can

I'm Yours - Jason Mraz

Well, you done done me and you bet I felt it
I tried to be chill, but you're so hot that I melted
I fell right through the cracks

Now I'm trying to get back
Before the cool done run out
I'll be giving it my bestest
And nothing's gonna stop me but divine
intervention

I reckon it's again my turn
To win some or learn some

But I won't hesitate no more, no more
It cannot wait, I'm yours
Hmm (hey, hey)

Well, open up your mind and see like me
Open up your plans and, damn, you're free
And look into your heart, and you'll find love, love,
love, love

Listen to the music of the moment, people dance
and sing

We're just one big family
And it's our God-forsaken right to be loved, loved,
loved, loved, loved

So I won't hesitate no more, no more
It cannot wait, I'm sure

There's no need to complicate
Our time is short
This is our fate, I'm yours

Do, do, do, do you, but do you, do you, do, do, but
do you want to come on?

Scooch on over closer, dear

And I will nibble your ear

A-soo-da-ba-ba-ba-ba-bum

Whoa-oh-oh

Whoa-oh-oh-oh-oh-whoa-whoa-whoa

Uh-huh, mmm-hmm

I've been spending way too long checking my
tongue in the mirror

And bending over backwards just to try to see it
clearer

But my breath fogged up the glass

And so I drew a new face and I laughed

I guess what I've been saying is there ain't no better
reason

To rid yourself of vanities and just go with the
seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait, I'm yours

Well, open up your mind and see like me

Open up your plans and, damn, you're free

And look into your heart, and you'll find that the sky
is yours

So please don't, please don't, please don't

There's no need to complicate

'Cause our time is short

This, oh this, this is our fate, I'm yours

Oh, I'm yours

Oh, I'm yours

Oh, whoa, baby, do you believe I'm yours?

You best believe, you best believe I'm yours, mmm-
hmm

Hey Jude - The Beatles

Hey Jude, don't make it bad.

Take a sad song and make it better.

Remember to let her into your heart,

Then you can start to make it better.

Hey Jude, don't be afraid.

You were made to go out and get her.

The minute you let her under your skin,

Then you begin to make it better.

And anytime you feel the pain, hey Jude, refrain,

Don't carry the world upon your shoulders.

For well you know that it's a fool who plays it cool

By making his world a little colder.

Da da da da da da, da da da, hey Jude...

Hey Jude, don't let me down.
You have found her, now go and get her.
Remember to let her into your heart,
Then you can start to make it better.

So let it out and let it in, hey Jude, begin,
You're waiting for someone to perform with.
And don't you know that it's just you, hey Jude,
you'll do,
The movement you need is on your shoulder.
Da da da da da da, da da da, hey Jude...

Hey Jude, don't make it bad.
Take a sad song and make it better.
Remember to let her under your skin,
Then you'll begin to make it
Better better better better better better, oh.
Da da da da da da, da da da, hey Jude...

Africa - Toto

I hear the drums echoing tonight
But she hears only whispers of some quiet
conversation
She's coming in, 12:30 flight
The moonlit wings reflect the stars that guide me
towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient
melodies

He turned to me as if to say, "Hurry boy, it's waiting there for you"

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do

I bless the rains down in Africa
Gonna take some time to do the things we never had (ooh, ooh)

The wild dogs cry out in the night
As they grow restless, longing for some solitary company

I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti

I seek to cure what's deep inside, frightened of this thing that I've become

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do

I bless the rains down in Africa
Gonna take some time to do the things we never had (ooh, ooh)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do

I bless the rains down in Africa

I bless the rains down in Africa
(I bless the rain)
I bless the rains down in Africa (I bless the rain)
I bless the rains down in Africa
I bless the rains down in Africa (ah, gonna take the
time)
Gonna take some time to do the things we never
had (ooh, ooh)

Girl - Anouk

Girl girl girl
When I hear him talk
Ooh my mind gets blocked girl
Speak up 'cause my jaw is locked
Which is good, good for me girl
It hides like a warning sign
But I'm too blind to see
Speak up yes I'm coming down
With an ice cold fever
Ice cold fever
Ice cold fever
Still got my hands they're clinging
So I just keep going
I don't know where I belong
Could I belong to you
No I don't know where I belong
Could I belong

Girl girl girl
Get it while it's hot they say
You see I'm burning up here
I want to but I just can't stop
And it hurts
It hurts like hell girl

You turn me inside out and upside down
Ooh you got me head over heels
I'm stuck
Yes I'm coming down with an ice cold fever
Ice cold fever
Ice cold fever, aha

Still got my hands they're clinging
So I just keep going
I don't know where I belong
Could I belong to you
No I don't know where I belong
Could I belong
Could I belong

Still got my hands they're clinging
So I just keep going
I don't know where I belong
Could I belong to you
No I don't know where I belong
Could I belong
Oh girl, yeah I belong

To you, you, you
To you, yeah you
To you, you, you
To you, yeah you

To you, you, you
Yeah I belong to you
Say you yeah you
Could I belong to you
Alright

Hey!

Hey!

Hey!

Good

[Michel - Anouk](#)

Hey Michel how's life are you ok
I wonder if you ever think of me
It's been nine years since that kiss
I can't help but reminiss
Hey Michel do you remember

We walked the street
To the beat
Hand in hand you and me
Smiling faces so in love
Hoping they all could see
That we belonged together
You and me against the world
But we found out the hard way

That it wasn't meant to be
Now it's you and her I see
You were my first and worst love
And so it only could go wrong
But that ain't that just the way you learn
Hey Michel I just wanted to let you know
That someone else has stole my heart
And now another girl has caught your eye
That does not mean I don't think of you
I'm just hoping that she'll treat you right
Do you remember how we walked the street
To the beat
Hand in hand you and me
Smiling faces so in love
Hoping they all could see
That we belong together
You and me against the world
But we found out the hard way
That it wasn't meant to be
Now it's you and her I see
It's just a silly dream
La la la la la la la
La la la la la la la la
Na na na na na na na
Hey Michel
Do you remember

Viva la vida - Coldplay

I used to rule the world
Seas would rise when I gave the word
Now in the morning I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listened as the crowd would sing
Now the old king is dead long live the king
One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
Missionaries in a foreign field
For some reason I can't explain
Once you'd gone there was never
Never an honest word
And that was when I ruled the world

It was a wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums

People couldn't believe what I'd become
Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh who would ever want to be king?

I hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know St Peter won't call my name
Never an honest word
But that was when I ruled the world

Hear Jerusalem bells a-ringing
Roman cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field
For some reason I can't explain
I know St Peter won't call my name
Never an honest word
But that was when I ruled the world

All summer long - Kid rock

It was 1989, my thoughts were short my hair was long

Caught somewhere between a boy and man
She was seventeen and she was far from in-between

It was summertime in Northern Michigan

Ahh Ahh Ahh

Ahh Ahh Ahh

Splashing through the sand bar

Talking by the campfire

It's the simple things in life, like when and where

We didn't have no internet

But man I never will forget

The way the moonlight shined upon her hair

[Chorus:]

And we were trying different things

We were smoking funny things

Making love out by the lake to our favorite song

Sipping whiskey out the bottle, not thinking 'bout tomorrow

Singing Sweet home Alabama all summer long

Singing Sweet home Alabama all summer long

Catching Walleye from the dock

Watching the waves roll off the rocks
She'll forever hold a spot inside my soul
We'd blister in the sun
We couldn't wait for night to come
To hit that sand and play some rock and roll

While we were trying different things
And we were smoking funny things
Making love out by the lake to our favorite song
Sipping whiskey out the bottle, not thinking 'bout
tomorrow
Singing Sweet Home Alabama all summer long
Singing Sweet Home Alabama all summer long

Now nothing seems as strange as when the leaves
began to change
Or how we thought those days would never end
Sometimes I'll hear that song and I'll start to sing
along
And think man I'd love to see that girl again

[Repeat Chorus x2]

Singing Sweet Home Alabama all summer long
Singing Sweet Home Alabama all summer long
Singing Sweet Home Alabama all summer long
Singing Sweet Home Alabama all summer long

Bad day - Daniel powter

Where is the moment we needed the most
You kick up the leaves and the magic is lost
You tell me your blue skies fade to grey
You tell me your passion's gone away
And I don't need no carryin' on

You stand in the line just to hit a new law
You're faking a smile with the coffee to go
You tell me your life's been way off line
You're falling to pieces everytime
And I don't need no carryin' on

'cause you had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't
mind
You had a bad day
You had a bad day

Well, you need a blue sky holiday
The point is they laugh at what you say
And I don't need no carryin' on

You had a bad day
You're taking one down
You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
The camera don't lie
You're coming back down and you really don't
mind
You had a bad day

(Oh.. Holiday..)

Sometimes the system goes on the blink
And the whole thing turns out wrong
You might not make it back and you know
That you could be well oh that strong
And I'm not wrong (ahhh...)

So where is the passion when you need it the most
Oh, you and I
You kick up the leaves and the magic is lost

'Cause you had a bad day
You're taking one down

You sing a sad song just to turn it around
You say you don't know
You tell me don't lie
You work at a smile and you go for a ride
You had a bad day
You've seen what you like
And how does it feel for one more time
You had a bad day
You had a bad day

(Oh, yeah, yeaah, yeah)
Had a bad day
(Oh, had a bad day)
Had a bad day
(Oh, yeah, yeah, yeeeeeah)
Had a bad day
(Oh, had a bad day)
Had a bad day...
Had a bad day...

[Let it be - The beatles](#)

WHEN I FIND MYSELF IN TIMES OF TROUBLE
MOTHER MARY COMES TO ME
SPEAKING WORDS OF WISDOM
LET IT BE

AND IN MY HOUR OF DARKNESS
SHE IS STANDING RIGHT IN FRONT OF ME

SPEAKING WORDS OF WISDOM
LET IT BE

LET IT BE, LET IT BE
LET IT BE, LET IT BE
WHISPER WORDS OF WISDOM
LET IT BE

AND WHEN THE BROKEN HEARTED PEOPLE
LIVING IN THE WORLD AGREE
THERE WILL BE AN ANSWER
LET IT BE

But though they maybe parted
there is stil a chance that they will see
there will be an answer
let it be

LET IT BE, LET IT BE
LET IT BE, LET IT BE
there will be an answer
LET IT BE

LET IT BE, LET IT BE
LET IT BE, LET IT BE
THERE WILL BE AN ANSWER
LET IT BE

(BREAK)

LET IT BE, LET IT BE
LET IT BE, LET IT BE
THERE WILL BE AN ANSWER
LET IT BE

LET IT BE, LET IT BE
LET IT BE, LET IT BE
THERE WILL BE AN ANSWER
LET IT BE

AND WHEN THE NIGHT IS CLOUDY
THERE'S STILL A LIGHT THAT SHINES ON ME
SHINE UNTIL TOMORROW
LET IT BE

I WAKE UP TO THE SOUND OF MUSIC
MOTHER MARY COMES TO ME
THERE WILL BE NO SORROW
LET IT BE

LET IT BE, LET IT BE
LET IT BE, LET IT BE
THERE WILL BE NO SORROW
LET IT BE

LET IT BE, LET IT BE
LET IT BE, LET IT BE
WHISPER WORDS OF WISDOM
LET IT BE

You Don't Know - Milow

Sometimes everything seems awkward and large
Imagine a Wednesday evening in march
Future and past at the same time
I make use of the night and start drinking a lot
Although not ideal for now it's all that I've got
it's nice to know your name

you don't know, you don't know,
you don't know anything about me

an ocean, a lake, I need a place to drown
let's freeze the moment because we're going down
tomorrow you'll be gone gone gone
you're laughing too hard, this all seems surreal
I feel peculiar, now what do you feel
do you think there's a chance that we can fall

you don't know, you don't know,
you don't know anything about me
what do I know, I know your name
you don't know, you don't know,
you don't know anything about me anymore

I gave up dreaming for a while
I gave up dreaming for a while

I've noticed these are mysterious days
I look at it like a jigsaw puzzle and gaze
with wide open mouth and burning eyes
if only I could start to care
my dreams and my Wednesdays ain't going
nowhere

baby baby baby you don't know

you don't know, you don't know,
you don't know anything about me
what do I know, I know your name
you don't know, you don't know,
you don't know anything about me anymore

you don't know, you don't know,
you don't know anything about me
what do I know, I know your name
you don't know, you don't know,
you don't know anything about me anymore

you don't know, you don't know,
you don't know anything about me
what do I know, I know your name

you don't know, you don't know,
you don't know anything about me anymore

Breakeven - The Script

I'm still alive but I'm barely breathing
Just prayed to a god that I don't believe in
Cos I got time while she got freedom
Caus when a heart breaks no it don't break even

Her best days will be some of my worst
She finally met a man that's gonna put her 1st
While I'm wide awake she's no trouble sleeping
Cos when a heart breaks no it don't breakeven...
even... no

What am I supposed to do when the best part of
me was always you and
What am I supposed to say when I'm all choked up
and your ok
I'm falling to pieces yeah
I'm falling to pieces

They say bad things happen for a reason
But no wise words gonna stop the bleeding
Cos she's moved on while I'm still grieving
And when a heart breaks no it don't break even
even... no

What am I gonna to do when the best part of me
was always you and
What am I suppose to say when I'm all choked up
and your ok
I'm falling to pieces yeah
I'm falling to pieces yeah
I'm falling to pieces
(One still in love while the other ones leaving)
I'm falling to pieces
(Cos when a heart breaks no it don't break even)

Oh you got his heart and my heart and none of the
pain
You took your suitcase, I took the blame.
Now I'm tryna make sense of what little remains ooh
Cos you left me with no love and no love to my
name.

I'm still alive but I'm barely breathing
Just prayed to a god that I don't believe in
Cos I got time while she got freedom
Cos when a heart breaks no it don't break
No it don't break
No it don't break even no

What am I gonna do when the best part of me was
always you and
What am I suppose to say when I'm all choked up
and your ok

(Oh glad your okay now)
I'm falling to pieces yeah
(Oh I'm glad your okay)
I'm falling to pieces yeah
(One still in love while the other ones leaving)
I'm falling to pieces
(Cos when a heart breaks no it don't breakeven)

Oh it don't break even no
Oh it don't break even no
Oh it don't break even no

You're Beautiful - James Blunt

My life is brilliant
My love is pure
I saw an angel
Of that I'm sure
She smiled at me on the subway
She was with another man
But I won't lose no sleep on that
'Cause I've got a plan

You're beautiful, you're beautiful
You're beautiful, it's true
I saw you face in a crowded place
And I don't know what to do
'Cause I'll never be with you

Yeah, she caught my eye
As we walked on by
She could see from my face that I was
Flying high
And I don't think that I'll see her again
But we shared a moment
That will last 'till the end

You're beautiful, you're beautiful
You're beautiful, it's true
I saw you face in a crowded place
And I don't know what to do
'Cause I'll never be with you
You're beautiful, you're beautiful
You're beautiful, it's true
There must be an angel with a smile on her face
When she thought up that I should be with you

But it's time to face the truth
I will never be with you

[Under The Bridge - Red Hot Chili Peppers](#)

Sometimes I feel
Like I don't have a partner
Sometimes I feel
Like my only friend
Is the city I live in
The city of angels

Lonely as I am
Together we cry

I drive on her streets
'Cause she's my companion
I walk through her hills
'Cause she knows who I am
She sees my good deeds
And she kisses me windy
I never worry
Now that is a lie

I don't ever want to feel
Like I did that day
Take me to the place I love
Take me all the way

It's hard to believe
That there's nobody out there
It's hard to believe
That I'm all alone
At least I have her love
The city she loves me
Lonely as I am
Together we cry

I don't ever want to feel
Like I did that day
Take me to the place I love

Take me all that way

Under the bridge downtown
Is where I drew some blood
Under the bridge downtown
I could not get enough
Under the bridge downtown
Forgot about my love
Under the bridge downtown
I gave my life away

Here I stay

Fast Car - Tracy Chapman

You got a fast car
I want a ticket to anywhere
Maybe we make a deal
Maybe together we can get somewhere

Anyplace is better
Starting from zero got nothing to lose
Maybe we'll make something
But me myself I got nothing to prove

You got a fast car
And I got a plan to get us out of here
I been working at the convenience store
Managed to save just a little bit of money
We won't have to drive too far

Just 'cross the border and into the city
You and I can both get jobs
And finally see what it means to be living

You see my old man's got a problem
He live with the bottle that's the way it is
He says his body's too old for working
I say his body's too young to look like his
My mama went off and left him
She wanted more from life than he could give
I said somebody's got to take care of him
So I quit school and that's what I did

You got a fast car
But is it fast enough so we can fly away
We gotta make a decision
We leave tonight or live and die this way

I remember we were driving driving in your car
The speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
And I had a feeling that I belonged
And I had a feeling I could be someone,
be someone, be someone

You got a fast car
And we go cruising to entertain ourselves
You still ain't got a job

And I work in a market as a checkout girl
I know things will get better
You'll find work and I'll get promoted
We'll move out of the shelter
Buy a big house and live in the suburbs

I remember we were driving driving in your car
The speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
And I had a feeling that I belonged
And I had a feeling I could be someone,
be someone, be someone

You got a fast car
And I got a job that pays all our bills
You stay out drinking late at the bar
See more of your friends than you do of your kids
I'd always hoped for better
Thought maybe together you and me would find it
I got no plans I ain't going nowhere
So take your fast car and keep on driving

I remember we were driving driving in your car
The speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
And I had a feeling that I belonged
And I had a feeling I could be someone,

be someone, be someone

You got a fast car
But is it fast enough so you can fly away
You gotta make a decision
You leave tonight or live and die this way

Sex on fire - Kings Of Leon

Lay where you're laying, don't make a sound
I know they're watching, they're watching
All the commotion, the kiddie like play
Has people talking, talking

You, your sex is on fire

The dark of the alley, the breaking of day
The head while I'm driving, I'm driving
Soft lips are open, knuckles are pale
Feels like you're dying, you're dying

You, your sex is on fire
Consumed with what's to transpire

Hot as a fever, rattling bones
I could just taste it, taste it
If it's not forever, if it's just tonight
Oh, it's still the greatest
The greatest, the greatest

You, your sex is on fire
And you, your sex is on fire
Consumed with what's to transpire

And you, your sex is on fire
Consumed with what's to transpire

Hey Soul Sister - Train

Hey hey hey

Your lipstick stains on the front lobe of my left side
brains

I knew I wouldn't forget you

And so I went and let you blow my mind

Your sweet moonbeam

The smell of you in every single dream I dream

I knew when we collided you're the one I have
decided

Who's one of my kind

Hey soul sister, ain't that Mr. Mister on the radio,
stereo

The way you move ain't fair you know

Hey soul sister i don't wanna miss a single thing you
do tonight

Heeey heeeey heeeey

Just in time
I'm so glad you have a one track mind like me
You gave my life direction
A game show love connection, we can't deny
I'm so obsessed
My heart is bound to beat right out my untrimmed
chest
I believe in you, like a virgin, you're Madonna
And I'm always gonna wanna blow your mind

Hey soul sister, ain't that Mr. Mister on the radio,
stereo
The way you move ain't fair you know
Hey soul sister, I don't wanna miss a single thing you
do tonight

Well you can cut a rug
Watching you is the only drug I need
So gangster, I'm so thug
You're the only one I'm dreaming of
You see I can be myself now finally
In fact there's nothing I can't be
I want the world to see you'll be with me

Hey soul sister, ain't that Mr. Mister on the radio,
stereo
The way you move ain't fair you know
Hey soul sister, I don't wanna miss a single thing you
do tonight

Hey soul sister, I don't wanna miss a single thing you
do tonight

Heeey heeeey heeeey (tonight)

Heeey heeeey heeeey (tonight)

Nothing Else Matters - Metallica

So close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing else matters

never opened myself this way
life is ours, we live it our way
all these words I don't just say
and nothing else matters

trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters

never cared for what they do
never cared for what they know
but I know

so close no matter how far
couldn't be much more from the heart
forever trusting who we are
and nothing else matters

never cared for what they do
never cared for what they know
but I know

never opened myself this way
life is ours, we live it our way
all these words I don't just say
and nothing else matters

trust I seek and I find in you
every day for us something new
open mind for a different view
and nothing else matters

never cared for what they say
never cared for games they play
never cared for what they do
never cared for what they know
and I know

so close no matter how far
couldn't be much more from the heart
forever trusting who we are
no nothing else matters

Me And My Guitar - Tom Dice

People always say
Tom, this has gone too far
But I'm not afraid to chase my dreams
Just me and my guitar

And no one may ever know
The feelings inside my mind
'Cause all of the lines I ever write
Are running out of time

So maybe I should get a nine to five
But I don't want to let it go, there's so much more to
life

Tell me that I've got it wrong
Tell me everything will be okay
Before I fall
Tell me they'll play my songs
Tell me they'll sing the words I say
When darkness falls
All of the stars will see
Just me and my guitar

I'm sure that I'll find my way
'Cause I'm not afraid to try
Even a world of love and hope can't guarantee
that price

So maybe I can get a nine to five
But I don't want to let it go, there's so much more to
life

Tell me that I've got it wrong
Tell me everything will be okay
Before I fall
Tell me they'll play my songs
Tell me they'll sing the words I say
When darkness falls
All of the stars will see
Just me and my guitar

Me and my guitar

[Seven Nation Army - The White Stripes](#)

I'm gonna fight 'em off
A seven nation army couldn't hold me back

They're gonna rip it off
Taking their time right behind my back
And I'm talking to myself at night because I can't
forget
Back and forth through my mind
Behind a cigarette
And the message coming from my eyes says leave
it alone

Don't want to hear about it

Every single one's got a story to tell
Everyone knows about it
From the Queen of England to the hounds of hell

And if I catch it coming back my way
I'm gonna serve it to you
And that ain't what you want to hear
But that's what I'll do
And the feeling coming from my bones
Says find a home

I'm going to Wichita
Far from this opera for evermore
I'm gonna work the straw
Make the sweat drip out of every pore
And I'm bleeding, and I'm bleeding, and I'm
bleeding
Right before the lord

All the words are gonna bleed from me and I will
think no more
And the stains coming from my blood
Tell me go back home

Time Of Your Life - Green Day

Another turning point;
a fork stuck in the road.

Time grabs you by the wrist;
directs you where to go.

So make the best of this test
and don't ask why.

It's not a question
but a lesson learned in time.

It's something unpredicable
but in the end it's right.
I hope you had the time of your life.

So take the photographs
and still frames in your mind.

Hang it on a shelf
In good health and good time.

Tattoos of memories
and dead skin on trial.

For what it's worth,
it was worth all the while.

It's something unpredicable
but in the end it's right.
I hope you had the time of your life.

It's something unpredicable
but in the end it's right.
I hope you had the time of your life.

Hallelujah - Leonard Cohen

I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do ya?
It goes like this:
The fourth, the fifth
The minor fall and the major lift
The baffled king composing Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

When your faith was strong, but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

You say I took the name in vain

I don't even know the name
But if I did, well really, what's it to you?
There's a blaze of light in every word
It doesn't matter which you heard
The holy or the broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Baby, I've been here before
I know this room, I've walked this floor
I used to live alone before I knew you
I've seen your flag on the marble arch
But listen, love is not some kind of victory march
No it's a cold and it's a very broken Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

There was a time you let me know
What's really going on below
But now you never show it to me, do you?
But I remember when I moved in you
And the holy dove, she was moving too
Yes, every single breath that we drew was
Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Maybe there's a God above
As for me, all I've ever seemed to learn from love

Is how to shoot at someone who outdrew you
But it's not a complaint that you hear tonight
It's not the laughter of someone
Who claims to have seen the Light
No it's a cold and it's a very lonely Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth
I didn't come to fool you
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Dancing In The Dark - Bruce Springsteen

I get up in the evening
and I ain't got nothing to say
I come home in the morning
I go to bed feeling the same way
I ain't nothing but tired
Man I'm just tired and bored with myself
Hey there baby, I could use just a little help

You can't start a fire

You can't start a fire without a spark
This gun's for hire
even if we're just dancing in the dark

Message keeps getting clearer
radio's on and I'm moving 'round the place
I check my look in the mirror
I wanna change my clothes, my hair, my face
Man I ain't getting nowhere
I'm just living in a dump like this
There's something happening somewhere
baby I just know that there is

You can't start a fire
you can't start a fire without a spark
This gun's for hire
even if we're just dancing in the dark

You sit around getting older
there's a joke here somewhere and it's on me
I'll shake this world off my shoulders
come on baby this laugh's on me

Stay on the streets of this town
and they'll be carving you up alright
They say you gotta stay hungry
hey baby I'm just about starving tonight
I'm dying for some action
I'm sick of sitting 'round here trying to write this book

I need a love reaction
come on now baby gimme just one look

You can't start a fire sitting 'round crying over a
broken heart
This gun's for hire
Even if we're just dancing in the dark
You can't start a fire worrying about your little world
falling apart
This gun's for hire
Even if we're just dancing in the dark
Even if we're just dancing in the dark
Even if we're just dancing in the dark
Even if we're just dancing in the dark
Hey baby

Heroes - David Bowie

I, I will be king
And you, you will be queen
Though nothing will drive them away
We can beat them, just for one day
We can be Heroes, just for one day

And you, you can be mean
And I, I'll drink all the time
'Cause we're lovers, and that is a fact
Yes we're lovers, and that is that

Though nothing, will keep us together
We could steal time,
just for one day
We can be Heroes, for ever and ever
What d'you say?

I, I wish you could swim
Like the dolphins, like dolphins can swim
Though nothing,
nothing will keep us together
We can beat them, for ever and ever
Oh we can be Heroes,
just for one day

I, I will be king
And you, you will be queen
Though nothing will drive them away
We can be Heroes, just for one day
We can be us, just for one day

I, I can remember (I remember)
Standing, by the wall (by the wall)
And the guns shot above our heads
(over our heads)
And we kissed,
as though nothing could fall
(nothing could fall)
And the shame was on the other side
Oh we can beat them, for ever and ever

Then we could be Heroes,
just for one day

We can be Heroes
We can be Heroes
We can be Heroes
Just for one day
We can be Heroes

We're nothing, and nothing will help us
Maybe we're lying,
then you better not stay
But we could be safer,
just for one day

Oh-oh-oh-ohh, oh-oh-oh-ohh,
just for one day

No Woman No Cry - Bob Marley

No woman no cry
No woman no cry
No woman no cry
No woman no cry
Cause I remember when we used to sit
In a government yard in Trenchtown
Observing the hypocrites
Mingle with the good people we meet
Good friends we have,

Oh, good friends we have lost
Along the way
In this great future,
You can't forget your past
So dry your tears, I seh

No woman no cry
No woman no cry
Little darling, don't shed no tears
No woman no cry
Said I remember when we used to sit
In the government yard in Trenchtown
And then Georgie would make the fire lights I seh,
log would burnin' through the nights
Then we would cook cornmeal porridge
Of which I'll share with you
My feet is my only carriage
And so I've got to push on thru,
Oh, while I'm gone
Everything 's gonna be alright
Everything 's gonna be alright
No woman no cry
No woman no cry
I seh little darlin'
Don't shed no tears
No woman no cry.

Luka - Suzanne Vega

My name is Luka

I live on the second floor

I live upstairs from you

Yes I think you've seen me before

If you hear something late at night

Some kind of trouble. some kind of fight

Just don't ask me what it was

Just don't ask me what it was

Just don't ask me what it was

I think it's because I'm clumsy

I try not to talk too loud

Maybe it's because I'm crazy

I try not to act too proud

They only hit until you cry

And after that you don't ask why

You just don't argue anymore

You just don't argue anymore

You just don't argue anymore

Yes I think I'm okay

I walked into the door again

Well, if you ask that's what I'll say

And it's not your business anyway

I guess I'd like to be alone

With nothing broken, nothing thrown

Just don't ask me how I am
Just don't ask me how I am
Just don't ask me how I am

My name is Luka
I live on the second floor
I live upstairs from you
Yes I think you've seen me before

If you hear something late at night
Some kind of trouble. some kind of fight
Just don't ask me what it was
Just don't ask me what it was
Just don't ask me what it was

They only hit until you cry
And after that you don't ask why
You just don't argue anymore
You just don't argue anymore
You just don't argue anymore

Afterglow - Ed Sheeran

Stop the clocks, it's amazing
You should see the way the light dances off your
head

A million colours of hazel, golden and red
Saturday morning is fading
The sun's reflected by the coffee in your hand
My eyes are caught in your gaze all over again

We were love drunk, waiting on a miracle
Tryna find ourselves in the winter snow
So alone in love like the world had disappeared
Oh, I won't be silent and I won't let go
I will hold on tighter 'til the afterglow
And we'll burn so bright 'til the darkness softly clears

Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow

The weather outside's changing
The leaves are buried under six inches of white
The radio is playing, Iron & Wine
This is a new dimension
This is a level where we're losing track of time
I'm holding nothing against it, except you and I

We were love drunk, waiting on a miracle
Tryna find ourselves in the winter snow
So alone in love like the world had disappeared
Oh, I won't be silent and I won't let go

I will hold on tighter 'til the afterglow
And we'll burn so bright 'til the darkness softly clears

Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow

[Just the Way You Are - Bruno Mars](#)

Oh, her eyes, her eyes
Make the stars look like they're not shinin'
Her hair, her hair
Falls perfectly without her tryin'
She's so beautiful and I tell her everyday
Yeah, I know, I know
When I compliment her, she won't believe me
And it's so, it's so
Sad to think that she don't see what I see
But every time she asks me, "Do I look okay?"
I say

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause girl, you're amazing
Just the way you are
Yeah

Her lips, her lips
I could kiss them all day if she'd let me
Her laugh, her laugh
She hates, but I think it's so sexy
She's so beautiful and I tell her everyday
Oh, you know, you know
You know I'd never ask you to change
If perfect's what you're searchin' for, then just stay
the same
So don't even bother askin' if you look okay
You know I'll say

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile
The whole world stops and stares for a while
'Cause girl, you're amazing
Just the way you are

The way you are
The way you are
Girl, you're amazing
Just the way you are

When I see your face
There's not a thing that I would change
'Cause you're amazing
Just the way you are
And when you smile

The whole world stops and stares for a while
'Cause girl, you're amazing
Just the way you are
Yeah

7 Years - Lukas Graham

Once I was seven years old, my mama told me
Go make yourself some friends or you'll be lonely
Once I was seven years old

It was a big big world, but we thought we were
bigger
Pushing each other to the limits, we were learning
quicker

By 11 smoking herb and drinking burning liquor
Never rich so we were out to make that steady
figure

Once I was 11 years old, my daddy told me
Go get yourself a wife or you'll be lonely
Once I was 11 years old

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory, just always seemed to
bore me
'Cause only those I really love will ever really know
me

Once I was 20 years old, my story got told
Before the morning sun, when life was lonely

Once I was 20 years old
(Lukas Graham)

I only see my goals, I don't believe in failure
'Cause I know the smallest voices, they can make it
major
I got my boys with me atleast those in favor
And if we don't meet before I leave, I hope I'll see
you later

Once I was 20 years old, my story got told
I was writing 'bout everything, I saw before me
Once I was 20 years old

Soon we'll be 30 years old, our songs have been
sold

We've traveled around the world and we're still
roaming

Soon we'll be 30 years old

I'm still learning about life
My woman brought children for me
So I can sing them all my songs
And I can tell them stories
Most of my boys are with me
Some are still out seeking glory
And some I had to leave behind
My brother I'm still sorry

Soon I'll be 60 years old, my daddy got 61
Remember life and then your life becomes a better
one

I made the man so happy when I wrote a letter
once

I hope my children come and visit, once or twice a
month

Soon I'll be 60 years old, will I think the world is cold
Or will I have a lot of children who can warm me
Soon I'll be 60 years old

Soon I'll be 60 years old, will I think the world is cold
Or will I have a lot of children who can hold me
Soon I'll be 60 years old

Once I was seven years old, my mama told me
Go make yourself some friends or you'll be lonely
Once I was seven years old

Once I was seven years old

Exile - Taylor Swift

I can see you standin', honey
With his arms around your body
Laughin' but the joke's not funny at all
And it took you five whole minutes
To pack us up and leave me with it
Holdin' all this love out here in the hall
I think I've seen this film before
And I didn't like the ending
You're not my homeland anymore
So what am I defendin' now?
You were my town
Now I'm in exile seein' you out
I think I've seen this film before

Hoo, hoo-oooh
Hoo, hoo-oooh
Hoo, hoo-oooh
I can see you starin', honey
Like he's just your understudy
Like you'd get your knuckles bloody for me
Second, third, and hundredth chances
Balancin' on breaking branches
Those eyes add insult to injury
I think I've seen this film before
And I didn't like the ending
I'm not your problem anymore
So who am I offending now?
You were my crown
Now I'm in exile seein' you out
I think I've seen this film before
So I'm leavin' out the side door
So step right out
There is no amount
Of cryin' I can do for you
All this time
We always walked a very thin line
You didn't even hear me out (you didn't even hear
me out)
You never gave a warning sign (I gave so many
signs)
All this time
I never learned to read your mind (never learned to
read my mind)
I couldn't turn things around (you never turned
things around)

'Cause you never gave a warning sign (I gave so many signs)
So many signs
So many signs (you didn't even see the signs)
I think I've seen this film before
And I didn't like the ending
You're not my homeland anymore
So what am I defending now?
You were my town
Now I'm in exile seein' you out
I think I've seen this film before
So I'm leaving out the side door
So step right out
There is no amount
Of cryin' I can do for you
All this time
We always walked a very thin line
You didn't even hear me out (you didn't even hear me out)
You never gave a warning sign (I gave so many signs)
All this time
I never learned to read your mind (never learned to read my mind)
I couldn't turn things around (you never turned things around)
'Cause you never gave a warning sign (I gave so many signs)
All this time (so many signs)
I never learned to read your mind (so many signs)
I couldn't turn things around (so many signs)

'Cause you never gave a warning sign (never gave a warning sign)

Cover Me In Sunshine - P!nk, Willow Sage Hart

I've been dreaming of friendly faces

I've got so much time to kill

Just imagine people laughing

I know some day we will

And even if it's far away

Get me through another day

Cover me in sunshine

Shower me with good times

Tell me that the world's been spinning since the beginning

And everything will be alright

Cover me in sunshine

From a distance all these mountains

Are just some tiny hills

Wildflowers, they keep living

While they're just standing still

I've been missing yesterday

But what if there's a better place?

Cover me in sunshine

Shower me with good times

Tell me that the world's been spinning since the beginning

And everything will be alright

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the
beginning
And everything will be alright
Cover me in sunshine

Cover me in sunshine
Shower me with good times
Tell me that the world's been spinning since the
beginning
And everything will be alright
Cover me in sunshine

Watermelon Sugar - Harry Styles

Tastes like strawberries
On a summer evenin'
And it sounds just like a song
I want more berries
And that summer feelin'
It's so wonderful and warm

Breathe me in, breathe me out
I don't know if I could ever go without
I'm just thinking out loud
I don't know if I could ever go without

Watermelon sugar high
Watermelon sugar high
Watermelon sugar high

Watermelon sugar high
Watermelon sugar

Strawberries on a summer evenin'
Baby, you're the end of June
I want your belly
And that summer feelin'
Getting washed away in you

Breathe me in, breathe me out
I don't know if I could ever go without

Watermelon sugar high
Watermelon sugar high
Watermelon sugar high
Watermelon sugar high

Watermelon sugar high
Watermelon sugar high
Watermelon sugar high
Watermelon sugar high

I just wanna taste it, I just wanna taste it
Watermelon sugar high

Tastes like strawberries
On a summer evenin'
And it sounds just like a song
I want your belly
And that summer feelin'
I don't know if I could ever go without

Watermelon sugar high
Watermelon sugar high
Watermelon sugar high (sugar)
Watermelon sugar high (sugar)
Watermelon sugar high
Watermelon sugar high
Watermelon sugar high
Watermelon sugar high

I just wanna taste it, I just wanna taste it
Watermelon sugar high
I just wanna taste it, I just wanna taste it
Watermelon sugar high

New rules [Dua lipa](#)

One, one, one, one, one

Talkin' in my sleep at night
Makin' myself crazy
(Out of my mind, out of my mind)
Wrote it down and read it out
Hopin' it would save me
(Too many times, too many times)
My love, he makes me feel like nobody else
Nobody else
But my love, he doesn't love me
So I tell myself, I tell myself

One, don't pick up the phone
You know he's only calling 'cause he's drunk and
alone
Two, don't let him in
You'll have to kick him out again
Three, don't be his friend
You know you're gonna wake up in his bed in the
morning
And if you're under him
You ain't getting over him

I've got new rules, I count 'em
I've got new rules, I count 'em
I've gotta tell them to myself
I've got new rules, I count 'em
I've gotta tell them to myself

I keep pushin' forwards
But he keeps pullin' me backwards
(Nowhere to turn, no way)
(Nowhere to turn, no)
Now I'm standing back from it
I finally see the pattern
(I never learn, I never learn)
But my love, he doesn't loves me
So I tell myself, I tell myself
I do, I do, I do
One, don't pick up the phone
You know he's only calling 'cause he's drunk and

alone

Two, don't let him in

You have to kick him out again

Three, don't be his friend

You know you're gonna wake up in his bed in the morning

And if you're under him

You ain't getting over him

I've got new rules, I count 'em

I've got new rules, I count 'em

I've gotta tell them to myself

I've got new rules, I count 'em

I've gotta tell them to myself

Practice makes perfect

I'm still tryna' learn it by heart (I got new rules, I count 'em)

Eat, sleep, and breathe it

Rehearse and repeat it 'cause I (I got new, I got new, I)

One, don't pick up the phone

You know he's only calling 'cause he's drunk and alone

Two, don't let him in

You have to kick him out again

Three, don't be his friend

You know you're gonna wake up in his bed in the

morning
And if you're under him
You ain't getting over him

I've got new rules, I count 'em
I've got new rules, I count 'em
I've gotta tell them to myself
I've got new rules, I count 'em (baby you know I
count 'em)
I've gotta tell them to myself
Don't let him in, don't let him in
Don't be his friend, don't be his friend
Don't let him in, don't let him in
Don't be his friend, don't be his friend
You ain't getting over him

Wellerman - Nathan evans

There once was a ship that put to sea
The name of that ship was the Billy o' Tea
The winds blew up, her bow dipped down
Oh blow, my bully boys, blow (huh)

She'd not been two weeks from shore
When down on her a right whale bore
The captain called all hands and swore
He'd take that whale in tow (huh)

Soon may the Wellerman come
To bring us sugar and tea and rum

One day, when the tonguing' is done
We'll take our leave and go

(Go, go, go, go)
(Go, go, go, go)
(Go, go, go, go)
Take our leave and go

Soon may the Wellerman come
To bring us sugar and tea and rum
One day, when the tonguing' is done
We'll take our leave and go

(Hey)

Before the boat had hit the water
The whale's tail came up and caught her
All hands to the side, harpooned and fought her
When she dived down low (huh)

She'd not been two weeks from shore
When down on her a right whale bore
The captain called all hands and swore
He'd take that whale in tow

Soon may the Wellerman come
To bring us sugar and tea and rum

One day, when the tonguing' is done
We'll take our leave and go

(Go, go, go, go)
(Go, go, go, go)
(Go, go, go, go)
Take our leave and go

Soon may the Wellerman come
To bring us sugar and tea and rum
One day, when the tonguing' is done
We'll take our leave and go

Soon may the Wellerman come
To bring us sugar and tea and rum (hey)
One day, when the tonguing' is done
We'll take our leave and go

(Take our leave and go)
(Take our leave and go)

Galway girl - Ed sheeran

She played the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the
hand
Said baby I just want to dance

I met her on Grafton street right outside of the bar
She shared a cigarette with me while her brother
played the guitar
She asked me what does it mean the Gaelic ink on
your arm?
Said it was one of my friend's songs do you want to
drink on?

She took Jamie as a chaser, Jack for the fun
She got Arthur on the table, with Johnny riding as
shot gun
Chatted some more, one more drink at the bar
Then put Van on the jukebox, got up to dance, you
know

She played the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the
hand
Said baby I just want to dance

With my pretty little Galway Girl
You're my pretty little Galway Girl

You know she beat me at darts and then she beat
me at pool
And then she kissed me like there was nobody else
in the room

As last orders were called, was when she stood on
the stool
After dancing the céilí, singing to trad tunes
I never heard Carrickfergus ever sung so sweet
Acapella in the bar using her feet for a beat
Oh I could have that voice playing on repeat for a
week
And in this packed out room, swear she was singing
to me

She played the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the
hand
Said baby I just want to dance

My pretty little Galway girl
My my my my my my my Galway girl
My my my my my my my Galway girl
My my my my my my my Galway girl

Now we've outstayed our welcome and it's
closing time
I was holding her hand, her hand was holding mine
Our coats both smell of smoke, whisky and wine
As we fill up our lungs with the cold air of the night

I walked her home then she took me inside
Finish some Doritos and another bottle of wine
I swear I'm going to put you in a song that I write
About a Galway girl and a perfect night

She played the fiddle in an Irish band
But she fell in love with an English man
Kissed her on the neck and then I took her by the
hand
Said baby I just want to dance

My pretty little Galway girl
My my my my my my my my Galway girl
My my my my my my my my Galway girl
My my my my my my my my Galway girl

[What Makes You Beautiful - One Direction](#)

You're insecure, don't know what for
You're turning heads when you walk through the
do-o-or
Don't need make up, to cover up
Being the way that you are is eno-o-ough

Everyone else in the room can see it
Everyone else but you

Baby, you light up my world like nobody else
The way that you flip your hair gets me

overwhelmed

But when you smile at the ground it ain't hard to tell
You don't know-ow-ow, you don't know you're
beautiful

If only you saw what I can see, you'll understand
why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know-ow-ow, you don't know you're
beautifu-u-ul
But that's what makes you beautiful

So c-come on, you got it wrong
To prove I'm right, I put it in a so-o-ong
I don't know why, you're being shy
And turn away when I look into your e-e-eyes

Everyone else in the room can see it
Everyone else but you

Baby, you light up my world like nobody else
The way that you flip your hair gets me
overwhelmed
But when when smile at the ground it ain't hard to
tell
You don't know-ow-ow, you don't know you're
beautiful

If only you saw what I can see, you'll understand

why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know-ow-ow, you don't know you're
beautifu-u-ul
But that's what makes you beautiful

Na na na na na na na na
Na na na na na na
Na na na na na na na na
Na na na na na na

Baby, you light up my world like nobody else
The way that you flip your hair gets me
overwhelmed
But when you smile at the ground it ain't hard to tell
You don't know, you don't know you're beautiful

Baby, you light up my world like nobody else
The way that you flip your hair gets me
overwhelmed
But you when smile at the ground it ain't hard to tell
You don't know-ow-ow, you don't know you're
beautiful

If only you saw what I can see, you'll understand
why I want you so desperately
Right now I'm looking at you and I can't believe
You don't know-ow-ow, you don't know you're
beautifu-u-ul

You don't know you're beautifu-u-ul, but that's what makes you beautiful

Call Me Maybe - Carly Rae Jepsen

I threw a wish in the well, don't ask me I'll never tell
I looked to you as it fell and now you're in my way
I'd trade my soul for a wish, pennies and dimes for a kiss

I wasn't looking for this, but now you're in my way

Your stare was holding, ripped jeans, skin was showin'

Hot night, wind was blowin', where you think you're going baby

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
It's hard to look right, at you baby
But here's my number, so call me maybe

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys, try to chase me
But here's my number, so call me maybe

You took your time with the call, I took no time with the fall

You gave me nothing at all, but still you're in my

way

I beg and borrow and steal, at first sight and it's real
I didn't know I would feel it, but it's in my way

Your stare was holding, ripped jeans, skin was
showin'

Hot night, wind was blowin', where you think you're
going baby

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
It's hard to look right, at you baby
But here's my number, so call me maybe

Hey, I just met you, and this is crazy
But here's my number, so call me maybe
And all the other boys, try to chase me
But here's my number, so call me maybe

Before you came into my life, I missed you so bad
I missed you so bad, I missed you so, so bad
Before you came into my life, I missed you so bad
And you should know that, I missed you so, so bad

It's hard to look right at you baby
But here's my number, so call me maybe

Hey, I just met you, and this is crazy
But here's my number, so call me maybe

And all the other boys, try to chase me
But here's my number, so call me maybe

Before you came into my life, I missed you so bad
I missed you so bad, I missed you so, so bad
Before you came into my life, I missed you so bad
And you should know that, so call me maybe

Señorita - Shawn Mendes

[Chorus: Camila Cabello]

I love it when you call me señorita
I wish I could pretend I didn't need ya
But every touch is ooh-la-la-la
It's true, la-la-la
Ooh, I should be runnin'
Ooh, you keep me coming for ya

[Verse 1: Shawn Mendes]

Land in Miami
The air was hot from summer rain
Sweat drippin' off me
Before I even knew her name, la-la-la
It felt like ooh-la-la-la, yeah, no
Sapphire moonlight
We danced for hours in the sand
Tequila Sunrise
Her body fit right in my hands, la-la-la
It felt like ooh-la-la-la, yeah

[Chorus: Camila Cabello & Shawn Mendes, Camila Cabello]

I love it when you call me señorita
I wish I could pretend I didn't need ya
But every touch is ooh-la-la-la
It's true, la-la-la
Ooh, I should be runnin'
Ooh, you know I love it when you call me señorita
I wish it wasn't so damn hard to leave ya
But every touch is ooh-la-la-la
It's true, la-la-la
Ooh, I should be runnin'
Ooh, you keep me coming for ya

[Verse 2: Camila Cabello with Shawn Mendes]

Locked in the hotel
There's just some things that never change
You say we're just friends
But friends don't know the way you taste, la-la-la
(La, la, la)
'Cause you know it's been a long time coming
Don't ya let me fall, oh
Ooh, when your lips undress me, hooked on your
tongue
Ooh, love, your kiss is deadly, don't stop

[Chorus: Both, Camila Cabello & Shawn Mendes]

I love it when you call me señorita

I wish I could pretend I didn't need ya
But every touch is ooh-la-la-la
It's true, la-la-la
Ooh, I should be runnin'
Ooh, you know I love it when you call me señorita
I wish it wasn't so damn hard to leave ya (So damn
hard to leave ya)
But every touch is ooh-la-la-la
It's true, la-la-la (True la-la)
Ooh, I should be runnin'
Ooh, you keep me coming for ya

[Outro: Both, Shawn Mendes & Camila Cabello]
All along, I've been coming for ya (For you)
And I hope it meant something to you (Oh)
Call my name, I'll be coming for ya (Coming for
you)
Coming for ya (Coming for you)
For ya
For ya (Oh, she loves it when I call)
For ya
Ooh, I should be runnin'
Ooh, you keep me coming for ya

Someone Like You - Adele -

I heard that you're settled down
That you found a girl and you're married now
I heard that your dreams came true
Guess she gave you things, I didn't give to you

Old friend
Why are you so shy
It ain't like you to hold back
Or hide from the lie

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it
I hoped you'd see my face and that you'd be
reminded
That for me, it isn't over

Nevermind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love
But sometimes it hurts instead
Sometimes it lasts in love
But sometimes it hurts instead, yeah

You'd know how the time flies
Only yesterday was the time of our lives
We were born and raised in a summery haze
Bound by the surprise of our glory days

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it
I hoped you'd see my face and that you'd be
reminded

That for me, it isn't over yet

Nevermind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love
But sometimes it hurts instead, yeah

Nothing compares, no worries or cares
Regret's and mistakes they're memories made
Who would have known how bittersweet this would
taste

Nevermind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg, I remembered you said
Sometimes it lasts in love
But sometimes it hurts instead

Nevermind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg, I remembered you said
Sometimes it lasts in love
But sometimes it hurts instead, yeah, yeah

[Mercy - Shawn Mendes -](#)
You've got a hold of me
Don't even know your power

I stand a hundred feet
But I fall when I'm around you

Show me an open door
Then you go and slam it on me
I can't take anymore
I'm saying baby

Please have mercy on me
Take it easy on my heart
Even though you don't mean to hurt me
You keep tearing me apart
Would you please have mercy, mercy on my heart
Would you please have mercy, mercy on my heart

I'd drive through the night
Just to be near you baby
Heart open, testified
Tell me that I'm not crazy

I'm not asking for a lot
Just that you're honest with me
My pride is all I got
I'm saying baby

Please have mercy on me
Take it easy on my heart
Even though you don't mean to hurt me
You keep tearing me apart

Would you please have mercy on me
I'm a puppet on your strings
And even though you got good intentions
I need you to set me free
Would you please have mercy, mercy on my heart
Would you please have mercy, mercy on my heart

Consuming all the air inside my lungs
Ripping all the skin from off my bones
I'm prepared to sacrifice my life
I would gladly do it twice
Consuming all the air inside my lungs
Ripping all the skin from off my bones
I'm prepared to sacrifice my life
I would gladly do it twice

Oh, please have mercy on me
Take it easy on my heart
Even though you don't mean to hurt me
You keep tearing me apart
Would you please have mercy on me
I'm a puppet on your string
And even though you got good intentions
I need you to set me free
I'm begging you for mercy, mercy
I'm begging you, (on my heart) begging you please
baby
I'm begging you for mercy, mercy

Oh, I'm begging you, (on my heart) I'm begging
you, yeah

Memories - Maroon 5

Here's to the ones that we got
Cheers to the wish you were here but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back
Memories bring back you

There's a time that I remember when I did not know
no pain
When I believed in forever
And everything would stay the same
Now my heart feel like December
When somebody say your name
'Cause I can't reach out to call you
But I know I will one day
Hey

Everybody hurts sometimes, everybody hurts
someday
Eh eh
Everything will be alright, go on raise a glass and

say
Eh

Here's to the ones that we got
Cheers to the wish you were here but you're not
'Cause the drinks bring back all the memories
Of everything we've been through
Toast to the ones here today
Toast to the ones that we lost on the way
'Cause the drinks bring back all the memories
And the memories bring back
Memories bring back you
Doo do do doo

Memories bring back
Memories bring back you

There's a time that I remember when I never felt so
lost
When I felt that all the hatred was too powerful to
stop
Now my heart feel like an ember
And its lighting up the dark
I'll carry these torches for ya
That you know I'll never drop
Yeah

Everybody hurts sometimes, everybody hurts
someday

Eh eh

Everything goin be alright, go on raise a glass and
say

Eh

Here's to the ones that we got

Cheers to the wish you were here but you're not

'Cause the drinks bring back all the memories

Of everything we've been through

Toast to the ones here today

Toast to the ones that we lost on the way

'Cause the drinks bring back all the memories

And the memories bring back

Memories bring back you

Doo do do doo

Memories bring back

Memories bring back you

Doo do do doo

Memories bring back

Memories bring back you

Yeah yeah yeah

Memories bring back

Memories bring back you

Love Yourself - Justin Bieber

For all the times that you rain on my parade
And all the clubs you get in using my name
You think you broke my heart, oh girl for goodness
sake
You think I'm crying on my own, well I ain't

And I didn't wanna write a song
Cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up
And baby I be movin' on
And I think you should be somethin'
I don't wanna hold back, maybe you should know
that

My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job, didn't see
what's going on
But now I know, I'm better sleeping on my own

Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

And when you told me that you hated my friends
The only problem was with you and not them
And every time you told me my opinion was wrong

And tried to make me forget where I came from

And I didn't wanna write a song
Cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up
And baby I be movin' on
And I think you should be somethin'
I don't wanna hold back, maybe you should know
that

My mama don't like you and she likes everyone
And I never like to admit that I was wrong
And I've been so caught up in my job, didn't see
what's going on
But now I know, I'm better sleeping on my own

Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

[Instrumental]

For all the times that you made me feel small
I fell in love, now I feel nothin' at all
Had never felt so low when I was vulnerable
Was I a fool to let you break down my walls?

Cause if you like the way you look that much

Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself
Cause if you like the way you look that much
Oh, baby, you should go and love yourself
And if you think that I'm still holdin' on to somethin'
You should go and love yourself

Budapest - George Ezra

My house in Budapest
My, my hidden treasure chest
Golden grand piano
My beautiful Castillo

You, you
I'd leave it all

My acres of a land
I have achieved
It may be hard for you to
Stop and believe

But for you, you
I'd leave it all
Oh, for you, you
I'd leave it all

Give me one good reason

Why I should never make a change
And baby, if you hold me
Then all of this will go away

My many artifacts
The list goes on
If you just say the words
I'll up and run

Oh, to you, you
I'd leave it all
Oh, for you, you
I'd leave it all

Give me one good reason
Why I should never make a change
And baby, if you hold me
Then all of this will go away

Give me one good reason
Why I should never make a change
And baby, if you hold me
Then all of this will go away

My friends and family
They, don't understand
They fear they'd lose so much
If, you take my hand

But, for you, you
I'd lose it all
Oh, for you, you
I'd lose it all

Give me one good reason
Why I should never make a change
And baby, if you hold me
Then all of this will go away

Give me one good reason
Why I should never make a change
And baby, if you hold me
Then all of this will go away

My house in Budapest
My hidden treasure chest
Golden grand piano
My beautiful castillo

You, you
I'd leave it all

[I'm Not The Only One](#) - Sam Smith

You and me we made a vow
For better or for worse
I can't believe you let me down
But the proof is in the way it hurts
For months on end I've had my doubts

Denying every tear
I wish this would be over now
But I know that I still need you here

You say I'm crazy
Cause you don't think I know what you've done
But when you call me baby
I know I'm not the only one

You've been so unavailable
Now sadly I know why
Your heart is unobtainable
Even though you don't share mine

You say I'm crazy
Cause you don't think I know what you've done
But when you call me baby
I know I'm not the only one

I have loved you for many years
Maybe I am just not enough
You've made me realize my deepest fear
By lying and tearing us up

You say I'm crazy
Cause you don't think I know what you've done
But when you call me baby
I know I'm not the only one

You say I'm crazy
Cause you don't think I know what you've done
But when you call me baby
I know I'm not the only one

Hold Back The River - James Bay

Tried to keep you close to me
But life got in between
Tried to square not being there
But think that I should have been

Hold back the river, let me look in your eyes
Hold back the river, so I
Can stop for a minute and see where you hide
Hold back the river, hold back

Once upon a different life
We rode our bikes into the sky
But now we crawl against the tide
Those distant days are flashing by

Hold back the river, let me look in your eyes
Hold back the river, so I
Can stop for a minute and be by your side
Hold back the river, hold back

Hold back the river, let me look in your eyes
Hold back the river, so I

Can stop for a minute and see where you hide
Hold back the river, hold back

Hold oho, oho, oho, oho
Oho, oho, oho, oho

Lonely water, lonely water, won't you let us wander
Let us hold each other
Lonely water, lonely water, won't you let us wander
Let us hold each other

Hold back the river, let me look in your eyes
Hold back the river, so I
Can stop for a minute and be by your side
Hold back the river, hold back

Hold back the river, let me look in your eyes
Hold back the river, so I
Can stop for a minute and be by your side
Hold back the river, hold

Lonely water, lonely water, won't you let us wander
Let us hold each other
Lonely water, lonely water, won't you let us wander
Let us hold each other

[Locked Out Of Heaven - Bruno Mars](#)

Oh yeah yeah
Oh yeah yeah yeah

Ooh!
Oh yeah yeah
Oh yeah yeah yeah
Ooh!

Never had much faith in love or miracles
Never wanna put my heart on the line
But swimming in your water is something spiritual
I'm born again every time you spend the night

Cause your sex takes me to paradise
Yeah your sex takes me to paradise
And it shows, yeah, yeah, yeah
Cause you make feel like, I've been locked out of
heaven
For too long, for too long
Yeah you make feel like, I've been locked out of
heaven
For too long, for too long

Oh yeah yeah yeah
Ooh!
Oh yeah yeah
Oh yeah yeah yeah
Ooh!

You bring me to my knees
You make me testify
You can make a sinner change his ways

Open up your gates cause I can't wait to see the
light

And right there is where I wanna stay

Cause your sex takes me to paradise

Yeah your sex takes me to paradise

And it shows, yeah, yeah, yeah

Cause you make feel like, I've been locked out of
heaven

For too long, for too long

Yeah you make feel like, I've been locked out of
heaven

For too long, for too long

Oh oh oh oh, yeah, yeah, yeah

Can I just stay here

Spend the rest of my days here

Oh oh oh oh, yeah, yeah, yeah

Can't I just stay here

Spend the rest of my days here

Cause you make feel like, I've been locked out of
heaven

For too long, for too long

Yeah you make feel like, I've been locked out of
heaven

For too long, for too long

Oh yeah yeah yeah

Ooh!
Oh yeah yeah
Oh yeah yeah yeah
Ooh!

Ho Hey - The Lumineers

[Verse 1]

I been trying to do it right
I been living a lonely life
I been sleepin' here instead
I been sleepin' in my bed
I been sleepin' in my bed

So show me family
All the blood that I will bleed
I don't know where I belong
I don't know where I went wrong
But I can write a song

[Hook]

I belong with you, you belong with me
You're my sweetheart
I belong with you, you belong with me
You're my sweetheart

[Verse 2]

I don't think you're right for him
Think of what it might have been if we
Took a bus to Chinatown

I'd be standin' on Canal, and Bowery
And she'd be standin' next to me

[Hook]

I belong with you, you belong with me
You're my sweetheart
I belong with you, you belong with me
You're my sweetheart

[Bridge]

Love we need it now
Let's hope for some
Cause oh, we're bleedin' out

[Hook]

I belong with you, you belong with me
You're my sweetheart
I belong with you, you belong with me
You're my sweetheart

Little Talks - Of Monsters And Men

Hey! Hey! Hey!

I don't like walking around this old and empty house
So hold my hand, I'll walk with you my dear

The stairs creak as I sleep, it's keeping me awake

It's the house telling you to close your eyes

Some days I can't even trust myself
It's killing me to see you this way

'Cause though the truth may vary
This ship will carry our bodies safe to shore

Hey! Hey! Hey!

There's an old voice in my head that's holding me
back
Well tell her that I miss our little talks

Soon it will be over, and buried with our past
We used to play outside when we were young
And full of life and full of love

Some days I don't know if I am wrong or right
Your mind is playing tricks on you my dear

'Cause though the truth may vary
This ship will carry our bodies safe to shore

Hey!
Don't listen to a word I say
Hey!
The screams all sound the same
Hey!

Though the truth may vary
This ship will carry our bodies safe to shore

You're gone, gone, gone away
I watched you disappear
All that's left is a ghost of you
Now we're torn, torn, torn apart
There's nothing we can do
Just let me go, we'll meet again soon
Now wait, wait, wait for me
Please hang around
I'll see you when I fall asleep

Hey!
Don't listen to a word I say
Hey!
The screams all sound the same
Hey!

Though the truth may vary
This ship will carry our bodies safe to shore

Hey!
Don't listen to a word I say
Hey!
The screams all sound the same
Hey!

Though the truth may vary
This ship will carry our bodies safe to shore

Though the truth may vary
This ship will carry our bodies safe to shore

Though the truth may vary
This ship will carry our bodies safe to shore
